REPORTING TUITION

Definition

Procedures

(1) Enter the amount of the full-time tuition charged in Column 1 of the 18-1 report.

(2) Enter the per SSCH rate in Column 2.

(3) Enter in Column 3 “Yes/No” if your tuition is capped. Even if the answer is “N”, complete that section of the form. If your tuition is capped, enter the number of hours at which tuition is capped.

(4) If fees other than tuition are included in the rates, indicate in SPECIAL NOTES the amount and type of fee included.

(5) If there is any other explanatory text that is needed, include all information in SPECIAL NOTES.
