Notes:

SREB defines mandatory fees as those fees assessed each full-time undergraduate or graduate student regardless of student level or program study. For example, fees charged only to students in music, lab, or nursing or other fees unique to a given situation such as late registration and parking decals should NOT be reported as mandatory fees. Further, SREB defines full-time for purposes of tuition calculation as **15 credit hours for undergraduate and 12 credit hours for graduate/professional**. If mandatory fees were in a structure such as technology fees by discipline, then the discipline was used that would reflect the typical student.

For UAF, WCOB is Walton College of Business. For UALR, COB is College of Business and EIT is Engineering and Information Technology College.

The athletic fee for ATU, HSU, and SAU is included in their tuition rate.

¹Technology (TELE) fees were computed by using the Arts & Sciences ratio for undergraduates and graduates.

²Group 1 consists of Cytotechnology, Health Information Management, Medical Technology, Ophthalmic Medical Technology, Radiation Therapy, Respiratory Care, Surgical Technology, Medical Dosimetry, Genetic Counseling. Group 2 consists of Dental Hygiene, Diagnostic Medical Sonography, Nuclear Medicine Imaging Sciences, Radiologic Imaging Sciences.

³HSU mandatory fees include a \$250 annual fee for the Student Recreation Center that was initiated by the Student Government Association.

Note: SREB defines mandatory fees as those fees assessed each full-time undergraduate or graduate student regardless of student level or program study. For example, fees charged only to students in music, lab, or nursing or other fees unique to a given situation such as late registration and parking decals should NOT be reported as mandatory fees. Further, SREB defines full-time for purposes of tuition calculation as **15 credit hours for undergraduate and 12 credit hours for graduate/professional**. If mandatory fees were in a structure such as technology fees by discipline, then the discipline was used that would reflect the typical student.
