**Notes:**

SREB defines mandatory fees as those fees assessed each full-time undergraduate or graduate student regardless of student level or program study. For example, fees charged only to students in music, lab, or nursing or other fees unique to a given situation such as late registration and parking decals should NOT be reported as mandatory fees. Further, SREB defines full-time for purposes of tuition calculation as **15 credit hours for undergraduate and 12 credit hours for graduate/professional**. If mandatory fees were in a structure such as technology fees by discipline, then the discipline was used that would reflect the typical student.

\*For UAF, WCOB is Walton College of Business. For UALR, COB is College of Business and EIT is Engineering and Information Technology College.

\*\*A portion of the athletic fee for ATU is included in their tuition rate.

<sup>1</sup> HSU mandatory fees include a \$250 annual fee for the Student Recreation Center that was initiated by the Student Government Association.

<sup>2</sup> Technology (TELE) fees were computed by using the Arts & Sciences ratio for undergraduates and graduates.

<sup>3</sup> Definition of full-time for purposes of tuition calculation is 12 credit hours for a student enrolled in UAMS's undergraduate nursing program and 9 hours for a student enrolled in UAMS's graduate nursing program. Full time for the MHA Program is 9 Hours.

**Note:** SREB defines mandatory fees as those fees assessed each full-time undergraduate or graduate student regardless of student level or program study. For example, fees charged only to students in music, lab, or nursing or other fees unique to a given situation such as late registration and parking decals should NOT be reported as mandatory fees. Further, SREB defines full-time for purposes of tuition calculation as **15 credit hours for undergraduate and 12 credit hours for graduate/professional**. If mandatory fees were in a structure such as technology fees by discipline, then the discipline was used that would reflect the typical student.

<sup>1</sup>Mid-South Community College became ASU Mid-South as of July 1, 2015.
