# Comprehensive Arkansas Higher Education Annual Report 

December 1, 2012

Retention and Graduation Rates
Arkansas Department of Higher Education
114 East Capitol, Little Rock, Arkansas 72201

## ANNUAL REPORT ON STUDENT RETENTION AND GRADUATION

The following attachments are included in this report.

| Attachment 2-A | Fall-to-Fall Retention Rates |
| :---: | :---: |
| Attachment 2-B | Fall-to-Fall Retention Rates of Remediated Student |
| Attachment 2-C | Graduation and Success Rates for 4-Year Universitie |
| Attachment 2-D | Graduation and Success R |
| Attachment 2-E | Graduation and Success Rates for 4-Year Universities SORTED BY INSTITUTION |
| Attachment 2-F | Graduation and Success Rates for 2-Year Colleges SORTED BY INSTITUTION |
| Attachment 2-G | Graduation and Success Rates for 4-Year Universities BY GENDER |
| Attachment 2-H | Graduation and Success Rates for 2-Year Colleges BY GENDER |
| Attachment 2-I | Graduation and Success Rates for 4-Year Universities BY RACE |
| Attachment 2-J | Graduation and Success Rates for 2-Year Colleges BY RACE |
| Attachment 2-K | Graduation and Success Rates for 4-Year Universities BY AGE |
| Attachment 2-L | Graduation and Success Rates for 2-Year Colleges BY AGE |
| Attachment 2-M | Graduation and Success Rates for Remediated Students |
| Statewide retention and graduation information for students entering Arkansas public higher education is presented in this report for both the state and public institutions. ADHE's Student Information System (SIS) enables multi-year student retention and graduation tracking in compliance with Student-Right-toKnow legislation as well as Act 267 of 1989. SIS tracks student enrollments and completions for multiple years at their originating or native campus, as well as in other public and independent institutions within the state. |  |
|  |  |

## Methodology

Retention and graduation rates are based on enrollment and completion activities for cohorts of first-time, full-time, degree- or certificate-seeking students who began in fall semesters. The retention calculations herein are based on fall-tofall comparisons of the students in the cohort. The graduation rates reported herein have been re-designed in keeping with the graduation rate calculation as defined by IPEDS (Integrated Postsecondary Education Data System). The ADHE methodology focuses on the 150 percent time frame for completion,
therefore, university rates are reviewed for a 6-year period whereas the rates for 2-year colleges are reviewed for a 3-year period.

## RETENTION RATES

## Statewide Retention

Attachment 2-A presents average fall-to-fall retention rates for each of the entering cohorts in 2006 Fall, 2007 Fall, 2008 Fall, 2009 Fall, and 2010 Fall.

The following represents the one-year retention rates for these five cohorts. The cohort of students is defined as students that are first-time entering, full-time, and seeking a degree or certificate. (This is the same as the IPEDS cohort.)

As shown above, the 4-year universities have substantially higher retention rates of entering cohort students - about 15-20 percentage points higher.

The retention rate calculation in Attachment 2-A also examines the number of students that graduated. The sum of the number of students retained along with number of students graduating divided by the number of students in the original cohort is considered the fall-to-fall success rate.

As can be seen from the above, the $4-Y e a r$ Universities also have higher success rates (retained students and graduating students) than the 2-Year Colleges, but the difference is not as great (10-15 percentage points) as the retention rate difference.

## Retention Demographics

The above graph demonstrates that females are retained at a higher rate than males.

The below table demonstrates that Hawaiian and Asian students are retained at higher rates than any other race/ethnicity.

The below table illustrates average fall-to-fall retention by age group. The group with the best retention rate is Age 18-19. It is interesting to note that young students and older students are retained at higher rates whereas the middle groups have lower rates, especially the group Age 20-24 (lowest).

The following graphs illustrate the retention rates of remediated students.

## GRADUATION RATES

## 4-Year University Graduation Rates

Attachment 2-C presents graduation rates of first-time freshmen for each of the cohorts after six years for 4-year universities.

According to the above graph, the graduation rate for public 4-year universities has consistently been 37-40 percent over the five-year period reviewed.

For the entering cohort of students for Cohort Year 2006 (2005 Fall), (1) the University of Arkansas, Fayetteville had the highest graduation rate (58.1 percent) followed by (2) Arkansas Tech University (42.7 percent), and (3) the University of Central Arkansas (40.1 percent).

Females at 4-year universities graduate at higher rates than males.

Students with racial backgrounds of Asian and White have the highest graduation rates.

The age groups of Less Than 18 and Age 18-19 have the highest and most consistent graduation rates at 4 -Year Universities.

## 2-Year College Graduation Rates

Attachment 2-D presents graduation rates of first-time freshmen for each of the cohorts after three years for 2-Year Colleges.

Note that the graduation rates for 2-Year Colleges are increasing.

For the entering cohort in Cohort Year 2009 (2008 Fall term), (1) Southern Arkansas University Tech had the highest graduation rate (39.2 percent) followed by (2) Arkansas State University Newport (33.2 percent), and (3) Arkansas State University Mountain Home (32.2 percent).

The graduation rates for males are higher than that of females at 2-Year Colleges.

Students with racial/ethnicity of White have the highest and most consistent graduation rates.

The older age groups have the highest graduation rates at 2-Year Colleges.

## Graduation Rates of Remediated Students

The below graph shows the graduation rates of remediated students at both 4Year Universities and 2-Year Colleges.

The below graph shows that students that do not require remediation graduate at substantially higher rates than remediated students at 4 -Year Universities. The difference ranges from a low of 27.7 percentage points in Cohort Year 2003 to a high of 30.3 percentage points in Cohort Year 2005.

The below graph shows that students that do not require remediation graduate at substantially higher rates than remediated students at 2-Year Colleges. The difference ranges from a low of 17.9 percentage points in Cohort Year 2008 to a high of 19.3 percentage points in Cohort Year 2005.

## Students Being Retained (Fall-to-Fall Retention, Cumulative Version) - 5 Years

1. Students are First-Time Entering
2. Students are Degree-Seekin
3. Attend Status is Full--Time
4. Students are Undergraduate Non-High School Students
Academic Year (Student Cohort) selected $=2007$ and rever

Students Being Retained (Fall-to-Fall Retention, Cumulative Version)-1 Year

1. Students are First-Time Entering
2. Students are Degree-Seeking (2, 4, 6, 7, \& 8 )
3. Attend Status is Full-Time
4. Students are Undergraduate Non-High School Students

Academic Year (Student Cohort) selected $=2011$ and review period includes from AY2011 to AY2016, the FALL Term Only

## Remediated Students Being Retained-5 Years

Criteria Inludes:

1. Students are First-Time Entering
2. Students are Degree-Seeking (2, $, 6,7, \& 8)$
3. Attend Status is Full-Time

Academic Year (Student Cohort) selial Students) 2007 and review period includes from AY2007 to AY2012, the FALL Term Only

## Remediated Students Being Retained - 2 Years

Criteria Inludes:

1. Students are First-Time Entering
2. Students are Degree-Seeking $(2,4,6,7, \& 8)$
3. Attend Status is Full-Time
4. Students are Degree-Seek
5. Attend Status is Full-Time
6. Students
7. Students were remediated (Remedial Students)
Academic Year (Student Cohort) selected $=2010$ and review period includes from AY2010 to AY2015, the FALL Term Only

NOTES: When a student received more than one award, only the highest award was counted
TIME PERIOD CONSIDERATIONS:

1. CP Graduates are counted from these graduation dates = '092001', '102001', '112001', '122001', '012002', '022002', '032002', '042002', '052002', so this is essentially though the Spring term.
2. TC Graduates include 1 full academic year plus these graduation dates = '072002','082002', '092002', '102002', '112002', '122002', so this is through the next Fall term.
3. Associate Graduates include 3 full academic years plus these graduation dates = '072004', '082004', so this includes the next 2 months of July and August.
4. AC Graduates include 4 full academic years plus these graduation dates = '072005', '082005', '092005', '102005', '112005', '122005', so this is through the next Fall term.
5. Baccalaureate Graduates include 6 full academic years plus these graduation dates = '072007', '082007', so this includes the next 2 months of July and August.

Cohort Year selected $\mathbf{=} \mathbf{2 0 0 3}$ and Time Period Covered = AFTER SIX (6) YEARS (from AY2003 thru AY2008) for Four-Year Universities.

NOTES: When a student received more than one award, only the highest award was counted.
TIME PERIOD CONSIDERATIONS:

1. CP Graduates are counted from these graduation dates = '092002', '102002', '112002', '122002', '012003', '022003', '032003', '042003', '052003', so this is essentially though the Spring term.
2. TC Graduates include 1 full academic year plus these graduation dates = '072003','082003', '092003', '102003', '112003', '122003', so this is through the next Fall term.
3. Associate Graduates include 3 full academic years plus these graduation dates = '072005', '082005', so this includes the next 2 months of July and August.
4. AC Graduates include 4 full academic years plus these graduation dates = '072006', '082006', '092006', '102006', '112006', '122006', so this is through the next Fall term.
5. Baccalaureate Graduates include 6 full academic years plus these graduation dates = ' 072008 ', ' 082008 ', so this includes the next 2 months of July and August

## ADHE Graduation Rate Calculation - 4-Year Universities

Cohort Year selected $=\mathbf{2 0 0 4}$ and Time Period Covered = AFTER SIX (6) YEARS (from AY2004 thru AY2009) for Four-Year Universities.

| 2-Year Colleges |  |  | 6,059 | 683 | 11.3 |  |  |  |  | 718 | 11.9 | 298 | 4.9 | 48 | 0.8 | 1,064 | 17.6 | 1,297 | 21.4 | 2,361 | 39.0 |

NOTES: When a student received more than one award, only the highest award was counted
TIME PERIOD CONSIDERATIONS:

1. CP Graduates are counted from these graduation dates = '092004', '102004', '112004', '122004', '012005', '022005', '032005', '042005', '052005', so this is essentially though the Spring term
2. TC Graduates include 1 full academic year plus these graduation dates = '072005','082005', '092005', '102005', '112005', '122005', so this is through the next Fall term.
3. Associate Graduates include 3 full academic years plus these graduation dates = '072007', '082007', so this includes the next 2 months of July and August.
4. AC Graduates include 4 full academic years plus these graduation dates = '072008', '082008', '092008', '102008', '112008', '122008', so this is through the next Fall term.
5. Baccalaureate Graduates include 6 full academic years plus these graduation dates = ' 072010 ', ' 082010 ', so this includes the next 2 months of July and August.

## ADHE Graduation Rate Calculation - 2-Year Colleges

Cohort Year selected $\mathbf{=} \mathbf{2 0 0 6}$ and Time Period Covered = AFTER THREE (3) YEARS (from AY2006 thru AY2008) for Two-Year Colleges.

NOTES: When a student received more than one award, only the highest award was counted
TIME PERIOD CONSIDERATIONS:

1. CP Graduates are counted from these graduation dates = '092007', '102007', '112007', '122007', '012008', '022008', '032008', '042008', '052008', so this is essentially though the Spring term
2. TC Graduates include 1 full academic year plus these graduation dates = '072008','082008', '092008', '102008', '112008', '122008', so this is through the next Fall term.
3. Associate Graduates include 3 full academic years plus these graduation dates = '072010', '082010', so this includes the next 2 months of July and August.
4. AC Graduates include 4 full academic years plus these graduation dates = '072011', '082011', '092011', '102011', '112011', '122011', so this is through the next Fall term.
5. Baccalaureate Graduates include 6 full academic years plus these graduation dates = '072013', '082013', so this includes the next 2 months of July and August.

## ADHE Graduation Rate Calculation - 2-Year Colleges

Cohort Year selected $=\mathbf{2 0 0 9}$ and Time Period Covered $=$ AFTER THREE (3) YEARS (from AY2009 thru AY2011) for Two-Year Colleges.

NOTES: When a student received more than one award, only the highest award was counted
TIME PERIOD CONSIDERATIONS:

1. CP Graduates are counted from these graduation dates = '092005', '102005', '112005', '122005', '012006', '022006', '032006', '042006', '052006', so this is essentially though the Spring term.
2. TC Graduates include 1 full academic year plus these graduation dates = '072006','082006', '092006', '102006', '112006', '122006', so this is through the next Fall term.
3. Associate Graduates include 3 full academic years plus these graduation dates = ' 072008 ', ' 082008 ', so this includes the next 2 months of July and August.
4. AC Graduates include 4 full academic years plus these graduation dates = '072009', '082009', '092009', '102009', '112009', '122009', so this is through the next Fall term.
5. Baccalaureate Graduates include 6 full academic years plus these graduation dates = '072011', '082011', so this includes the next 2 months of July and August.

NOTES: When a student received more than one award, only the highest award was counted.
TIME PERIOD CONSIDERATIONS

1. CP Graduates are counted from these graduation dates = '092008', '102008', '112008', '122008', '012009', '022009', '032009', '042009', '052009', so this is essentially though the Spring term.
2. TC Graduates include 1 full academic year plus these graduation dates = '072009','082009', '092009', '102009', '112009', '122009', so this is through the next Fall term.
3. Associate Graduates include 3 full academic years plus these graduation dates = '072011', '082011', so this includes the next 2 months of July and August.
4. AC Graduates include 4 full academic years plus these graduation dates = '072012', '082012', '092012', '102012', '112012', '122012', so this is through the next Fall term.
5. Baccalaureate Graduates include 6 full academic years plus these graduation dates = ' 072014 ', ' 082014 ', so this includes the next 2 months of July and August.

NOTES: When a student received more than one award, only the highest award was counted
TIME PERIOD CONSIDERATIONS:

1. CP Graduates are counted from these graduation dates = '092005', '102005', '112005', '122005', '012006', '022006', '032006', '042006', '052006', so this is essentially though the Spring term
2. TC Graduates include 1 full academic year plus these graduation dates = '072006','082006', '092006', '102006', '112006', '122006', so this is through the next Fall term.
3. Associate Graduates include 3 full academic years plus these graduation dates = '072008', '082008', so this includes the next 2 months of July and August
4. AC Graduates include 4 full academic years plus these graduation dates = '072009', '082009', '092009', '102009', '112009', '122009', so this is through the next Fall term.
5. Baccalaureate Graduates include 6 full academic years plus these graduation dates = '072011', '082011', so this includes the next 2 months of July and August.

Cohort Year selected = $\mathbf{2 0 0 6}$ and Time Period Covered = AFTER SIX (6) YEARS (from AY2006 thru AY2011) for Four-Year Universities and Gender = AMER. INDIANIALASKA NATIVE.

NOTES: When a student received more than one award, only the highest award was counted
TIME PERIOD CONSIDERATIONS:

1. CP Graduates are counted from these graduation dates = '092008', '102008', '112008', '122008', '012009', '022009', '032009', '042009', '052009', so this is essentially though the Spring term
2. TC Graduates include 1 full academic year plus these graduation dates = '072009','082009', '092009', '102009', '112009', '122009', so this is through the next Fall term.
3. Associate Graduates include 3 full academic years plus these graduation dates = '072011', '082011', so this includes the next 2 months of July and August
4. AC Graduates include 4 full academic years plus these graduation dates = '072012', '082012', '092012', '102012', '112012', '122012', so this is through the next Fall term.
5. Baccalaureate Graduates include 6 full academic years plus these graduation dates = '072014', '082014', so this includes the next 2 months of July and August.

NOTES: When a student received more than one award, only the highest award was counted
TIME PERIOD CONSIDERATIONS:

1. CP Graduates are counted from these graduation dates = '092008', '102008', '112008', '122008', '012009', '022009', '032009', '042009', '052009', so this is essentially though the Spring term
2. TC Graduates include 1 full academic year plus these graduation dates = '072009', '082009', '092009', '102009', '112009', '122009', so this is through the next Fall term.
3. Associate Graduates include 3 full academic years plus these graduation dates = '072011', '082011', so this includes the next 2 months of July and August
4. AC Graduates include 4 full academic years plus these graduation dates = '072012', '082012', '092012', '102012', '112012', '122012', so this is through the next Fall term.
5. Baccalaureate Graduates include 6 full academic years plus these graduation dates = '072014', '082014', so this includes the next 2 months of July and August.

NOTES: When a student received more than one award, only the highest award was counted.
TIME PERIOD CONSIDERATIONS:

1. CP Graduates are counted from these graduation dates = '092005', '102005', '112005', '122005', '012006', '022006', '032006', '042006', '052006', so this is essentially though the Spring term
2. TC Graduates include 1 full academic year plus these graduation dates = '072006','082006', '092006', '102006', '112006', '122006', so this is through the next Fall term.
3. Associate Graduates include 3 full academic years plus these graduation dates = '072008', '082008', so this includes the next 2 months of July and August
4. AC Graduates include 4 full academic years plus these graduation dates = '072009', '082009', '092009', '102009', '112009', '122009', so this is through the next Fall term.
5. Baccalaureate Graduates include 6 full academic years plus these graduation dates = '072011', '082011', so this includes the next 2 months of July and August.

## ADHE Graduation Rate Calculation for 4-Year Universities by AGE

Cohort Year selected $\mathbf{=} \mathbf{2 0 0 6}$ and Time Period Covered = AFTER SIX (6) YEARS (from AY2006 thru AY2011) for and Age $=$ Age 35-44

NOTES: When a student received more than one award, only the highest award was counted.
TIME PERIOD CONSIDERATIONS:

1. CP Graduates are counted from these graduation dates = '092008', '102008', '112008', '122008', '012009', '022009', '032009', '042009', '052009', so this is essentially though the Spring term
2. TC Graduates include 1 full academic year plus these graduation dates = '072009','082009', '092009', '102009', '112009', '122009', so this is through the next Fall term.
3. Associate Graduates include 3 full academic years plus these graduation dates = '072011', '082011', so this includes the next 2 months of July and August.
4. AC Graduates include 4 full academic years plus these graduation dates = '072012', '082012', '092012', '102012', '112012', '122012', so this is through the next Fall term.
5. Baccalaureate Graduates include 6 full academic years plus these graduation dates = ' 072014 ', ' 082014 ', so this includes the next 2 months of July and August.

NOTES: When a student received more than one award, only the highest award was counted
TIME PERIOD CONSIDERATIONS:

1. CP Graduates are counted from these graduation dates = '092008', '102008', '112008', '122008', '012009', '022009', '032009', '042009', '052009', so this is essentially though the Spring term
2. TC Graduates include 1 full academic year plus these graduation dates = '072009','082009', '092009', '102009', '112009', '122009', so this is through the next Fall term.
3. Associate Graduates include 3 full academic years plus these graduation dates = '072011', '082011', so this includes the next 2 months of July and August.
4. AC Graduates include 4 full academic years plus these graduation dates = '072012', '082012', '092012', '102012', '112012', '122012', so this is through the next Fall term.
5. Baccalaureate Graduates include 6 full academic years plus these graduation dates = ' 072014 ', ' 082014 ', so this includes the next 2 months of July and August.

NOTES: When a student received more than one award, only the highest award was counted
TIME PERIOD CONSIDERATIONS:

1. CP Graduates are counted from these graduation dates = '092008', '102008', '112008', '122008', '012009', '022009', '032009', '042009', '052009', so this is essentially though the Spring term
2. TC Graduates include 1 full academic year plus these graduation dates = '072009','082009', '092009', '102009', '112009', '122009', so this is through the next Fall term.
3. Associate Graduates include 3 full academic years plus these graduation dates = '072011', '082011', so this includes the next 2 months of July and August
4. AC Graduates include 4 full academic years plus these graduation dates = '072012', '082012', '092012', '102012', '112012', '122012', so this is through the next Fall term.
5. Baccalaureate Graduates include 6 full academic years plus these graduation dates = '072014', '082014', so this includes the next 2 months of July and August.
