Notes:

SREB defines mandatory fees as those fees assessed each full-time undergraduate or graduate student

regardless of student level or program study. For example, fees charged only to students in music, lab, or nursing

or other fees unique to a given situation such as late registration and parking decals should NOT be reported

as mandatory fees. Further, SREB defines full-time for purposes of tuition calculation as 15 credit hours for

undergraduate and 12 credit hours for graduate/professional. If mandatory fees were in a structure such as

technology fees by discipline, then the discipline was used that would reflect the typical student.

*For UAF, WCOB is Walton College of Business. For UALR, COB is College of Business and EIT is Engineering and Information Technology College.

¹ Because the Safety/Security Fee and Student Activity Fee do not apply to fully online students, they have been excluded from the Mandatory Fees.

²Technology (TELE) fees were computed by using the Arts & Sciences ratio for undergraduates and graduates.

³ Definition of full-time for purposes of tuition calculation is 12 credit hours for a student enrolled in UAMS's undergraduate nursing program and 9 hours for a student enrolled in UAMS's graduate nursing program. Full time for the MHA Program is 9 Hours.

Note: SREB defines mandatory fees as those fees assessed each full-time undergraduate or graduate student regardless of student level or program study. For example, fees charged only to students in music, lab, or nursing or other fees unique to a given situation such as late registration and parking decals should NOT be reported as mandatory fees. Further, SREB defines full-time for purposes of tuition calculation as **15 credit hours for graduate/professional**. If mandatory fees were in a structure such as technology fees by discipline, then the discipline was used that would reflect the typical student.

NOTES:

SREB defines mandatory fees as those fees assessed each full-time undergraduate or graduate student

regardless of program study. For example, fees charged only to students in music, lab, or nursing

or other fees unique to a given situation such as late registration and parking decals are not reported

as mandatory fees.

Annual per SSCH charges are calculated at the SREB rate of 30 hours unless fee is capped.

¹Because the Safety/Security Fee and Student Activity Fee do not apply to fully online students, they have been excluded from the Mandatory Fees.
