Notes:

SREB defines mandatory fees as those fees assessed each full-time undergraduate or graduate student regardless of student level or program study. For example, fees charged only to students in music, lab, or nursing or other fees unique to a given situation such as late registration and parking decals should NOT be reported as mandatory fees. Further, SREB defines full-time for purposes of tuition calculation as **15 credit hours for undergraduate and 12 credit hours for graduate/professional**. If mandatory fees were in a structure such as technology fees by discipline, then the discipline was used that would reflect the typical student.

*For UAF, WCOB is Walton College of Business. For UALR, COB is College of Business and EIT is Engineering and Information Technology College.

¹ HSU mandatory fees include a \$250 annual fee for the Student Recreation Center that was initiated by the Student Government Association.

² Technology (TELE) fees were computed by using the Arts & Sciences ratio for undergraduates and graduates.

³ Definition of full-time for purposes of tuition calculation is 12 credit hours for a student enrolled in UAMS's undergraduate nursing program and 9 hours for a student enrolled in UAMS's graduate nursing program. Full time for the MHA Program is 9 Hours.

⁴ Walton College MHA Program tuition in the College of Public Health is inclusive of all fees.

Note: SREB defines mandatory fees as those fees assessed each full-time undergraduate or graduate student regardless of student level or program study. For example, fees charged only to students in music, lab, or nursing or other fees unique to a given situation such as late registration and parking decals should NOT be reported as mandatory fees. Further, SREB defines full-time for purposes of tuition calculation as **15 credit hours for undergraduate and 12 credit hours for graduate/professional**. If mandatory fees were in a structure such as technology fees by discipline, then the discipline was used that would reflect the typical student.
