Agenda Item No. 1
Higher Education Coordinating Board
July 24, 2026

Welcome

Dr. Charles Robinson, chancellor of the University of Arkansas, will provide a welcome.

ARKANSAS HIGHER EDUCATION COORDINATING BOARD
Regular Quarterly Meeting
April 24, 2026

Minutes of Meeting

The Arkansas Higher Education Coordinating Board (AHECB) convened its regular meeting on April 24, 2026, at Ozarka College in Melbourne. Acting Chair Lucas Pointer called the meeting to order at 9:00 a.m. and confirmed that a quorum was present.

Coordinating Board present:

Lucas Pointer, Vice Chair
Graycen Bigger
Dr. Jerry Cash
Carolyn Rhinehart

Coordinating Board absent:

Dr. Jim Carr, Chair
Dr. Katherine Dudley, Secretary

Presidents, chancellors, institutional representatives, members of the press, ADHE staff and guests were also present.

Acting Chair Lucas Pointer presented Heather Maxey with a plaque in recognition of her service and expressed his sincere appreciation for her contributions to the Arkansas Higher Education Coordinating Board (AHECB). He thanked her for her dedication and commitment, which has made a lasting impact on higher education in Arkansas.

Agenda Item No. 1
Welcome

Next, Pointer called on President Josh Wilson for a welcome. Dr. Wilson welcomed Coordinating Board members, ADHE staff, and college and university presidents and chancellors to the Ozarka College campus. He noted that the Arkansas Pie Festival would be held that weekend in Clarksville. Dr. Wilson stated that, since 1975, Ozarka College has proudly served students by providing educational opportunities that lead to meaningful and rewarding careers.

Agenda Item No. 2
Approval of Minutes

Graycen Bigger moved to approve Agenda Item No. 2. Carolyn Rhinehart seconded the motion and the Board unanimously approved.

Agenda Item No. 3 Commissioner's Report

Fiscal Session Update

Commissioner Ken Warden reported that most appropriations have moved through both chambers with little opposition. A key development is that the Governor's proposed balanced budget includes an approximate \$4 million reduction from the Coordinating Board's productivity funding recommendation. Final decisions on the budget will not be made until the passage of the Revenue Stabilization Amendment, which is typically among the final actions of the session. Lawmakers are currently anticipating adjournment on Wednesday, April 29.

America 250

On July 4, 2026, the United States will commemorate its 250th anniversary. In recognition of this milestone, ADHE has provided each institution with a commemorative Arkansas 250 flag to display as part of the semiquincentennial celebration. Warden noted that most institutions have already picked up their flags from the ADHE office.

Website Accessibility

ADHE remains committed to ensuring that all website content meets accessibility standards. If you encounter any inaccessible materials, please notify our office so we can address the issue promptly.

HIRED Grants Update

Dr. Tina Moore presented an overview of the HIRED (Higher Industry Readiness through Educational Development) Grants, a workforce-focused initiative established under the Workforce Initiative Act of 2015 and aligned with the 2024 Arkansas Workforce Strategy. She explained that the program is designed to strengthen Arkansas's workforce pipeline by supporting employer-driven partnerships that develop training programs and career pathways in high-demand industries. Dr. Moore outlined the two funding tracks: Track 1, the Workforce Initiative Grant Program, provides up to \$51 million over five years through planning, implementation, and potential continuation grants, while Track 2, the Arkansas Workforce Strategy Grants, offers up to \$48 million over two years for implementation-focused projects.

She highlighted that funded projects must demonstrate clear workforce demand, include collaboration among employers, higher education institutions, and K–12 partners, and focus on preparing individuals for immediate employment, career advancement, and industry-recognized credentials. Dr. Moore also reviewed the allocation of funds, noting that planning grants totaling approximately \$273,640 were awarded to support initial project development across a range of sectors such as advanced manufacturing, aerospace, cybersecurity, agriculture, and emerging technologies. She further discussed the implementation phase, where over \$26.7 million has been awarded to

institutions to carry out workforce training initiatives, with additional funds remaining for future distribution.

Finally, Dr. Moore explained that continuation grants of up to \$1 million per year for up to three years may be available to high-performing projects that demonstrate measurable success and continued workforce need, emphasizing the program's focus on accountability, outcomes, and long-term impact on Arkansas's economy.

SAU HIRED Grant Update

Sheryl Edwards of Southern Arkansas University (SAU) presented an overview of the institution's HIRED Grant, which focuses on building a strong talent pipeline to support Arkansas's emerging lithium and critical minerals industry. She explained that the initiative is designed to connect education and workforce needs by engaging students early through expanded concurrent Career and Technical Education (CTE) programs and increased participation in STEM-focused activities. Edwards highlighted efforts to spark student interest through interactive programming such as STEM nights, while also strengthening partnerships between K–12 schools, higher education, and industry through targeted professional development for educators. She further emphasized the development of industry-driven academic pathways, including Industrial Engineering Technology and Construction Technology, which provide students with clear routes to in-demand careers and increase the number of credentials earned. Overall, Edwards noted that SAU's HIRED Grant is aimed at creating a sustainable, homegrown workforce pipeline that aligns education with industry demands and supports long-term economic growth in Arkansas's critical minerals sector.

Agenda Item No. 4 Annual Report on Student Retention and Graduation

Sonia Hazelwood, Chief Data Officer and Assistant Commissioner, presented the Annual Report on Student Retention and Graduation, providing an overview of how Arkansas institutions compare to national benchmarks and highlighting recent trends across the state. She explained that national retention rates have remained relatively stable, with public 4-year institutions averaging between 78% and 82% and 2-year colleges between 58% and 63% and noted that Arkansas uses IPEDS-based methodologies to calculate its statewide rates.

Hazelwood reported encouraging gains in retention across the state, particularly among 2-year colleges, where many institutions saw increases from the Fall 2023 to Fall 2024 cohorts. Several colleges recorded significant double-digit gains, and most systems showed overall improvement. Among 4-year institutions, six universities experienced increases, with Southern Arkansas University showing the largest gain at nearly 9%, while Arkansas State University saw a notable decline attributed to challenges affecting international student enrollment.

Graycen Bigger asked how far back the data goes. Hazelwood explained that the data goes back several decades.

Agenda Item No. 5
Annual Report on Student-Athletic
Retention and Graduation

In discussing graduation rates, Hazelwood noted mixed but generally positive trends. For public 4-year institutions, the 100% graduation rate increased by more than 4%, while the 150% rate slightly declined and remained below the national average. At 2-year colleges, there was a slight decrease in 100% completion rates but a modest increase in 150% rates. Private institutions showed improvement in both measures. She also emphasized key differences in how graduation rates are calculated nationally versus in Arkansas, particularly for 2-year colleges.

Finally, Hazelwood highlighted data on student-athletes, noting that participation exceeded 4,600 students across more than 12 sports, with football, baseball, and track accounting for the majority. Participation increased in 2025, and institutions reported continued tracking of retention and graduation outcomes for student-athletes as part of the broader accountability framework.

Carolyn Rhinehart moved to approve Agenda Items No. 6 - 12. Graycen Bigger seconded the motion and the Board unanimously approved.

Agenda Item No. 13
Policy Regarding the Arkansas
Workforce Challenge Scholarship Program

Graycen Bigger moved to table Agenda Item No. 13, the Policy Regarding the Arkansas Workforce Challenge Scholarship Program. Carolyn Rhinehart seconded the motion and the Board unanimously approved.

Agenda Item No. 14
General Education Policy

This policy presents the State Minimum General Education Core for associate and baccalaureate degrees as adopted by the Arkansas Higher Education Coordinating Board and includes general provisions necessary for implementation.

RESOLVED, That the Arkansas Higher Education Coordinating Board (AHECB) approves the policy effective Fall 2027. The Policy on State Minimum Core for General Education presents the State Minimum General Education Core for associate and baccalaureate degrees.

FURTHER RESOLVED, That all Arkansas state-supported colleges or universities shall implement the State Minimum Core for General Education in accordance with the policies of the AHECB and the rules of the Arkansas State Board of Education.

FURTHER RESOLVED, That the AHECB instructs the Commissioner of the Arkansas Division of Higher Education to provide a copy of the policy to presidents and chancellors, chief academic affairs officers, students affairs officers at Arkansas state-supported colleges and universities.

There were no questions.

Graycen Bigger moved to approve Agenda Item No. 14. Carolyn Rhinehart seconded the motion and the Board unanimously approved.

Agenda Item No. 15
Certificate of General Studies

The Certificate of General Studies is a specific set of general education core courses that will document a student's mastery of skills and competencies needed to be successful in the workforce and today's world. The range of credit hours is 31-32

semester hours. Remedial/developmental education courses must be used for placement purposes only and cannot be used to fulfill certificate requirements.

This Appendix B - Definitions update adjusts the prescribed curriculum for the state-wide Certificate of General Studies (CGS). The update will simultaneously align the credential with ACT 566 of 2025, which established a new 15-credit hour Requisite Core, and will bring the CGS into closer alignment with the State Minimum General Education Core.

There were no questions.

Agenda Item No. 16
Distribution of Mineral Lease Funds

According to the provisions of A.C.A. §6-61-801 through §6-61-808, there is established the Arkansas Research Development Program for providing Arkansas Research Development Program Grants to publicly-supported universities in Arkansas by the Division of Higher Education. Act 610 of 2025 provides that after the sum of \$13,200,000 has been deposited into the Higher Education Building Maintenance Fund, any additional deposits are to be transferred to the Research Development Fund to be used as provided by law.

RESOLVED, That after review by the Legislative Council, the Director of the Arkansas Division of Higher Education is authorized to distribute up to \$475,000 from the Higher Education Research Development Fund to the University of Arkansas, Fayetteville for continuing personal services and operating expenses related to ARE-ON.

There were no questions.

Agenda Item No. 17
Economic Feasibility of Bond Issue
University of Arkansas, Fayetteville

The University of Arkansas at Fayetteville (UAF) requests approval of the economic feasibility of plans to issue bonds not to exceed \$132 million with a term of no longer than thirty (30) years at an annual interest rate not to exceed 5.5 percent. Proceeds from the bond issue will be used for educational and general (E&G) and auxiliary purposes. The University of Arkansas Board of Trustees approved this financing at its meeting on April 16, 2026.

The auxiliary issue will be up to \$107 million with a maximum annual debt service of \$6,477,750 and a term of thirty (30) years. Proceeds from this bond issue will be used for (a) the acquisition, construction, furnishing, and equipping of the Maple Hill Central residence hall (the "Maple Hill Central Project"); and (b) the acquisition, construction, improvement, renovation, equipping and/or furnishing of other capital improvements and infrastructure and the acquisition of various equipment and/or real property for the Fayetteville Campus.

RESOLVED, That the Arkansas Higher Education Coordinating Board considers economically feasible plans for the University of Arkansas at Fayetteville (UAF) to issue bonds not to exceed \$132 million with a term not to exceed thirty (30) years at an annual interest rate not to exceed 5.50 percent for various E&G projects.

FURTHER RESOLVED, That the Commissioner of the Arkansas Division of Higher Education is authorized to notify the President and the Chair of the Board of Trustees of the University of Arkansas System, and the Chancellor of the University of Arkansas at Fayetteville of the Coordinating Board's resolution.

Graycen Bigger asked if this feasibility would result in additional student fees. Nick Fuller said food and board fees would increase by 6 percent.

Carolyn Rhinehart moved to approve Agenda Item No. 17. Graycen Bigger seconded the motion and the Board unanimously approved.

Agenda Item No. 18
Associate of Applied Science in Artificial Intelligence
Northwest Arkansas Community College

The proposed Associate of Applied Science in Artificial Intelligence is a workforce-focused academic program designed to prepare students for roles in which AI tools and systems are used to improve productivity, decision-making, automation, and service delivery across industries. The program is designed with a workforce-aligned, applied focus that emphasizes practical use of artificial intelligence tools, machine learning concepts, automation, data analytics, cloud computing, and responsible AI practices.

The 60-credit hour curriculum will prepare students to apply AI technologies in real-world business and industrial settings rather than emphasizing theoretical or research-based study. The program is intended to serve adult learners, working professionals, and recent high school graduates seeking an affordable, locally accessible pathway into AI-related careers.

RESOLVED, That the Arkansas Higher Education Coordinating Board approves the offering of the Associate of Applied Science in Artificial Intelligence (CIP 11.0102) at Northwest Arkansas Community College, effective Spring 2027.

FURTHER RESOLVED, That the Coordinating Board instructs the Commissioner of the Arkansas Division of Higher Education to inform the President and Chair of the Board of Trustees of Northwest Arkansas Community College of the approval.

Dr. Diane Johnson, Senior Vice President for Learning and Chief Academic Officer, provided additional background information.

Graycen Bigger moved to approve Agenda Item No. 18. Carolyn Rhinehart seconded the motion and the Board unanimously approved.

Agenda Item No. 19
Associate of Applied Science in Nursing
South Arkansas College

The proposed Associate of Applied Science in Nursing (Traditional) program is designed to respond to critical and sustained registered nurse workforce shortages in southern Arkansas and surrounding areas. The program focuses on providing access to rural, underserved, and place bound students who are likely to remain employed in the region after graduation. Graduates will be prepared for the NCLEX and for immediate employment in acute care, long-term care, and community-based healthcare environments.

The program's curriculum requires completion of 68 total credit hours, comprised of 30 credit hours of general education prerequisites and, upon admission to the program, 38 credit hours of nursing coursework is completed over three semesters. Through classroom instruction, high-fidelity simulation, and supervised clinical experiences, the curriculum emphasizes patient-centered care, clinical judgment, safety and quality, evidence-based practice, professionalism, and leadership, ensuring graduates are well prepared for entry-level nursing practice and licensure.

RESOLVED, That the Arkansas Higher Education Coordinating Board approves the offering of the Associate of Applied Science in Nursing (Traditional) (CIP 51.3801) at South Arkansas College, effective Summer 2026.

FURTHER RESOLVED, That the Coordinating Board instructs the Commissioner of the Arkansas Division of Higher Education to inform the President and Chair of the Board of Trustees of South Arkansas College of the approval.

Dr. Jenny Sanders, Provost and Athletic Director, provided additional background information.

Graycen Bigger moved to approve Agenda Item No. 19. Carolyn Rhinehart seconded the motion and the Board unanimously approved.

Agenda Item No. 20
Master of Library and Information Studies
in Library and Information Studies
by University of Arkansas Fayetteville

The proposed 36-credit-hour Master of Library and Information Studies in Library and Information Studies program is designed to prepare students for professional roles in libraries, archives, museums, healthcare, government, higher education, and corporate and nonprofit organizations. The curriculum emphasizes information organization and

retrieval, digital literacy, research methods, management and policy, and ethical and legal issues related to information access and stewardship. Graduates will be prepared for positions including librarians, archivists, curators, research analysts, and information professionals across a variety of sectors.

The program will be housed within the University Libraries, providing students with access to a working academic library environment and opportunities for applied, experiential learning. Instruction will be supported by newly hired full-time faculty, existing faculty librarians, and adjunct faculty as needed. The program is designed to meet American Library Association (ALA) accreditation standards, and UAF intends to seek this accreditation within the first three years of program implementation.

RESOLVED, That the Arkansas Higher Education Coordinating Board approves the offering of the Master of Library and Information Studies in Library and Information Studies (CIP 25.0101) at the University of Arkansas Fayetteville, effective Fall 2027.

FURTHER RESOLVED, That the Coordinating Board instructs the Commissioner of the Arkansas Division of Higher Education to inform the Chancellor of the University of Arkansas Fayetteville and Chair of the Board of Trustees of the University of Arkansas System of the approval.

Dr. Indrajeet Chaubey, Provost and Executive Vice Chancellor for Academic Affairs, provided additional background information.

Graycen Bigger moved to approve Agenda Item No. 20. Carolyn Rhinehart seconded the motion and the Board unanimously approved.

Agenda Item No. 21
Master of Science in Outdoor Recreation and Sport Tourism
University of Arkansas Fayetteville

The proposed 30-credit-hour, 100% online Master of Science in Outdoor Recreation and Sport Tourism is designed to prepare professionals for leadership roles in outdoor recreation tourism, outdoor adventure tourism, sport tourism, and sustainable destination management. The curriculum emphasizes applied learning and integrates coursework in tourism management, finance, data analysis, sustainability, consumer behavior, and strategic planning. Courses are designed without prerequisites, allowing working professionals to complete the program in any sequence. Graduates will be prepared to manage and expand recreation and sport tourism initiatives across public, private, and nonprofit sectors.

RESOLVED, That the Arkansas Higher Education Coordinating Board approves the offering of the Master of Science in Outdoor Recreation and Sport Tourism (CIP 31.0301) at the University of Arkansas Fayetteville, effective Fall 2026.

FURTHER RESOLVED, That the Coordinating Board instructs the Commissioner of the Arkansas Division of Higher Education to inform the Chancellor of the University of Arkansas Fayetteville and Chair of the Board of Trustees of the University of Arkansas System of the approval.

Dr. Indrajeet Chaubey, Provost and Executive Vice Chancellor for Academic Affairs, provided additional background information.

Graycen Bigger moved to approve Agenda Item No. 21. Carolyn Rhinehart seconded the motion and the Board unanimously approved.

Agenda Item No. 22
Bachelor of Science in Artificial Intelligence
University of Arkansas Little Rock

The proposed 120 credit-hour, 100% online Bachelor of Science in Artificial Intelligence degree is designed to provide students with a rigorous foundation in mathematics, computer science, and applied artificial intelligence. The curriculum integrates core computing principles with specialized coursework in machine learning, natural language processing, robotics, computer vision, reinforcement learning, intelligent agents, and AI governance.

RESOLVED, That the Arkansas Higher Education Coordinating Board approves the offering of the Bachelor of Science in Artificial Intelligence (CIP 11.0102) at the University of Arkansas Little Rock, effective Fall 2026.

FURTHER RESOLVED, That the Coordinating Board instructs the Commissioner of the Arkansas Division of Higher Education to inform the Chancellor of the University of Arkansas Little Rock and Chair of the Board of Trustees of the University of Arkansas System of the approval.

Dr. Philip Huff, Associate Professor of Cybersecurity, provided additional background information.

Graycen Bigger moved to approve Agenda Item No. 22. Carolyn Rhinehart seconded the motion and the Board unanimously approved.

Agenda Item No. 23
Master of Science in Cybersecurity
University of Arkansas Little Rock

The proposed, 100% online Master of Science in Cybersecurity prepares advanced practitioners to secure complex digital and AI-enabled systems. The curriculum includes defensive and offensive cyber operations, post-quantum cryptography, advanced cloud security, critical infrastructure protection, and secure artificial intelligence. Graduates will be equipped to design resilient architectures, manage cyber risk across enterprise and

AI environments, and communicate technical findings effectively to both technical and executive audiences.

RESOLVED, That the Arkansas Higher Education Coordinating Board approves the offering of the Master of Science in Cybersecurity (CIP 11.1003) at the University of Arkansas Little Rock, effective Fall 2026.

FURTHER RESOLVED, That the Coordinating Board instructs the Commissioner of the Arkansas Division of Higher Education to inform the Chancellor of the University of Arkansas Little Rock and Chair of the Board of Trustees of the University of Arkansas System of the approval.

Dr. Philip Huff, Associate Professor of Cybersecurity, provided additional background information.

Carolyn Rhinehart moved to approve Agenda Item No. 23. Graycen Bigger seconded the motion and the Board unanimously approved.

Agenda Item No. 24
Cyber Learning Network Consortium
Certificate of Proficiency in Artificial Intelligence
Technical Certificate in Artificial Intelligence
Certificate of Proficiency in Software Engineering
Technical Certificate in Software Engineering
Certificate of proficiency in Cyber-Informed Engineering

The Cyber Learning Network (CLN) is a consortium among Arkansas member institutions to collaboratively expand and diversify cybersecurity education throughout Arkansas and beyond. The Cyber Learning Network's purpose is to provide a shared cyber curriculum and learning experience across member campuses, leveraging pooled resources and expertise to address the cybersecurity workforce and skills gap. As lead institution, the University of Arkansas Little Rock provides coordination and services on behalf of the consortium, including managing shared resources. The CLN is governed by a committee consisting of one representative from each member institution and collectively oversees the implementation of the shared curriculum and policies of the consortium. Through this collaborative model, students enroll at their home institution while benefiting from consistent curriculum, stackable credentials, and coordinated pathways into advanced degrees and the workforce.

RESOLVED, That the Arkansas Higher Education Coordinating Board approves the offering of the Certificate of Proficiency in Artificial Intelligence (CIP 11.0102), Technical Certificate in Artificial Intelligence (CIP 11.0102), Certificate of Proficiency in Software Engineering (CIP 14.0903), Technical Certificate in Software Engineering (CIP 14.0903), and the Certificate of Proficiency of Cyber-Informed Engineering (CIP 14.2701) at Cossatot Community College of the University of Arkansas, effective Fall 2026.

FURTHER RESOLVED, That the Arkansas Higher Education Coordinating Board approves the offering of the Certificate of Proficiency in Artificial Intelligence (CIP 11.0102), Technical Certificate in Artificial Intelligence (CIP 11.0102), Certificate of Proficiency in Software Engineering (CIP 14.0903), Technical Certificate in Software Engineering (CIP 14.0903), and the Certificate of Proficiency of Cyber-Informed Engineering (CIP 14.2701) at North Arkansas College, effective Fall 2026.

FURTHER RESOLVED, That the Arkansas Higher Education Coordinating Board approves the offering of the Certificate of Proficiency in Artificial Intelligence (CIP 11.0102), Technical Certificate in Artificial Intelligence (CIP 11.0102), Certificate of Proficiency in Software Engineering (CIP 14.0903), Technical Certificate in Software Engineering (CIP 14.0903), and the Certificate of Proficiency of Cyber-Informed Engineering (CIP 14.2701) at Phillips Community College of the University of Arkansas, effective Fall 2026.

FURTHER RESOLVED, That the Arkansas Higher Education Coordinating Board approves the offering of the Certificate of Proficiency in Artificial Intelligence (CIP 11.0102), Technical Certificate in Artificial Intelligence (CIP 11.0102), Certificate of Proficiency in Software Engineering (CIP 14.0903), Technical Certificate in Software Engineering (CIP 14.0903), and the Certificate of Proficiency of Cyber-Informed Engineering (CIP 14.2701) at University of Arkansas Community College Batesville, effective Fall 2026.

FURTHER RESOLVED, That the Arkansas Higher Education Coordinating Board approves the offering of the Certificate of Proficiency in Artificial Intelligence (CIP 11.0102), Technical Certificate in Artificial Intelligence (CIP 11.0102), Certificate of Proficiency in Software Engineering (CIP 14.0903), Technical Certificate in Software Engineering (CIP 14.0903), and the Certificate of Proficiency of Cyber-Informed Engineering (CIP 14.2701) at University of Arkansas Community College Hope-Texarkana, effective Fall 2026.

FURTHER RESOLVED, That the Arkansas Higher Education Coordinating Board approves the offering of the Certificate of Proficiency in Artificial Intelligence (CIP 11.0102), Technical Certificate in Artificial Intelligence (CIP 11.0102), Certificate of Proficiency in Software Engineering (CIP 14.0903), Technical Certificate in Software Engineering (CIP 14.0903), and the Certificate of Proficiency of Cyber-Informed Engineering (CIP 14.2701) at University of Arkansas Community College Morrilton, effective Fall 2026.

FURTHER RESOLVED, That the Arkansas Higher Education Coordinating Board approves the offering of the Certificate of Proficiency in Artificial Intelligence (CIP 11.0102), Technical Certificate in Artificial

Intelligence (CIP 11.0102), Certificate of Proficiency in Software Engineering (CIP 14.0903), Technical Certificate in Software Engineering (CIP 14.0903), and the Certificate of Proficiency of Cyber-Informed Engineering (CIP 14.2701) at University of Arkansas Fayetteville, effective Fall 2026.

FURTHER RESOLVED, That the Arkansas Higher Education Coordinating Board approves the offering of the Certificate of Proficiency in Artificial Intelligence (CIP 11.0102), Technical Certificate in Artificial Intelligence (CIP 11.0102), Certificate of Proficiency in Software Engineering (CIP 14.0903), and the Technical Certificate in Software Engineering (CIP 14.0903) at the University of Arkansas Little Rock, effective Fall 2026.

FURTHER RESOLVED, That the Arkansas Higher Education Coordinating Board approves the offering of the Certificate of Proficiency in Artificial Intelligence (CIP 11.0102), Technical Certificate in Artificial Intelligence (CIP 11.0102), Certificate of Proficiency in Software Engineering (CIP 14.0903), Technical Certificate in Software Engineering (CIP 14.0903), and the Certificate of Proficiency of Cyber-Informed Engineering (CIP 14.2701) at University of Arkansas Pine Bluff, effective Fall 2026.

FURTHER RESOLVED, That the Arkansas Higher Education Coordinating Board approves the offering of the Certificate of Proficiency in Artificial Intelligence (CIP 11.0102), Technical Certificate in Artificial Intelligence (CIP 11.0102), Certificate of Proficiency in Software Engineering (CIP 14.0903), Technical Certificate in Software Engineering (CIP 14.0903), and the Certificate of Proficiency of Cyber-Informed Engineering (CIP 14.2701) at University of Arkansas Pulaski Technical College, effective Fall 2026.

FURTHER RESOLVED, That the Coordinating Board instructs the Commissioner of the Arkansas Division of Higher Education to inform each institution's Chancellor or President and Chair of the Board of Trustees of the approval.

Graycen Bigger moved to approve Agenda Item No. 24. Carolyn Rhinehart seconded the motion and the Board unanimously approved.

Agenda Items No. 25 & 26
Arkansas Public Institutions
Letters of Notification and Letters of Intent

The Commissioner of the Arkansas Division of Higher Education approved institutional requests for new programs not requiring Board action unless further review is requested by the Board. During this period, the Institutional Certification Advisory Committee received notice of requests from Arkansas public institutions to offer degree programs.

The program notice lists appear in the Arkansas Public Institutions Letters of Notification on pages 25-1 through 25-45 and in the Arkansas public institutions Letters of Intent on pages 26-1 of the agenda book.

There were no questions.

Agenda Item No. 27
Out-of-State and Arkansas Private Institutions

RESOLVED, That pursuant to A.C.A. §6-61-301, the Arkansas Higher Education Coordinating Board grants initial certification to the institutions listed on pages 1 - 2 to offer the specified degree programs to Arkansas residents for a period of three years through December 31, 2029.

FURTHER RESOLVED, That the Commissioner of the Arkansas Division of Higher Education is authorized to notify the administration of said institutions that the certification of the degree programs requires the institution to notify the Arkansas Division of Higher Education whenever any of the following occurs: (1) major reorganization of the controlling body; (2) changes in the charter or incorporation documents of the institution; or (3) changes in the method of operation of the institution's programs in Arkansas.

FURTHER RESOLVED, That the Coordinating Board instructs the Commissioner to notify the administration of said institutions that any advertisement or published materials using the name of the Arkansas Higher Education Coordinating Board or the Arkansas Division of Higher Education must contain the following statement:

Arkansas Higher Education Coordinating Board certification does not constitute an endorsement of any institution or program. Such certification merely indicates that certain criteria have been met as required under the rules and regulations implementing institutional and program certification as defined in A.C.A. §6-61-301.

Remarks by Presidents/Chancellors and Guest

Chancellor Brian Shonk thanked the Board for its due diligence in reviewing the Workforce Challenge Scholarship Program policy. However, he noted that institutions had already submitted their budgets for the upcoming fiscal year and had included funding associated with the Workforce Challenge Scholarship. Chancellor Shonk then asked when ADHE anticipated resolving the delay and implementing the policy.

Commissioner Warden explained that concerns had been raised regarding certain parameters established in the policy, particularly the minimum eligibility thresholds and the number of credit hours required for students to qualify for the scholarship. He stated that ADHE and the Board would work expeditiously to address those concerns and resolve the matter within the next 45 days.

The next quarterly meeting will be held on July 24, 2026, at the University of Arkansas at Fayetteville at 9:00 a.m.

With no further comments, the meeting was adjourned at 10:52 a.m.

ARKANSAS HIGHER EDUCATION COORDINATING BOARD
Special Meeting
May 27, 2026

Minutes of Meeting

The Arkansas Higher Education Coordinating Board held a special meeting on Wednesday, May 27, 2026, via Zoom. Chair Jim Carr called the meeting to order at 9:00 a.m., with a quorum present.

Coordinating Board present:

Dr. Jim Carr, Chair
Lucas Pointer, Vice Chair
Dr. Katherine Dudley, Secretary
Carolyn Rhinehart

Coordinating Board absent:

Dr. Jerry Cash

Presidents, chancellors, institutional representatives, members of the press, and guests were also present.

Chair Carr welcomed presidents and chancellors to the special board meeting and thanked everyone for attending.

Agenda Item No. 1
Policy Regarding the Arkansas Workforce
Challenge Scholarship Program

The Arkansas Workforce Challenge Scholarship Program was amended by the Arkansas ACCESS Act of 2025 (Act 341 Sections 84-87). The Arkansas Division of Higher Education (ADHE) Rules Governing the Arkansas Workforce Challenge Scholarship Program were presented to the Arkansas Higher Education Coordinating Board (AHECB) for final approval on April 24, 2026. Per authority provided in the Arkansas ACCESS Act of 2025, ADHE in collaboration with the Office of Skills Development has determined additional policy to support implementation of the program, in adherence to the rules. The amended AHECB policy for the Arkansas Workforce Challenge Scholarship Program shall include the approved rules along with supporting details.

RESOLVED, That the Arkansas Higher Education Coordinating Board (AHECB) approves the policy amendment for the Arkansas Workforce Challenge Scholarship Program effective August 1, 2026. The Arkansas Workforce Challenge Scholarship Program policy outlines the guidelines for program implementation. While rules may not change without legislative action, policy may be amended by the AHECB in response to evolving state workforce needs.

FURTHER RESOLVED, That any Arkansas approved institution of higher education, as defined in the Arkansas ACCESS Act of 2025, that chooses to participate in the Arkansas Workforce Challenge Scholarship Program, shall implement and administer the scholarship program in accordance with the policies of the AHECB and the promulgated rules.

FURTHER RESOLVED, That the AHECB instructs the Commissioner of the Arkansas Division of Higher Education to provide a copy of the amended policy to presidents and chancellors, chief academic affairs officers, students affairs officers, financial aid officers, and institutional research officers at Arkansas state-supported colleges and universities as well as representatives from other approved institutions of higher education, as defined in the Arkansas ACCESS Act of 2025, participating in the Arkansas Workforce Challenge Scholarship Program.

There were no questions.

Carolyn Rhinehart moved to approve Agenda Item No. 1. Lucas Pointer seconded the motion and the Board unanimously approved.

Agenda Item No. 2
Rules Governing the Governor's Higher Education
Transition Scholarship Program

In compliance with the Arkansas ACCESS Act of 2025 (Act 341 Section 79), the Arkansas Division of Higher Education Rules Governing the Governor's Higher Education Transition Scholarship Program are presented to the Arkansas Higher Education Coordinating Board (AHECB) for final approval.

RESOLVED, That the Arkansas Higher Education Coordinating Board reviews the rules presented in this agenda item for the Governor's Higher Education Transition Scholarship Program to be administered by the Arkansas Division of Higher Education.

FURTHER RESOLVED, That the Commissioner of the Arkansas Division of Higher Education or his designee is authorized to make technical changes and corrections, when necessary, in the program rules for the Governor's Higher Education Transition Scholarship Program.

FURTHER RESOLVED, That the Governor's Higher Education Transition Scholarship Program rules be approved for final approval.

There were no questions.

Dr. Katherine Dudley moved to approve Agenda Item No. 2. Lucas Pointer seconded the motion and the Board unanimously approved.

With no further comments, the meeting was adjourned at 9:06 a.m.

REPORT OF THE COMMISSIONER

Arkansas 250

As part of the Arkansas Division of Higher Education's participation in the Arkansas 250 celebration, commemorative flags were distributed to Arkansas's public colleges and universities. We also invited institutions to share photographs showcasing the Arkansas 250 flags displayed on their campuses.

Below is a selection of the photos submitted by our institutions from across the state.

ANNUAL REPORT ON FIRST-YEAR STUDENT REMEDIATION

In accordance with A.C.A. §6-61-110 and Act 970 of 2009, the Arkansas Division of Higher Education (ADHE) addresses the placement standards necessary for enrollment of students into mathematics, English composition, and reading based on appropriate indicators of potential student success rates.

In January 2016, the AHECB revised its policy to require all institutions to adopt appropriate placement measures supported by student success data. These placement measures are to be contained within an institutional placement plan that provides appropriate justification for student course placement and allows for follow-up evaluation of placement effectiveness. Institutional placement plans are required to be submitted to ADHE on an annual basis. These plans can be provided to the Board upon request.

Course Placement Method

Course placement of a student is determined by the institution based on its ADHE approved placement policy. Each institution establishes a matrix of assessment measures to evaluate the preparedness or readiness of students for gateway courses in English, math, and reading.

Measures for establishing readiness of students may include one or more of the following for each subject area:

- Standardized and normed exams (ACT, SAT, Accuplacer, etc.)
- High school academic performance (GPA, coursework, etc.)
- Assessment of student motivation to succeed
- Writing samples (English)
- Other measures supported by sufficient analysis of predicted student success

A student's placement should indicate potential for success at a "C" or better in the course in which a student is placed. The evaluation of the institution's placement measures should reflect a better than 75% student success rate.

ACT benchmarks establish a subject test score of 22 for reading or math and a subject test score of 18 for English as cutoff scores for student success. Institutions are encouraged to use more than one measure if the ACT or ACT equivalent is below established benchmarks to ensure that students are placed at the appropriate course level.

Based on years of national research and findings from the research conducted by the Center for the Analysis of Postsecondary Readiness (CAPR) and ADHE, overall high school GPA is the best predictor of student performance in college. These studies also show that increasing student access to college-level courses improves student outcomes. Though colleges may implement these practices at their own discretion, ADHE encourages institutions to adhere to recommendations issued regarding the

implementation of Multiple Measure Assessment (MMA).

Overview of Remediation Report Populations

For contextual purposes and not analyzed in this report, there were 161,797 total students enrolled in Arkansas public institutions of higher education in 2024-2025. To obtain the cohorts analyzed in this report, the total enrollment is segmented below by high school graduation year and the need for remedial coursework.

The primary focus of this report is the cohort of 7,467 students receiving remediation during the academic year 2024-2025. These students are a subset of the 21,303 first-time entering, degree seeking students who graduated high school in 2023 or 2024.

Overview of First-time Entering, Degree Seeking Students

This section seeks to provide an overview of the 21,303 first-time entering, degree-seeking students who graduated high school in 2023 or 2024 and enrolled in an Arkansas public institution of higher education in AY2025.

Of this population, 90% were classified as full-time students and 10% were classified as part-time students. With regards to sex, 57% were female, 42% were male, and less than 1% percent did not report. When examining the institution type, 71% of this population enrolled at a four-year institution compared to 29% enrolled at a two-year institution. Lastly, regarding the remediation status of all first-time entering students, 65% did not require remediation while 35% did require remedial coursework.

Of the total 21,303 first-time entering, degree seeking students who graduated high school in 2023 or 2024, 73% of these students are residents of Arkansas. The other 27%, or 5,765 students, reside out-of-state, as depicted in the map below.

State of Residence for Total Population (21,303)

The following chart illustrates a summary of the total population of first-time entering, degree-seeking students who graduated high school in 2023 or 2024 by race/ethnicity. White students represent 62%, Black students represent 14%, and Hispanic students represent 13% of the total population.

The overall high school grade point average (GPA), as reported by the public institutions in Arkansas, for the 21,303 first-time entering, degree-seeking students who graduated high school in 2023 or 2024 is shown in the following pie graph. As shown, 16,944 students, or 79%, have a GPA of 3.0 or higher.

45 records from GPA ranges 0.0 – 1.499 are not depicted in this chart.

Remediated Student Attributes

The tables and charts below describe the attributes of the remedial student population. Of the 21,303 first-time, degree-seeking students who graduated from high school in 2023 or 2024, 7,467 required remediation in Mathematics, English, Reading, or a combination of these subjects. This section seeks to answer the following questions:

Who are these remediated students?

- Are students enrolled part-time or full-time?
- What is the breakdown of males and females?
- What type of institution did they attend?
- What year did they graduate high school?
- Where do these students reside?
- What is their race/ethnicity?
- What is the remediation rate per race/ethnicity?

Of the 7,467 remediated students, 87% were classified as full-time students while 13% were part-time students. With regards to sex, 60% were female and 40% were male. When examining the institution type, 62% of this population enrolled at a four-year institution compared to 38% enrolled at a two-year institution. Lastly, 90% graduated high school in 2024 while 10% graduated in 2023.

Of the 7,467 students requiring remediation, 78% of these students reside in Arkansas. The other 22% reside out-of-state as depicted in the graph below.

State of Residence for Remediated Population (7,467)

The chart below illustrates a summary of the remediated population of first-time entering, degree-seeking students who graduated high school in 2023 or 2024 by race/ethnicity. White students represent 48%, Black students represent 24%, and Hispanic students represent 16% of the total population.

Rates comparing the remediation population to the total population by race/ethnicity are shown in the table below. The remediation rate represents the proportion of each racial/ethnic group that requires remediation. For example, 27% of White students required remediation in AY2025. In contrast, higher remediation rates are observed among Black (62%), Hispanic (42%), and Non-Resident Alien (52%) students.

	Total Population* (21,303)		Remediation Population (7,467)		Remediation Rate by Race/Ethnicity
	n	Percentage	n	Percentage

Total	21,303	100%	7,467	100%	35%

**Number of first-time degree seeking students who graduated high school in 2023 or 2024*

The following table offers a historical look at the same remediation rate shown above over the past four years. As the table shows, each race/ethnic group rate has fluctuated over time.

	Remediation Rate by Race/Ethnicity			
	AY2022	AY2023	AY2024	AY2025
American Indian	38%	36%	38%	34%
Asian	30%	33%	29%	24%
Black	57%	62%	64%	62%
Hispanic	44%	47%	41%	42%

White	29%	31%	28%	27%

Remedial Coursework

The following tables and charts address the characteristics of remedial coursework in Mathematics, English, Reading, or a combination of the three subjects. This section seeks to answer the following questions:

- In what courses are remediated students enrolled?
 - a. What types of remedial courses are offered?
 - b. Which subject(s) have the highest enrollment?
 - c. What is the breakdown of subject by race/ethnicity?

Many models are used to deliver remedial coursework to students such as corequisite, gateway remedial, non-gateway remedial, or a combination of these models.

Corequisite courses combine both the remedial coursework and the gateway coursework into one course or as a supplemental course to a gateway course taken in the same term. Gateway courses are considered the first college-level course a student completes in a particular subject area. However, gateway remedial courses are standalone remedial courses that allow a student to go into a college-level course in the subject upon successful completion. Non-gateway courses are any remedial courses taken as a prerequisite to another remedial course.

The following chart depicts the breakdown of these different models of remediation. As shown, at 63%, corequisite courses are the dominant model of remediation offered in the state.

The chart and table below show the enrollment for each remedial subject, or combination of subjects, by remediation model type. Although math is the most common subject of remediation, the majority of students are enrolled in a corequisite model which allows students to earn college credit while being remediated.

Remedial Placement

The following tables and charts address the placement of students in remedial coursework. This section seeks to answer the following questions:

What measures were used to determine placement?

- What is the HS GPA of students in remedial coursework and how many have a HS GPA greater than 3.0?
- How do ACT scores differ from HS GPA in terms of where students are placed?
- How many attempts does it take for a student to successfully complete remediation?

Act 970 of 2009 requires the Arkansas Division of Higher Education to report the number of first-time entering students who require remediation and have a high school GPA of 3.0 or higher. The following pie chart describes the analysis of GPA in ½ point ranges where 4,798 students, or 64%, required remediation and had a high school GPA of 3.0 or higher.

As previously stated, of the 21,303 first-time entering students in AY2025 who graduated high school in 2023 or 2024, 7,467 (35.0%) required remediation. Among those students, 4,798, representing 64.3% of the remediated population, had a high school GPA of 3.0 or higher, accounting for 22.5% of all first-time entering students in AY2025. While this group represents approximately 3.0% of total AY2025 enrollment, both counts and percentages are presented to provide appropriate perspective. Counts illustrate the number of students affected and the potential impact on institutional resources, while percentages contextualize these figures within the size of the cohort, allowing for clearer interpretation of the prevalence of remediation among students who would otherwise be considered academically prepared.

Looking at the past four academic years, the distribution of high school GPA has remained relatively consistent.

Current policy allows an institution's placement plan to place students based on multiple measures. This includes the use of standardized, normed exams such as the ACT, which is also the most commonly reported and used placement measure. The following line chart shows the ACT score ranges for students placed in remedial coursework. As shown, the 16-18 range is the most common score range for both the composite score and math subject score of remediated students.

The following six charts show a side-by-side comparison of HS GPA and ACT score for each subject area. These also indicate remediation course type for each subject area.

Act 970 of 2009 requires the Arkansas Division of Higher Education to report the number of attempts it takes for a student to pass a postsecondary remedial course. The following table shows an overwhelming majority of students successfully complete remediation coursework on the first attempt.

First Attempt	
Passed in AY25	60.30%
Failed in AY25	30.20%
Second Attempt	
Passed in AY25	3.50%
Failed in AY25	4.60%
Three or More Attempts	
Passed in AY25	0.60%
Failed in AY25	0.90%

Title 6. Education

Chapter IV. Division of Higher Education, Department of Education

Subchapter B. Scholarships and Grants

Part 405. Rules Governing the Governor's Higher Education Transition

Scholarship Program

Subpart 1. Generally

6 CAR § 405-101. Purpose.

The purpose of this part is to establish the requirements and processes governing the Governor's Higher Education Transition Scholarship Program.

6 CAR § 405-102. ~~Governor's Higher Education Transition~~ Scholarship Definitions.

~~(a) The Division of Higher Education shall oversee the establishment of the Governor's Higher Education Transition Scholarship Program.~~

~~—(b) Continuation of the Governor's Higher Education Transition Scholarship Program shall be contingent upon available funding.~~

As used in this part:

(1) "Eligible student" means an Arkansas student with a disability admitted to a qualifying program at a state-supported institution of higher education;

DRAFT

04/14/2025 12:56:50 PM

(2) "Inclusive Higher Education Accreditation Council" means the independent, nonprofit accreditation agency for postsecondary programs for students with an intellectual disability;

(3) "State-supported institution of higher education" means a public postsecondary institution or a department in a public postsecondary institution that:

(A) Provides:

(i) An eligible program of training to prepare students for gainful employment in a recognized occupation; or

(ii) A program leading to a baccalaureate degree or a graduate degree; and

(B) Is accredited by a recognized accrediting agency or association and has continuously held the accreditation for the number of years required by the Division of Higher Education; and

(4) "Qualifying program" means a postsecondary education program for a student with an intellectual disability that is accredited by the Inclusive Higher Education Accreditation Council.

6 CAR § 405-103. Organization and structure.

(a) The Division of Higher Education shall administer the Governor's Higher Education Transition Scholarship Program.

(b) The division shall establish application periods and deadlines.

6 CAR § 405-104. Eligibility criteria.

(a)(1) The Governor's Higher Education Transition Program Scholarship may only be awarded to those students who are admitted into transition programs that are accredited by the Institute for Community Inclusion as comprehensive training programs.

(2) In order to be considered a qualifying institution, an institution must offer a transition program as described in this subsection.

(b) Students, or representatives acting on behalf of students, must complete the

DRAFT

online scholarship application provided by the Division of Higher Education.

(c)

6 CAR § 405-105. Continued eligibility.

Recipients of the Governor's Higher Education Transition Scholarship will maintain award eligibility for ~~a maximum of four (4)~~ up to eight (8) continuous semesters, or until credentialing is obtained, whichever ever comes first, as long as the recipients are continuously enrolled in a transition program.

6 CAR § 405-106. Scholarship amounts.

(a) Scholarship awards are contingent upon availability of funds.

(b)(1) Awards may not exceed the institutional cost of attendance.

(2) The maximum award amount is two thousand five hundred (\$2,500) per semester that the student qualifies for the scholarship.

(c) Awards may be applied to:

- (1) Tuition;
- (2) Mandatory fees;
- (3) Programmatic fees;
- (4) Room and board;
- (5) Supplies; or
- (6) Extended support services.

6 CAR § 405-107. Payment of scholarships.

(a) The Division of Higher Education shall disburse scholarship funds to the qualifying institution of the recipient's choice via electronic funds transfer or state warrant.

(b) After verification of enrollment, the institution will disburse the scholarship funds to the student according to the institution's disbursement procedures.

(c)(1) The scholarship payment will correspond to academic terms, semesters, quarters, or equivalent time periods at the institution.

DRAFT

(2) For purposes of scholarship payments, academic terms at the institution may include summer terms, semesters, quarters, or their equivalent.

(d) In no instance may the entire amount of the scholarship disbursement for an educational year be paid in advance to or on behalf of such student.

(e) If the recipient of a scholarship withdraws, drops out, or is expelled on or after the first day of class of a payment period, the institution will determine whether the student received an overpayment of financial aid funds for noninstitutional expenses.

(f)(1) Overpayment is the difference between the amount received as cash disbursements and the amount incurred for noninstitutional costs during the portion of the payment period that the student was actually enrolled.

(2) It is the institution's responsibility to contact students and recover overpayment or overpayments.

(3) The institution shall refund the overpayment or overpayments to the division.

(g) If the award of a Governor's Higher Education Transition Program Scholarship results in an overpayment to the student per Arkansas Code § 6-80-105, the institution shall follow the division scholarship stacking policy in reducing the student's financial package so that the student does not receive funds above the federally recognized cost of attendance.

6 CAR § 405-108. Responsibilities of qualifying institutions.

(a)(1) The chief executive officer of the qualifying institution is responsible for appointing one (1) representative from the financial aid office to act as administrator of the Governor's Higher Education Transition Scholarship Program and to receive all communications, forms, and other correspondence related to the program.

(2) This representative will be responsible for:

(A) Verification;

(B) Data; and

(C) Compliance with all program rules.

(b) The institution shall maintain information regarding disbursement of scholarship

DRAFT

funds.

(c) The deadline for disbursement of funds is no later than ten (10) days after receipt of funds.

(d)(1) Any outstanding funds not disbursed by these dates must be returned to the Division of Higher Education.

(2) If the division receives an application beyond the deadline referenced in this subsection, disbursement will be made within ten (10) business days of receipt of the verification roster and electronic transfer of funds.

(e) In exercising its due diligence requirements as a steward of state funds, the division shall periodically review the qualifying institution's records concerning this program.

(f) Upon request, the qualifying institution shall exercise due diligence in providing the division with complete, accurate, and timely information regarding current and former Governor's Higher Education Transition Scholarship Program recipients.

(g) Institutions with accredited transition programs will certify students' admittance and enrollment prior to scholarship award.

(h) The institution shall comply with all applicable law and rules in order to maintain its status as a qualified institution.

6 CAR § 405-109. Responsibilities of recipients.

(a) It is the recipient's responsibility to notify the Division of Higher Education of any change in status within twenty-one (21) days, including the recipient's:

- (1) Name;
- (2) Address; and
- (3) Institution.

(b) Failure to notify the division of a change in status may affect future eligibility.

(1) Been listed as a dependent on the federal and state income tax returns of the Arkansas hero in at least five (5) of the eight (8) income years immediately before the date of the death or disability of the Arkansas hero; and

(2) Received more than one-half (1/2) of his or her financial support from the Arkansas hero in at least five (5) of the eight (8) income years immediately before the date of the death or disability of the Arkansas hero.

(e) If a covered public employee, as defined in Arkansas Code § 21-5-701, or his or her heirs did not file for the available death or disability benefit but were otherwise eligible to receive the death or disability benefit within the time frame provided in Arkansas Code § 21-5-703, then the covered public employee's child or children who would have otherwise been eligible to receive the provided educational scholarship benefit under this section may individually file before his or her twenty-first birthday a claim to receive the provided educational scholarship benefit if:

(1) The student is considered a United States Armed Forces dependent as provided in Arkansas Code § 6-82-2503; or

(2) The student is a dependent of an Arkansas hero who suffered fatal injuries or wounds or became disabled as a result of injuries or wounds that occurred in the performance of a hazardous duty within the scope of his or her employment or that occurred en route to or returning from a location where a hazardous situation existed.

(f) Scholarship benefits may not accrue under this subpart to a person if the wound or injury suffered by an Arkansas hero is self-inflicted or if the death of an Arkansas hero is self-inflicted unless otherwise determined by the Arkansas State Claims Commission.

(g) Unless subsection (e) of this section is applicable, the Arkansas State Claims Commission shall award any scholarship benefit provided by this subpart at the same time that any death benefit or disability benefit is awarded by the commission under the provisions of Arkansas Code § 21-5-701 et seq.

6 CAR § 409-104. Eligibility Restrictions.

(a) A child shall not be entitled to receive benefits under this subpart during any semester or quarter when the child has reached twenty-six (26) years of age on or before the first day of the semester or quarter.

(b)(1) A spouse shall not be eligible to receive benefits under this subpart if he or she remarries.

(2) The benefits under this subpart shall cease at the end of the semester in which the spouse is currently enrolled at the time of the marriage.

6 CAR § 409-105. Applications.

(a) An eligible student shall apply to the Division of Higher Education for benefits under this subpart.

(b) A United States Armed Forces dependent shall:

(1) Apply for the Survivors' and Dependents' Educational Assistance program, 38 U.S.C. § 3500 et seq., as it existed on January 1, 2025, with the United States Department of Veterans Affairs; and

(2) Provide the division with proof of:

(A) Acceptance into the Survivors' and Dependents' Educational Assistance program; or

(B) Noneligibility for the Survivors' and Dependents' Educational Assistance program following application.

(c) Except as provided under subsection (d) of this section, a dependent of an Arkansas hero, upon his or her being accepted for enrollment into any private, nonprofit institution of higher education in the State of Arkansas or a state-supported institution of higher education in the State of Arkansas, may obtain his or her first bachelor's

degree for so long as he or she is eligible with state assistance for tuition, fees, or other charges as provided under this part.

(d)(1) The state assistance under this subpart is limited to the tuition, fees, or other charges that exceed the amount of monetary benefits the dependent is eligible to receive from the Survivors' and Dependents' Educational Assistance program during the months included in each semester in which the dependent is enrolled.

(2) If the dependent is not eligible for monetary benefits from the Survivors' and Dependents' Educational Assistance program but is eligible for the benefits under this subpart, an eligible dependent shall be entitled to a total of eight (8) semesters, or the equivalent thereof, of scholarship awards without cost, exclusive of books, food, school supplies, materials, and dues or fees for extracurricular activities, at any state-supported institution of higher education or technical institute of his or her choice within this state.

(3) However, the state assistance awarded to a dependent attending a private, nonprofit institution of higher education in this state shall not exceed the maximum amount of state assistance awarded to dependents attending a state-supported institution of higher education in this state.

(e) Once a person qualifies as a dependent under this subpart, unless otherwise stated in this part, there shall be no situation such as the return of the parent or the reported death of the parent that will remove the dependent from the provisions or benefits of this subpart.

(f) An eligible recipient shall receive a scholarship for one (1) academic year, renewable for up to three (3) additional academic years if the recipient meets continuing eligibility criteria established by the division.

(g) In compliance with the division's scholarship stacking policy, a student's total financial aid package, which can include multiple scholarships, shall not exceed the recognized cost of attendance at a state-supported institution of higher education.

(h) In the event the number of students who qualify for a scholarship under this subpart during an academic year exceeds the amount of funds appropriated to the Higher Education Grants Fund Account for purposes of funding students who qualify for

scholarship under this subpart during the given academic year, the excess awards that qualify for distribution under this subpart shall be funded with any net proceeds from the state lottery remaining after the division allocates sufficient funding to award the following scholarships at levels equivalent to the awards made in the previous academic year:

(1) Arkansas Academic Challenge Scholarship, Arkansas Code § 6-85-201 et seq.; and

(2) Arkansas Workforce Challenge Scholarship, Arkansas Code § 6-85-301 et seq.

6 CAR § 409-106. Continued eligibility.

(a) To retain eligibility for a scholarship benefit under this subpart, a recipient shall:

(1) Maintain a minimum of a 2.0 grade point average on a 4.0 scholastic grading scale; and

(2) Meet any other continuing eligibility criteria established by the Division of Higher Education.

(b) If a recipient fails to meet eligibility criteria, he or she may apply for state assistance under this subpart a maximum of one (1) additional time once eligibility is reestablished.

(c)(1) Students currently eligible for the Military Dependent Scholarship under 6 CAR pt. 393 shall continue receiving a scholarship under those provisions unless:

(A) The student completes their bachelor degree or the equivalent of eight (8) academic semesters; or

(B) The student fails to maintain eligibility.

(2) The Military Dependent Scholarship Program shall sunset with the fall 2028 semester.

**RULES GOVERNING THE MILITARY DEPENDENTS'
SCHOLARSHIP PROGRAM**

In compliance with Act 340 of 2025, the rules governing the Military Dependents' Scholarship Program are presented to the Arkansas Higher Education Coordinating Board (AHECB) for public comment release.

The following resolution is offered for the Board's consideration:

RESOLVED, That the Arkansas Higher Education Coordinating Board reviews the rules presented in this agenda item for the Military Dependents' Scholarship Program to be administered by the Arkansas Division of Higher Education.

FURTHER RESOLVED, That the Commissioner of the Arkansas Division of Higher Education or his designee is authorized to make technical changes and corrections, when necessary, in the program rules for the Military Dependents' Scholarship Program.

FURTHER RESOLVED, That the Military Dependents' Scholarship Program rules be approved for public comment release.

(9) The applicant must be an undergraduate student seeking an:

(A) Associate degree;

(B) Baccalaureate degree; or

(C) Certificate of completion; and

(10)(A) The applicant must apply for the scholarship prior to the published deadline in order to receive the scholarship.

(B) Reimbursement can only be made for the year in which the student is currently enrolled and has made application.

(b) Once a person qualifies as an eligible student under the terms of the program, there shall be no situation, such as the return of a parent or spouse, or the reported death of a parent or spouse, that will remove the dependent from the benefits of this program.

(c) An eligible recipient shall receive a scholarship for one (1) academic year, renewable for up to three (3) additional academic years for a total of eight (8) semesters, if the recipient meets the following continuing eligibility criteria established by the Division of Higher Education:

(1) The student must maintain a cumulative grade point average of at least 2.0 on a 4.0 scale;

(2) The student is making satisfactory progress toward a degree or certificate of completion; and

(3) The student is enrolled in at least twelve (12) semester hours or the equivalent per term and completes twenty-four (24) semester hours, or the equivalent, per academic year.

(d) For purposes of scholarship payments, “academic semester” includes summer terms, semesters, quarters, or their equivalent at the postsecondary institution in which the student is enrolled.

6 CAR § 393-104. Application process.

(a) Brochures are mailed by the Division of Higher Education to counselors and

DRAFT

principals at public and private Arkansas high schools.

(b)(1) Brochures are mailed by the division to financial aid officers at private, nonprofit institutions of higher education and state-supported institutions of higher education in the state.

(2) The institutional financial aid officer is responsible for ensuring that eligible students are made aware of the Military Dependents' Scholarship Program and its benefits.

(c) Applications will be made available on the division's website.

(d)(1) The division shall establish the deadline for receipt of applications.

(2) The deadline date shall be clearly printed on the application.

(e) Scholarship applicants shall submit to the division the following documentation as it applies to the applicant:

(1) Military Dependents' Scholarship application;

(2)(A) A death certificate or other documentation certifying the death of the parent or spouse.

(B) A death as a result of injuries received while serving in the armed forces is only covered if the death occurred while on active duty;

(3) A report of casualty from the appropriate branch of the United States Armed Services or a copy of the veteran's DD214 form;

(4) Documentation from the United States Department of Veterans Affairs citing service-connected, one-hundred-percent total and permanent disability;

(5) A copy of the application and statement of acceptance or denial of the federal program for dependents of veterans, Survivors' and Dependents' Educational Assistance program;

(6) A copy of Survivors' and Dependents' Education Assistance program benefits statement showing the amount of educational assistance allowed for each term;

(7) A copy of legal adoption or court appointed legal guardianship for a dependent child;

(8) A copy of birth certificate, if a dependent child; and

DRAFT

(9) A copy of marriage license, if a spouse.

6 CAR § 393-105. Award process.

(a)(1) Applications and supporting documentation will be reviewed for completeness and to determine whether the applicant meets all the eligibility requirements.

(2) Applicants will be notified within thirty (30) days of the status of their application.

(b) Eligible students will receive an award notice, which contains:

- (1) The conditions of the award;
- (2) The requirements for continued eligibility;
- (3) An explanation of the benefits; and
- (4) The student's responsibilities.

(c)(1) The institution will also receive an award notice, which contains the:

- (A) Student's name and social security number;
- (B) Award limits;
- (C) Conditions of the award;
- (D) Verification process; and
- (E) Payment process.

(2) The institution will be required to complete a reimbursement form listing all charges covered by this program.

(d) The institution will be responsible for verifying the student's continued eligibility each semester.

(e) The award will be renewed annually provided the student satisfies the continued eligibility requirements as defined by the Division of Higher Education in 6 CAR § 393-103.

(f) Reimbursement can only be made for the year in which the student is currently enrolled and has made application.

6 CAR § 393-106. Scholarship payment policies.

DRAFT

(a)(1) The scholarship will pay that portion of charges that exceeds the amount of the Survivors' and Dependents' Education Assistance program educational assistance allowance or the full amount if the recipient is ineligible for the Survivors' and Dependents' Education Assistance program, but is eligible for the MDS.

(2) Reimbursement is limited to the cost of tuition at the in-state rate, mandatory fees, and a room and meal plan when provided in campus facilities from such institution or school.

(3) The amount reimbursed for the room shall not exceed the usual and custom amounts charged by the institution as for similar scholarship programs.

(b)(1) Payment on behalf of the scholarship recipient will be made directly to the recipient's institution.

(2) The Division of Higher Education will reimburse the institution at the beginning of each semester for approved charges covered by this program upon receipt of the reimbursement form, and verification of the charges.

(3) Reimbursement can only be made for the year in which the student is currently enrolled and has made application.

(c) The division will pay the institution for the award covered by this program upon receipt of the reimbursement form, and verification of the charges.

(d)(1) A recipient who has received a Military Dependents' Scholarship may transfer to another eligible institution after providing written notification of the change of status to the division by:

(A) October 1 for a fall term;

(B) February 1 for a winter or spring term; and

(C) June 1 for a summer term.

(2) Failure to notify the division of the transfer by the deadline will disqualify the student for waiver of tuition and fees at the institution to which he or she has transferred.

(e)(1) Recipients may withdraw from the Military Dependents' Scholarship Program upon written notification to, and approval by, the division.

(2) The petition shall give the reason for withdrawal and will be supported with

DRAFT

documentation.

(3) Recipients who withdraw from school and fail to notify the division by October 1 for the fall term, February 1 for the winter and/or spring terms, and June 1 for the summer terms will not be eligible for a tuition waiver for that semester.

(4) The recipient may receive the tuition waiver if he or she can demonstrate that extraordinary circumstances prevented him or her from notifying the division.

(f)(1) The award will be permanently revoked if the recipient fails to enroll full-time and the division receives neither written notification of transfer to another eligible institution, nor a petition for withdrawal by the recipient by:

- (A) October 1 for the fall term;
- (B) February 1 for the winter/spring terms; and
- (C) June 1 for the summer terms.

(2) At the discretion of the division, the award will not be revoked if the division determines that extraordinary circumstances prevented the student from notifying the division by the required dates.

(g)(1) Recipients who are members of the Arkansas National Guard or Armed Forces Reserve units who are called to active duty for reasons other than regular unit training and are unable to complete the current term will not be penalized.

(2) They will be placed in deferred status until six (6) months after release from active duty.

(h)(1) Acts 1999, No. 1180, states that students who receive scholarships from public funds may not use those funds in a financial aid package to exceed the federally recognized cost of attendance at the institution where the student enrolls.

(2) The institution must follow division policy in repaying public funds in the amount exceeding the total cost of attendance for any student who receives public funds in a financial aid package above the cost of attendance.

(i) The state assistance awarded to a dependent attending a private, nonprofit institution of higher education in this state shall not exceed the amount of state assistance awarded to dependents attending state-supported institutions of higher education.

DRAFT

6 CAR § 393-107. Institutional responsibilities.

(a)(1) The chief executive officer of the state-supported institution of higher education is responsible for appointing one (1) representative from the financial aid office to act as administrator of the Military Dependents' Scholarship Program and to receive all communications and forms issued by the Division of Higher Education.

(2) This representative is responsible for:

- (A) Completing all forms;
- (B) Verification of data; and
- (C) Complying with all program rules.

(3) The institution must comply with these responsibilities in order to maintain continued eligibility status.

(b)(1) The institution shall provide verification to the division at the close of each term concerning the student's name and continuing eligibility.

(2) This is accomplished using the verification form issued by the division.

(3) Reimbursement to the institution will be made after the institution has completed the verification form and the reimbursement form and returned them to the division.

(c)(1) Institutions will be responsible for exercising all reasonable efforts to identify students eligible for the program.

(2) Reimbursement can only be made for the year in which the student is currently enrolled and has made application.

(d)(1) The deadline for disbursement of funds is no later than ten (10) days after written receipt of funds.

(2) Any outstanding funds not disbursed must be returned to the division.

(e)(1) It is the institution's responsibility to notify the division of the names of persons owing a refund, the date of the withdrawal, and the refund amount.

(2) This information should be placed on the institution's verification roster before returning it to the division.

(f)(1) The institution will exercise due diligence in providing complete, accurate,

DRAFT

and timely information as requested by the division on any scholarship recipient.

(2) In addition, the institution will exercise due diligence in complying with all the rules of the Military Dependents' Scholarship program.

6 CAR § 393-108. Recipient responsibilities.

(a) It is the recipient's responsibility to notify the Division of Higher Education, in writing, of any change in status within twenty-one (21) days.

(b) This includes:

- (1) Changes in name;
- (2) Change in address;
- (3) Change in institution;
- (4) Change in full-time status; or
- (5) Withdrawal from an institution.

(c) Failure to notify the division of any change in status may affect future eligibility.

6 CAR § 393-109. Sunset.

(a)(1) Beginning with the 2025-2026 academic year, the Arkansas Heroes Scholarship shall replace the Military Dependent's Scholarship Program for new applicants.

(A) Students currently receiving a scholarship pursuant to this part shall continue receiving the scholarship unless:

- (i) The student completes their degree; or
- (ii) The student fails to maintain eligibility.

(2) The provisions of this part shall sunset before the fall 2028 semester begins.

Finalist;

- (ii) High school grade point average;
- (iii) Rank in high school class; and
- (iv) Leadership in school, community, and employment.

(B)(i)(a) The division may alter the weight assigned to the individual criterion to more appropriately meet the needs of the state as determined by the Arkansas Higher Education Coordinating Board.

(b) Value points assigned to each selection criterion are weighted as follows:

American College Test (ACT), Classical Learning Test (CLT), or Scholastic Aptitude Test (SAT) score, National Merit Finalist, or

National Achievement Finalist	forty-five percent (45%)
High school grade point average	thirty-five percent (35%)
Rank in high school class	ten percent (10%)
Leadership in school, community, and employment	ten percent (10%)

(ii) The division shall ensure that the weight assigned to each individual criterion under this subdivision (b)(5)(B) does not place a home-schooled, public school, or private school student at a disadvantage.

(iii)(a) After determining qualified recipients based on the qualifications under subdivision (b)(5)(A) of this section, the division shall ensure that at least one (1) recipient is selected from each of the seventy-five (75) counties in Arkansas.

(b) If any of the seventy-five (75) counties is not represented for either extraordinary academic ability or exemplary academic achievement, then the division shall select a student from each nonrepresented county with the highest qualifications under subdivision (b)(5)(B)(iii)(b) of this section who was not initially qualified.

(c) The scholarship shall be weighed on the factors of:

DRAFT

- (1) Achievement;
- (2) Ability; and
- (3) Demonstrated leadership capabilities.

(d) Students who are selected as Arkansas Governor's Scholars who also exhibit extraordinary academic ability as defined in the definitions section of this part shall be designated as Arkansas Governor's Distinguished Scholars.

(e) Preference will be given to students who plan to enter college at the beginning of the academic year directly following their last year of high school attendance.

6 CAR § 401-203. Continued eligibility.

(a) An Arkansas Governor's Scholarship or Arkansas Governor's Distinguished Scholarship may be awarded annually for a period not to exceed an academic year.

(b)(1) A scholarship shall correspond to fall, spring, and summer academic terms, semesters, quarters, or equivalent time periods at the eligibleapproved institutions.

(2) In no instance may the entire amount of the grant for an educational year be paid to or on behalf of students in advance.

(c)(1) Provided sufficient funds are available, a scholarship shall be awarded for one (1) academic year, to include summer terms, and renewed annually for three (3) additional academic years if the following conditions for renewal are met:

(A) The student maintains not less than a 3.0 grade point average on a 4.0 scholastic grading scale;

(B) A student receiving a scholarship under 6 CAR § 401-207(a) maintains not less than a 3.25 grade point average on a 4.0 scholastic grading scale;

(C)(i) The recipient has successfully completed a minimum of twelve (12) hours if a part-time student, or a total of at least twenty-seven (27) hours during the first full academic year and, if applicable, a total of at least thirty (30) hours per academic year thereafter; and

(ii) The scholarship amount for each semester in which a student who is the recipient of a scholarship under this part as a part-time student shall be

prorated by the number of credit hours in which the student is enrolled

(D) The recipient has met any other continuing eligibility criteria established by the Division of Higher Education.

(2) If a student who has continuously been a recipient of the scholarship for at least three (3) consecutive years is enrolled as a part-time student in the student's fourth academic year, the student shall be eligible to continue to receive the scholarship if the student has completed, by his or her fourth academic year, or is enrolled in, for his or her fourth academic year, the requisite number of credit hours to complete the student's degree program.

6 CAR § 401-204. Application.

(a) Students must submit an online application available at the Division of Higher Education website, <http://scholarships.adhe.edu/> <http://sams.adhe.edu>.

(b) The application deadline shall be established by the division of the calendar year in which a student graduates from high school.

(c) At its discretion, the division may extend the deadline, provided sufficient notice is provided to the public.

(d) The applicant is responsible for submitting the application and all supporting documentation in a timely manner.

6 CAR § 401-205. Number of scholarships.

(a) If sufficient funds are available, ~~effective for students receiving their initial awards beginning in fall 2007,~~ the number of initial scholarship awards to eligible high achievers shall not exceed three hundred seventy-five (375) each year.

(b) If there are more eligible applicants than available scholarships, the Division of Higher Education may determine a procedure for awarding additional scholarships while not exceeding available funds.

6 CAR § 401-206. Use of scholarship.

(a) No student may utilize scholarship funds for educational purposes beyond the

baccalaureate degree.

(b)(1) There shall be an exception to the requirement of subsection (a) of this section for any student who receives a baccalaureate degree in ~~three (3)~~ four (4) years or less.

(2) The student may receive an award of the scholarship for a fourth academic year to be used as a full-time student enrolled in a postgraduate program at an approved institution.

6 CAR § 401-207. Scholarship amounts.

(a) An ~~Arkansas Governor's Scholarship or~~ Arkansas Governor's Distinguished Scholarship awarded to a new recipient who enrolls in an approved institution as a first-time entering freshman shall be in an amount that equals the lesser of:

(1) Ten thousand dollars (\$10,000); or

(2) Tuition, room and board, and mandatory fees charged for a regular full-time course load by the approved institution in which the recipient is enrolled.

(b) A student selected as a recipient of an Arkansas Governor's Scholar Award under 6 CAR § 401-202(b)(5)(B)(iii) ~~(b)~~ who enrolls in an approved institution as a first-time entering freshman ~~after July 1, 2017,~~ shall be awarded ~~in~~ an amount that equals the lesser of:

(1) Five thousand dollars (\$5,000); or

(2) Tuition, room and board, and mandatory fees charged for a regular full-time course load by the approved institution in which the recipient is enrolled.

(c) The scholarship amount for each semester in which a student who is the recipient of a scholarship is enrolled as a part-time student ~~during their fourth academic year~~ shall be prorated by the number of credit hours in which the student is enrolled.

6 CAR § 401-208. Notification of application and award status.

(a) An Arkansas Governor's Scholarship or Arkansas Governor's Distinguished Scholarship recipient shall receive an award notice and information sheet explaining disbursement procedures and conditions of the Arkansas Governor's Scholars Award.

DRAFT

~~—(b)(1) The Division of Higher Education shall notify applicants who are determined to be ineligible and provide the reason for ineligibility.~~

~~—(2) They will also be given instructions on how to correct any information on the application they believe to be incorrect.~~

~~—(c)(1) Applicants who fail to submit complete applications, or who fail to supply the required documentation to process the application, will be classified as incomplete.~~

~~—(2) The division shall notify these students of their status.~~

~~—(3) The incomplete notice provides a list of the incomplete items and the actions necessary for completion.~~

6 CAR § 401-209. Scholarship payment policies.

(a) Payment of scholarships.

(1) Funds will be disbursed to the approved institution of the Governor's Scholars choice by state warrant.

(2) After verification of ~~full-time~~ enrollment, the institution shall disburse the Governor's Scholars Award to the student according to the individual institution's disbursement procedures.

(3) Disbursement of the Governor's Scholars Award shall correspond with the institution's fall, spring, and summer academic terms ~~(semesters, trimesters, quarters, or equivalent time periods).~~

(4) In no instance may the entire amount of the award for an educational year be paid to or on behalf of the student in advance.

(b) Transfer to another institution of higher education.

(1) A student who receives a Governor's Scholars Award may transfer to another ~~eligible~~approved Arkansas institution of higher education, provided the recipient notifies the Division of Higher Education, in writing on a student's scholarship account, of the change of institution by October 1 for the fall term, by February 1 for the winter and spring terms, and by June 1 for summer terms.

(2) Failure to notify the division by the specified deadlines shall result in the loss of the Governor's Scholars Award for the term in question.

DRAFT

(c) Scholarship hold.

(1) The division may approve a scholarship hold for a student for a period of twenty-four (24) months or less for the following reasons without limitation:

(A) A medical condition of the student or a member of the student's immediate family that, on the basis of a physician's good-faith judgment, necessitates that the student or the student's immediate family member be hospitalized or receive outpatient or home-based medical care or recuperate until released by the attending physician;

(B) A personal or family emergency that requires the student to:

(i) Attend the funeral of an immediate family member; or

(ii) Visit a relative of the student if the relative has a medical condition in which death is possible or imminent;

(C) Military service under Arkansas Code § 6-61-112; or

(D)(i) A commitment of twelve (12) to twenty-four (24) months for service in a national or international humanitarian project sponsored by a nonprofit corporation organized with a charitable or educational purpose.

(ii) The student's commitment shall be expressed in a written agreement with the nonprofit organization, including the terms of completion for the student's service on the related project.

(iii) The division shall release a scholarship hold if the division determines that the student did not complete the commitment under the written agreement.

(2)(A) The recipient must submit a ~~written~~ request for a scholarship hold.

(B) The petition shall give the reason for withdrawal and be supported by documentation.

(C) In the absence of extraordinary circumstances, the award will be revoked if the recipient fails to enroll ~~full-time~~ in an ~~eligible~~approved institution in Arkansas, and the division receives neither notification of transfer of the scholarship to another ~~eligible~~approved institution, nor a petition for withdrawal by the recipient by October 1 for the fall term, February 1 for the winter and ~~for~~ spring terms, and by June

DRAFT

1 for summer terms.

(D) At the discretion of the division, the award will not be revoked if it is determined by the division that extraordinary circumstances prevented the student from notifying the division by the required dates.

(d) Cancellation of Governor's Distinguished Scholar Award.

(1) The Governor's Scholars Award and the Governor's Distinguished Scholar Award shall be terminated for any one (1) of the following reasons:

(A) Failure to maintain a minimum 3.0 cumulative college grade point average (Governor's Scholars Award) or a minimum 3.25 cumulative college grade point average (Governor's Distinguished Scholars) on a 4.0 scale and successfully complete and pass a minimum of at least:

~~public funds may not use those funds in a financial aid package to~~ Scholarship awards under this part shall not exceed the recognized cost of attendance at the institution where the student enrolls.

(3) The institution must follow division policy in repaying public funds in the amount exceeding the total cost of attendance for any student who receives public funds in a financial aid package above the cost of attendance.

6 CAR § 401-210. Higher education institution responsibilities.

(a) Administrative agreement.

(1) The chief executive officer of the ~~eligible~~approved institution is responsible for appointing one (1) representative from the financial aid office to act as administrator of the Arkansas Governor's Scholars Program and to receive all communications, forms, etc.

(2) This representative is responsible for Governor's Scholars disbursement, completion of all forms and rosters, verification of data, and compliance with all Governor's Scholars Program rules.

(3) The institution must comply with the following responsibilities in order to maintain continued eligibility status.

(b) **Disbursement records.** The institution shall maintain information on the student indicating disbursement of Governor's Scholars funds.

(c) **Institutional information sheet.** The administrator is responsible for designating a certifying official responsible for certifying ~~full-time~~ enrollment and a disbursing official responsible for the disbursement of Governor's Scholars Program funds.

(d) Institutional verification.

(1) The institution shall provide certification to the Division of Higher Education each semester after registration, giving the names of the Governor's Scholars who are officially enrolled ~~as full-time students~~ as of the end of the eleventh class day of enrollment.

(2) This information is reported on a verification roster.

~~_____ (3) The person responsible for verification of full-time enrollment is the registrar or a member of the registrar's staff.~~

~~(4) The certifying official is responsible for completing the verification roster twice a year for those schools on the semester system and three (3) times a year for those schools on the quarter system.~~

~~(5)~~(3) The verification roster shall be ~~mailed~~ sent to the financial aid administrator prior to registration for the semester or quarter.

~~(6)~~(4) The completed and signed Governor's Scholars Program verification roster shall be returned to the division by the dates specified on the roster.

~~(7)~~(5) The verification roster is an alphabetical listing by institution of all persons receiving a Governor's Scholars Program Award for a given academic term.

~~(8)~~(6) Students who are not enrolled full-time or are under-enrolled in the current term shall not receive Governor's Scholars Program funds for that term.

(e) Deadlines for disbursement of funds.

(1) All funds must be disbursed within ten (10) days of written receipt of funds.

(2) Any outstanding funds not disbursed by these dates must be returned within ten (10) days to the division.

(f) Refund policy.

(1) It is the institution's responsibility to notify the division of the:

(A) Name of the person who withdrew;

(B) Date of the withdrawal; and

(C) Refund amount.

(2) This information shall be placed on the institution's verification roster before the roster is returned to the division.

(3) The institution shall be responsible for the refund amount and shall pay that amount to the division.

(g) Continuing eligibility.

(1) It is the responsibility of each institution to complete annually the continuing eligibility roster.

DRAFT

(2) This roster shall be ~~mailed~~ sent to all institutions that have a governor's scholar enrolled.

(3) The continuing eligibility roster shall be returned to the division by the date specified on the roster.

(4) The person responsible for completing the continuing eligibility roster is the financial aid administrator or his or her designee.

(5) The continuing eligibility roster is an alphabetical listing by institution of all persons receiving a Governor's Scholars Award that attended that institution for the academic year immediately preceding receipt of the continuing eligibility roster.

(6) The certifying official must complete the roster by providing the number of hours completed for the previous academic year and the cumulative grade point average achieved for each student listed.

(h) **Due diligence.**

(1) The institution shall exercise due diligence in providing complete, accurate, and timely information as requested by the division for any governor's scholar or former governor's scholar.

(2) In addition, the institution shall exercise due diligence in complying with all the rules of the Arkansas Governor's Scholars Program.

(3) The division shall periodically review the institution's records concerning the Governor's Scholars Program in an effort to exercise its due diligence requirements as a steward of State of Arkansas funds.

(a) The Division of Higher Education may approve a grant hold for a period of twenty-four (24) months or less.

(b) The reasons for a grant hold may include without limitation:

(1) A medical condition of the student or a member of the student's immediate family that, on the basis of a physician's good-faith judgment, necessitates the student or the student's immediate family member to be hospitalized or receive outpatient or home-based medical care or to recuperate until released by the attending physician;

(2) A personal or family emergency that requires the student to:

(A) Attend the funeral of an immediate family member; or

(B) Visit a relative of the student if the relative has a medical condition in which death is possible or imminent;

(3) Military service under Arkansas Code § 6-61-112; or

(4)(A) A commitment of twelve (12) to twenty-four (24) months for service in a national or international humanitarian project, sponsored by a nonprofit corporation organized with a charitable or educational purpose.

(B) The student's commitment shall be expressed in a written agreement with the nonprofit organization, including the terms of completion for the student's service on the related project.

(C) The division shall release a grant hold if the division determines that the student did not complete the commitment under the written agreement.

6 CAR § 400-205. Grant recipient responsibilities.

(a)~~(1)~~ A student who receives an Arkansas Future Grant shall enter into a written agreement with the Division of Higher Education to:

~~—————(3)(A) Reside reside in this state for ~~three (3) consecutive years~~ six (6) months and be employed beginning within six (6) months after receiving an associate degree or a certification.~~

~~(B)(2)~~ The Division of Higher Education may defer the requirement under subdivision ~~(a)(3)(A)(a)(1)~~ of this section if:

~~(i)(A)~~ The Division of Higher Education, in consultation with the Division of Workforce Services, determines that there was no employment position

DRAFT

available that would reasonably enable the student to meet this requirement; or

~~(ii)(B)~~ Special circumstances as determined by the Division of Higher Education exist.

~~(E)(3)~~ After the period of deferral, the student shall begin or resume working in this state or become subject to repayment under subsection (b) of this section.

(b) The written agreement under subsection (a) of this section shall provide that the grant converts into a loan and the student shall repay the grant amount:

(1) On a pro rata basis at an interest rate and on a schedule as determined by the Division of Higher Education, for each year the student does not reside in this state for three (3) consecutive years, and become employed beginning within six (6) months after receiving an associate degree or a certification; or

(2) In its entirety at an interest rate and on a schedule as determined by the Division of Higher Education if the recipient does not comply with the written agreement under subsection (a) of this section.

(c)(1) It is the recipient's responsibility to notify the Division of Higher Education of any change in status within twenty-one (21) days.

(2) Failure to notify the Division of Higher Education of a change of status may affect future eligibility.

(3) Change of status will include:

(A) Change in name;

(B) Change in address; and

(C) Change in institution.

6 CAR § 400-206. Collection of loan.

(a)(1)(A) Accounts will be retained by the Financial Aid Division of the Division of Higher Education until the individual is no longer eligible for deferment, at which point the account will be turned over to a vendor for repayment.

(B) The student will:

(i) Be notified by mail that their account is being placed with a vendor

DRAFT

for collections; and

(ii) Receive a loan amortization schedule.

(2)(A) The account will remain with the vendor until repaid or one hundred twenty (120) days past due.

(B) Loan recipients who are determined by the Division of Higher Education to be one hundred twenty (120) days delinquent will be mailed their first letter of notification ten (10) days after the installment payment is due.

(C) If payment is not forthcoming within sixty (60) days from the original payment due date, a second letter of notification will be sent to the loan recipient declaring their account is delinquent and requesting that the account be immediately brought up to date.

(3) If the loan recipient has not responded within ninety (90) days from the original payment due date, the third and final letter of notification will be sent to the recipient informing them that the account will officially be in default if outstanding payments are not made within thirty (30) days.

(b) **Skip tracing mechanisms.** The Division of Higher Education will use the following steps to locate recipients if communications are returned as undelivered:

(1) Contact the Office of Motor Vehicle of the Arkansas Department of Finance and Administration;

(2) Contact references listed on the recipient's application;

(3) Utilize telephone directory or check with directory assistance in the area of the recipient's last known address;

(4) Contact institutional offices (alumni office, admissions office, registrar's office, fraternity or sorority, and the department that the recipient majored in) at the campus where the recipient last attended;

(5) Contact creditors, such as credit card companies, credit bureaus, or GSL lender;

(6) Contact recipient's:

(A) Field of study;

(B) Professional organization;

DRAFT

- (C) Union; or
- (D) Licensing board;
- (7) Contact post office;
- (8) Contact utility companies; and
- (9) Contact Chamber of Commerce.

(c) Credit reporting agencies.

(1) Defaulted recipients will be reported to the following credit reporting agencies:

- (A) CSC Credit Reporting Services, Inc.;
- (B) TRW Credit Data; and
- (C) Trans Union Credit Reporting.

(2)(A) Forms for reporting defaulted loan recipients are located in the collections file.

(B) The Division of Higher Education will respond promptly to any inquiries it receives from credit reporting agencies concerning delinquent or defaulted loan recipients.

(d) **State income tax set-off.** By the authority of Acts 1993, No. 345, the Division of Higher Education has been included as a claimant agency for the setoff of debts against state tax refunds.

(e) Litigation.

(1) No sooner than thirty (30) days after sending the third letter of notification, the Division of Higher Education shall institute a civil suit against the recipient for repayment of the loan.

(2) Small claims courts will be used to satisfy debts of accounts up to three thousand dollars (\$3,000).

(3) If the account is over three thousand dollars and one cent (\$3,000.01), the Division of Higher Education must use circuit court.

(4) If the account is three thousand dollars and one cent (\$3,000.01) or above, the Division of Higher Education may choose to use small claims courts and waive the difference because of the expense involved in going to circuit court.

DRAFT

(5) If the Division of Higher Education chooses to waive the difference, it cannot later try to collect the difference.

(6) Forms to take the recipient to small claims court are requested from the recipient's county of residence.

(f) Write-offs.

(1) Arkansas Future Grants that convert to loans may be written off as uncollectible if the Division of Higher Education shows due diligence to satisfy the collection of the debt, and documents in the recipient's file that:

(A) The cost of litigation would exceed the likely recovery if litigation were commenced; or

(B) The recipient does not have the means to satisfy a judgment on the debt, or a substantial portion thereof.

(2) Proof of due diligence collection activities must be submitted to the Administrator of the Department of Finance and Administration and approval from the administrator must be received before Arkansas Future Grant loan accounts may be written off.

(g) Nonpayment penalties. Loan recipients who fail to meet their repayment obligations may have added to their total obligation any costs for collection of the debt.

6 CAR § 400-207. Institutional responsibilities — College and university responsibilities.

(a) Administrative agreement.

(1) The chief executive officer of the eligible institution is responsible for appointing one (1) representative from the financial aid office to act as administrator of the Arkansas Future Grant Program and to receive all communications, forms, etc.

(2) This representative is responsible for verification, data, and compliance with all program rules.

(3) The institution must comply with all rules in order to maintain continued eligibility status.

(b) Disbursement records. The institution shall maintain information on the

DRAFT

student indicating disbursement of scholarship funds.

(c) Institutional verification.

(1)(A) The institution shall provide certification of enrollment in an eligible program of study, and enrollment in courses that will meet satisfactory academic progress standards, as of the eleventh day of classes by completing a verification roster each semester after registration.

~~—————(B) The verification roster is an alphabetical listing by institution of all persons receiving the award for a given academic term.~~

~~—————(C) The certifying official is responsible for completing the verification rosters each semester or trimester.~~

~~—————(D) The Division of Higher Education shall provide electronic verification roster to the financial aid administrator for each semester or trimester as needed.~~

(2) The electronic verification roster shall be returned to the division by November 1 for the fall term and by March 15 for the spring term.

(3)(A) The division shall also provide electronic continuing eligibility rosters to the financial aid administrator before the end of the fall and spring term.

(B) The rosters shall be returned to the division no later than January 15 based on the fall semester and June 1 based on the spring semester to ensure that adequate time is provided to notify students of their status in the program.

(d) Deadlines for disbursement of funds.

(1) The deadline for disbursement of funds is no later than ten (10) days after receipt of funds.

(2) Any outstanding funds not disbursed by these dates must be returned to the division.

(3) For those students whose applications are received by the division too late to allow disbursement by these dates, disbursement will be made within ten (10) working days of receipt of the verification roster and electronic transfer of funds.

(e) Due diligence.

(1) The institution will exercise due diligence in providing complete, accurate, and timely information as requested by the division on any Arkansas Future Grant

DRAFT

recipient or former recipient.

(2) In addition, the institution will exercise due diligence in complying with all the rules of the Arkansas Future Grant Program.

(3) The division shall periodically review the institution's records concerning this program in an effort to exercise its due diligence requirements as a steward of state funds.

Chapter IV. Division of Higher Education, Department of Education

Subchapter B. Scholarships and Grants

Part 410. Arkansas Geographical Critical Needs Teacher Scholarship Program

Subpart 1. Generally

6 CAR § 410-101. Creation & Purpose.

(a) This part shall be known as the Division of Higher Education's Rules Governing the Arkansas Geographical Critical Needs Teacher Scholarship Program.

(b) The purpose of this program is to attract qualified teachers to the Delta region and those geographical areas of the state where there exists a critical shortage of teachers by awarding scholarships to individuals declaring an intention to serve in the teaching field who actually renders service to this state while possessing an appropriate teaching license.

(c) This part does not affect any preference given to veterans in public education.

6 CAR § 410-102. Definitions.

As used in this part:

(1) "Approved institution of higher education" means an institution of higher education that is approved by the Division of Higher Education to administer the Arkansas Geographical Critical Needs Teacher Scholarship Program that is a:

(A) State-supported two-year or four-year institution of higher education;

DRAFT

(B) Private, nonprofit two-year or four-year institution of higher education that has its primary headquarters located in Arkansas and is eligible to receive Title IV federal student aid funds;

(2) "Delta region" means the following counties of Arkansas are designated as being in the Delta region: Arkansas, Ashley, Baxter, Bradley, Calhoun, Chicot, Clay, Cleveland, Craighead, Crittenden, Cross, Dallas, Desha, Drew, Fulton, Grant, Greene, Independence, Izard, Jackson, Jefferson, Lawrence, Lee, Lincoln, Lonoke, Marion, Mississippi, Monroe, Ouachita, Phillips, Poinsett, Prairie, Pulaski, Randolph, St. Francis, Searcy, Sharp, Stone, Union, Van Buren, White, and Woodruff;

(3) "Full-time student" means a student enrolled for a minimum of twelve (12) semester credit hours or the equivalent;

(4) "Part-time student" means a student enrolled in at least six (6) semester credit hours or the equivalent, but less than twelve (12) semester credit hours or the equivalent;

6 CAR § 410-103. Scholarship eligibility and award amount.

(a) Any individual who is enrolled in or accepted for enrollment at a baccalaureate degree-granting institution of higher education whose teacher education program is approved by the State Board of Education or at an accredited state-supported community college in Arkansas who expresses in writing an intention to teach in a geographical area of the state in which there exists a critical shortage of teachers, as designated by the state board, shall be eligible for a Critical Needs Teacher Scholarship to be applied toward the costs of the individual's college education, if:

(1) The applicant has a grade point average of 2.5 on a 4.0 scale in high school if the applicant graduated within the five (5) preceding years; and

(2) The applicant scores nineteen (19) or above on the ACT composite or the equivalent as defined by the University of Arkansas at Pine Bluff.

(b)(1) The university is authorized to develop selection criteria through Critical Needs Teacher Scholarship Program rules, which combine an applicant's ACT

superscore, as defined by Arkansas code § 6-85-204, or ACT equivalent score and grade point average in the core curriculum into a selection index.

(2) Notwithstanding the provisions of subdivisions (b)(1) and (2) of this section, this selection index shall be employed as an alternative selection process for applicants who achieve a grade point average below 2.5 on a 4.0 scale or for applicants who have an ACT composite superscore or ACT equivalent score greater than nineteen (19).

(c)(1) The annual amount of the scholarship shall be one thousand five hundred dollars (\$1,500) per year.

(2) Awards made to nonresidents of the state shall not include any amount assessed by the college or university for out-of-state tuition.

(d)(1) Awards granted under the Critical Needs Teacher Scholarship Program shall be available to both full-time and part-time students.

(2) Students enrolling on a full-time basis may receive a maximum of four (4) annual awards.

(3) The maximum number of awards that may be made to students attending school on a part-time basis and the maximum time period for part-time students to complete the number of academic hours necessary to obtain a baccalaureate degree in education shall be established by rules jointly promulgated by the university and the Division of Higher Education.

(e) Scholarships shall not be based upon an applicant's eligibility for financial aid.

(f) The Commissioner of the Division of Higher Education shall:

(1)(A) Determine the amount available to fund the Critical Needs Teacher Scholarship Program.

(B) However, the amount determined under subdivision (g)(1)(A) of this section shall not exceed two hundred thousand dollars (\$200,000); and

(2)(A) Certify to the Chief Fiscal Officer of the State and the Treasurer of State the amount determined under subdivision (g)(1)(A) of this section to be transferred from the Higher Education Grants Fund Account.

(B)(i) Upon receipt of the certification under subdivision (g)(2)(A) of this section, the Chief Fiscal Officer of the State and the Treasurer of State shall transfer the necessary amount from the Higher Education Grants Fund Account and the related appropriation to the University of Arkansas at Pine Bluff Fund.

(ii) The university may use up to twenty percent (20%) of the funds and appropriation received under subdivision (g)(2)(B)(i) of this section for the administration of the Critical Needs Teacher Scholarship Program under this section.

6 CAR § 410-104. Service requirements.

(a) Except in those cases where employment positions may not be available upon completion of licensure requirements, at the beginning of the first school year in which a recipient of a Critical Needs Teacher Scholarship is eligible for employment as a licensed teacher, that person shall begin to render service as a licensed teacher in a public school district in a geographical area of the state where there is a critical shortage of teachers or in the Mississippi Delta, as designated by the Division of Elementary and Secondary Education.

(b)(1) Any person who received four (4) annual awards, or the equivalent of four (4) annual awards, shall render two (2) years' service as a licensed teacher.

(2) Any person who received fewer than four (4) annual awards, or the equivalent of four (4) annual awards, shall render one (1) school semester of service as a licensed teacher for each year that the person received a full-time student scholarship or for the number of academic hours equivalent to one (1) school year, as determined by the University of Arkansas at Pine Bluff, for which a part-time student received a scholarship.

(c) Students receiving a scholarship shall execute a note made payable to the university for an amount equal to the scholarship award each semester that shall bear interest at a rate to be determined by the Division of Higher Education beginning September 1 after completion of the program or immediately after termination of the scholarship loan, whichever is earlier.

(d)(1) Any person failing to complete a program of study which will enable the person to become a licensed teacher shall begin repaying the note according to the note's terms for the sum of all scholarship awards made to that person less the corresponding amount of any awards for which service has been rendered.

(2) Any person failing to complete his or her teaching obligation, as required under subsection (b) of this section, shall begin repaying the note according to the note's terms for the sum of all scholarship awards made to that person less the corresponding amount of any awards for which service has been rendered, except in the case of a deferral of debt for cause approved by the State Board of Education if there is no employment position immediately available upon a teacher's completion of licensure requirements.

(3) After the period of the deferral, the person shall begin or resume teaching duties as required under this section or shall become liable on the note under this section.

(4) If a claim for payment under subsection (c) of this section is placed in the hands of an attorney for collection, the obligor shall be liable for an additional amount equal to a reasonable attorney's fee.

(e) The obligations made by the recipient of a scholarship award shall not be voidable by reason of the age of the student at the time of receiving the scholarship.

6 CAR § 410-105. Administration and reporting.

(a) The University of Arkansas at Pine Bluff shall administer the program.

(b) If sufficient funds are not available to fully fund scholarship awards to all eligible students, the university shall make the awards to first-time students on a first-come, first-served basis. However, priority consideration shall be given to persons previously receiving awards under the program.

(c) All funds received by the university from the repayment of scholarship awards by program participants shall be deposited into the fund that provides funding for the program.

(d)(1) The university shall make an annual report to the General Assembly.

(2) Each report shall contain a complete enumeration of the:

- (A) Program's activities;
- (B) Scholarships granted;
- (C) Names of persons to whom granted;
- (D) Institutions attended by those receiving the scholarships; and
- (E) Teaching location of applicants who have received their education and become licensed teachers within this state as a result of the scholarships.

(3) The university shall make a full report and account of receipts and expenditures for salaries and expenses incurred under this section.

(4) Upon its records and any published reports, the university shall distinguish among those recipients who:

- (A) Have paid their financial obligations in full;
- (B) Have breached their contracts but with the university's permission; and
- (C) Have breached their contracts and remain financially indebted to the state.

(e) The requirements of this subchapter are contingent on the funding available for the program.

(f) The university is authorized to determine the necessary procedures for the awarding of forgivable loans should the number of eligible applicants and recipients exceed the funds available, so long as the procedures are consistent with subsection (c) of this section.

6 CAR § 410.106. Committee established.

(a) There is established a committee to be known as the Critical Needs Teacher Scholarship Program Committee.

(b) The committee shall consist of five (5) members to be appointed by the Chancellor of the University of Arkansas at Pine Bluff.

(c) The appointed committee members shall be:

(1) Individuals who have demonstrated a commitment to education; and

(2) Residents of the State of Arkansas at the time of appointment and throughout their term.

(d) The members shall be appointed for terms of two (2) years.

(e)(1) If a vacancy occurs in an appointed position for any reason, the vacancy shall be filled by appointment of the chancellor.

(2) The new appointee shall serve for the remainder of the unexpired term.

(f) The chancellor shall designate one (1) of the members to serve as chairperson.

(g)(1) The committee shall meet at times and places the chairperson deems necessary, but no meetings shall be held outside of Arkansas.

(2) Three (3) of the members of the committee shall constitute a quorum for the purpose of transacting business.

(3) All action of the committee shall be by approval of a quorum.

(h) The committee shall:

(1) Select the recipients of the Arkansas Teaching Fellows forgivable loans; and

(2) Perform other duties or functions regarding the Critical Needs Teacher Scholarship Program as may be requested by the chancellor.

(i)(1) The University of Arkansas at Pine Bluff shall provide staff and office space to the committee.

(2)(A) Members of the committee shall serve without pay.

(B) Members of the committee may receive expense reimbursement in accordance with Arkansas Code § 25-16-902, to be paid with funds appropriated for administration of the program to the extent money is available.

(d) Any interested student who meets the eligibility criteria in 6 CAR § 396-104 may apply.

(e)(1) ~~The division shall establish the deadline for receipt of applications each year.~~
The deadline for applications to be submitted to the division is November 1 each year.

(2) The deadline date shall be clearly printed on the application and website.

(3)(A) All applications and supporting documentation must be postmarked or emailed by the established deadline date in order to be considered.

DRAFT

(B) It is the responsibility of the individual applicant to ensure that the application is postmarked or emailed by the deadline date.

(4) If any deadline date occurs on a weekend or holiday, the deadline will be extended to the following business day.

(f) The SURF Selection Panel shall read and score applications.

(g)(1) SURF Selection Panel members shall meet with the division to make recommendations for SURF awards based upon the selection criteria listed in 6 CAR § 396-106.

(2) The SURF Selection Panel is divided into two (2) groups to represent STEM disciplines and non-STEM disciplines.

(3)(A) Each group will make recommendations for applicants from the respective disciplines.

(B) Subject to appropriations, the SURF Selection Panel will award sixty percent (60%) of the funds to STEM applicants and forty percent (40%) of the funds to non-STEM applicants.

(C) Should there not be enough qualified applicants in the STEM or non-STEM group to make recommendations for awards, funds can be shifted from one group to another until all funds are exhausted.

(h) The amount of the fellowship awarded to each recipient shall be as follows:

(1)(A) Up to one thousand two hundred fifty dollars (\$1,250) for a student stipend.

(B) If a student is awarded a fellowship for only a spring or fall semester, the student stipend shall not exceed six hundred twenty-five dollars (\$625);

(i) If a student is awarded a fellowship for the spring semester through the summer semester, the student stipend shall not exceed six hundred twenty-five dollars (\$625).

(2) Up to seven hundred fifty dollars (\$750) for student travel;

(3) Up to seven hundred fifty dollars (\$750) for a mentor award; and

(4) Up to one thousand two hundred fifty dollars (\$1,250) for the institution match.

DRAFT

(i) The maximum award shall not exceed four thousand dollars (\$4,000).

(j)(1) The division shall notify each eligible applicant of his or her award.

(2) The award notice shall include the student's name, address, faculty mentor's name, institution, and the actual amount the student is eligible to receive.

(3) The award notice shall explain the division's disbursement procedures and conditions as detailed in 6 CAR § 396-107.

(k) The division shall notify the appropriate faculty and administration at each institution and the SURF Panel of SURF awardees.

(l) The division shall notify applicants who are determined to be ineligible and provide the reason for ineligibility.

(m) Once each applicant has accepted his or her SURF award and all funds are exhausted, the division shall notify all remaining eligible applicants that all funds have been awarded via a "no award" notice.

6 CAR § 396-106. Fellowship selection criteria.

(a) All proposals will be reviewed by the Student Undergraduate Research Fellowship Selection Panel that is selected by the Division of Higher Education.

(b) The SURF Selection Panel will use the following scale to grade the selection criteria found in the table at Appendix A (the selection criteria), one (1) being the best score and nine (9) being the worst score:

(1) 1 – Superior: Extraordinary and needs little to no revision, improvement, or both;

(2) 2 – Excellent: Easily addressable issues and needs little revision, improvement, or both;

(3) 3 – Above Average: Has strong quality and would benefit from revision, improvement, or both;

(4) 4 – Good: Has slightly above average quality and needs some revision, improvement, or both;

(5) 5 – Average: Has average quality and needs revision, improvement, or both;

DRAFT

(6) 6 – Fair: Has slightly below average quality and needs revision, improvement, or both;

(7) 7 – Below Average: Has weak quality and requires revision, improvement, or both;

(8) 8 – Minimal: Multiple issues and severely requires revision, improvement, or both; and

(9) 9 – Poor: Not recommended for funding or consideration.

(c)(1) The SURF Selection Panel shall meet and make recommendation for students to be awarded a fellowship based upon the selection criteria.

(2) Recommendation of awards shall be made until all funds are exhausted.

(3) The SURF Panel shall also select alternates to be awarded in the event a student does not accept his or her SURF award.

(d) The Commissioner of the Division of Higher Education, or his or her designee, has the final responsibility for selecting fellowship recipients.

6 CAR § 396-107. Fellowship payment procedures.

(a)(1) The Division of Higher Education shall disburse fellowship funds to the institution designated on the student's application.

(2) The division shall send funds to the appropriate administrative staff at the institution via electronic funds transfer or state warrant.

(3)(A) The division will also send an award roster and receipt confirmation to the appropriate institution.

(B) The award roster lists the students to be awarded and the disbursement amounts.

~~(C) The receipt confirmation should be signed by the disbursement officer and returned to the division.~~

(4) The institution will disburse the grant funds to the student according to the institution's disbursement procedures.

(b) Fellowships shall be terminated for a recipient's:

(1) Failure to maintain at least a 3.25 cumulative grade point average on a

4.00 scale;

(2) Failure to maintain satisfactory academic progress as defined by the institution; and

(3) Failure to conduct the research for which the fellowship was awarded.

(c)(1) The recipient is responsible for notifying the division in writing of any change in status, i.e., change of address, email, transfer of research to another mentor, etc.

(2) A recipient's failure to provide written notification may result in the cancellation of the fellowship for that term.

(d)(1) Recipients who are members of the Arkansas National Guard or reserve components of the United States Armed Forces units who are called to active duty for reasons other than regular unit training and are unable to complete the current term will be allowed to repeat the missed term.

(2) Those recipients shall be placed in deferred status until six (6) months after release from active duty, at which time they must be reenrolled and continue research with the same mentor.

(e) If the recipient of a fellowship withdraws, drops out, is expelled, falls below the minimum standards in 6 CAR § 396-104, or does not conduct the research for which the fellowship award was received, the fellowship award for that semester shall be refunded to the division.

6 CAR § 396-108. Institutional responsibilities.

(a)(1) The chief executive officer of the eligible institution is responsible for designating one (1) institutional representative to act as administrator of the Student Undergraduate Research Fellowship and to receive all communications, forms, and the like for that institution.

(2) This representative is responsible for verification, data, and compliance with all law and Division of Higher Education rules related to the program.

(3) The institution must comply with all law and rules in order to maintain continued eligibility status.

(b) Each authorizing institutional official certifies, by signing the program

DRAFT

application, that the applicant has met all conditions of the fellowship eligibility criteria in 6 CAR § 396-104.

(c) The institution shall maintain information on the student indicating disbursement of fellowship funds.

(d) The institution shall provide certification of full-time enrollment as of the close of business on the eleventh day of classes.

(e) The institution must comply with OMB Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards in 2 C.F.R. § 200 ~~Circular A-21, Cost Principles for Educational Institutions, and OMB Circular A-110, Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals, and other Non-Profit Organizations, when managing fellowship funds.~~

(f) Each institution shall establish a separate account for each student awarded a SURF fellowship.

(g) The appropriate faculty head of the academic discipline for which a recipient is conducting research under the fellowship is responsible for ensuring that the student and mentor are conducting research as set forth in the fellowship application submitted to the division.

(h)(1) Funds shall be disbursed to students and mentors in accordance with the institution's disbursement procedures according to OMB Circular A-21 and OMB Circular A-110.

(2) Any outstanding funds not disbursed by the end of the semester must be returned to the division within fifteen (15) days of the semester's end.

(3) The institutional representative is responsible for issuing a refund under 6 CAR § 396-107(e) to the division within fifteen (15) days of the semester's end.

(i) Each institution shall exercise due diligence in providing complete, accurate, and timely information as requested by the division on any fellowship recipient or former recipient.

(j) The division shall periodically review the program.

6 CAR § 396-109. Fellowship recipient's responsibilities.

(a)(1) It is the recipient's responsibility to notify the Division of Higher Education in writing of any change in status, i.e., change of address, email, transfer of research to another mentor, etc.

(2) Failure to provide written notification may result in the cancellation of the fellowship for that term.

(b) A fellowship recipient shall not change the purpose for his or her research project.

(c) Each fellowship recipient shall submit a one-page abstract on the findings of his or her research upon completion of the project to the division as follows:

(1) By May 1 for a spring term project completion;

(2) By August 1 for a summer term project completion; and

(3) By December 1 for a fall term project completion.

(d)(1) Fellowship recipients are required to present the findings of their research at a state or national conference in their discipline or attend a meeting of experts in their discipline as directed by their mentor.

(2) Failure by a fellowship recipient to comply with any of the above may result in forfeiture of his or her SURF fellowship funds.

PROFESSIONAL SKILLS TRAINING (PST) FUNDING MODEL

Act 341 of 2025 amended Arkansas Code § 6-61-234 to authorize the Arkansas Division of Higher Education to implement a funding formula to support noncredit programs at state-supported institutions of higher education. The proposed Professional Skills Training funding model is designed to recognize and support noncredit training that addresses regional and statewide workforce needs.

The model utilizes a pro-rata distribution methodology based on institutional performance and eligible reported student completions. Funding will be distributed in arrears using a weighted scoring approach designed to incentivize workforce training that addresses regional and statewide labor market needs, results in recognized credentials, supports institutional instructional investment, and creates pathways to further postsecondary education.

AHECB Resolutions

RESOLVED, That the Arkansas Higher Education Coordinating Board approves the Professional Skills Training Funding Model for noncredit workforce training programs beginning Academic Year 2026-27, establishing the methodology for distributing state funds appropriated to support such programs at Arkansas public institutions of higher education.

FURTHER RESOLVED, That any Arkansas state-supported institution of higher education choosing to participate in the Professional Skills Training Funding Model shall report required Professional Skills Training activity and administer eligible programs in accordance with the policies and reporting requirements established by the Arkansas Division of Higher Education.

FURTHER RESOLVED, That the Arkansas Higher Education Coordinating Board instructs the Commissioner of the Arkansas Division of Higher Education to provide a copy of the approved Professional Skills Training Funding Model to presidents and chancellors, chief academic officers, workforce development administrators, chief financial officers, institutional research officers, and other appropriate institutional representatives at Arkansas public colleges and universities.

Professional Skills Training (PST) Funding Model Policy**I. Purpose**

The Professional Skills Training (PST) Funding Model establishes the methodology for distributing state funds appropriated to support noncredit workforce training programs offered by Arkansas public institutions of higher education. The funding model is intended to encourage the development and delivery of workforce training that responds to employer demand, supports attainment of workforce credentials, and creates pathways to further postsecondary education and training.

II. Authority

Pursuant to Arkansas Code § 6-61-234, as amended by Act 341 of 2025, the Arkansas Division of Higher Education (ADHE) is authorized to implement a funding formula supporting noncredit programs offered by state-supported institutions of higher education.

III. Institutional Eligibility

Any Arkansas public institution of higher education authorized to receive state funding that reports Professional Skills Training (PST) activity to ADHE shall be eligible to participate in the PST Funding Model.

IV. Definition

Professional Skills Training (PST) means noncredit postsecondary courses that develop or enhance occupational, technical, and/or durable skills of individuals—whether employed, underemployed, or unemployed—to meet employer workforce needs and increase individual opportunity in the labor market. Training may include, but is not limited to, lecture-based instruction, workshops, customized training, apprenticeships, and similar workforce-related learning experiences. While such training does not result in academic credit applicable toward a degree, diploma, or certificate, competencies acquired through PST may be eligible for prior learning assessment or articulation to credit programs.

V. Funding Methodology

Funding shall be distributed on a pro-rata basis according to each participating institution's share of weighted Professional Skills Training (PST) student completions reported to ADHE during the applicable reporting period. Funding shall be distributed in arrears based upon prior-year performance.

To qualify for funding consideration, a course must meet the PST definition, have a minimum duration of four (4) clock hours, and be successfully completed by the student.

Each eligible course completion shall generate base points equal to the total clock hours completed. Additional weighted points may be earned through the criteria listed in Table 1.

Baseline Points Assigned		
Criteria	Calculation	Completion Value
Course completion $\geq$ 4 clock hours	Sum of Applicable Student Clock Hours Completed	1
Multipliers based on Assigned Baseline Points

Does NOT Articulates to Credit/ Is NOT Stackable	Sum of Applicable Student Clock Hours Completed	1
Distribution: Prorated based on % of total institutional points to statewide total points		

Table 1.

VI. Reporting Requirements

Participating institutions shall report course- and student-level Professional Skills Training (PST) completion data in the format and according to the timeline prescribed by the Arkansas Higher Education Information System (AHEIS). Failure to submit required data accurately and within set deadlines may result in exclusion of training activity from PST funding calculations.

VII. Funding Distribution

Funding distributions shall occur after submission, validation, and certification of annual Professional Skills Training (PST) activity data.

If appropriated funds are unavailable during any fiscal year, participation in the funding model shall not guarantee institutional funding.

VIII. Implementation

The Professional Skills Training Funding Model shall apply to eligible noncredit workforce training programs beginning with Academic Year 2026-27 (July 1, 2026 through June 30,

2027). Initial funding distributions shall be based upon reported and validated activity from Academic Year 2026-27 and distributed following completion of the annual reporting cycle, pending state fund allocation.

IX. Future Review

ADHE shall periodically evaluate the effectiveness of the Professional Skills Training Funding Model and may recommend revisions to the Arkansas Higher Education Coordinating Board.

CERTIFICATION OF INTERCOLLEGIATE ATHLETIC REVENUES AND EXPENDITURES FOR 2026-27

A.C.A. §6-62-805 (Act 366 of 1991) requires each state-supported institution of higher education to annually certify by June 15 to the Arkansas Higher Education Coordinating Board that its intercollegiate athletic program will generate sufficient revenues to meet expenditures or that any athletic deficit will be met by separate institutional board-sanctioned student athletic fees.

Verification of Athletic Budgets and Fee Information

Institutions with intercollegiate athletic programs submitted ADHE Form 21-2, “Certification of Budgeted Athletic Revenues and Expenditures” and proper supporting documentation. ADHE finance staff verified that the athletic data submitted by the institutions matched the overall 2026-27 institutional operating budgets.

A.C.A. §6-62-804 requires that any student athletic fees assessed must be clearly defined in all publications and institutional board minutes and listed separate and distinct from tuition or other student fees on student tuition and fee statements. All institutions assessing a student athletic fee have certified to the Department compliance with this requirement and have submitted copies of their student fee billing statements illustrating the disclosure of the athletic fee to each student.

Summary of Data

The institutional submissions establish the 2026-27 operating budgets for intercollegiate athletic programs and certify to the Coordinating Board any student athletic fees that will be charged to cover operating deficits. The University of Arkansas, Fayetteville (UAF), Arkansas State University Mountain Home (ASUMH), Arkansas State University Mid-South (ASUMS), Arkansas State University Newport (ASUN), Cossatot Community College of the University of Arkansas (CCCUA), North Arkansas College (NAC), National Park College (NPC), Phillips Community College of the University of Arkansas (PCCUA), South Arkansas College (SAC), Southeast Arkansas College (SEAC), and the University of Arkansas Community College at Rich Mountain (UACCRM) do not charge an athletic fee and expect to continue to meet their athletic operating costs without assessing a student athletic fee for the 2026-27 fiscal year. The following institutions have set their athletic fee per student semester credit hour (SSCH) as follows:

<u>Inst.</u>	<u>2025-26 Athletic Fee</u>	<u>2026-27 Athletic Fee</u>
ASUJ	\$23.00	\$23.00
ATU	\$21.63	\$21.63

ASUTR	\$2.00	\$2.00
NWACC	\$5.00	\$5.33
SAUT	\$11.00	\$12.00

A summary chart of 2026-27 athletic certification data from each institution is shown on page -3. The summary chart, excluding the University of Arkansas, Fayetteville (UAF), indicates that 24.5 percent of athletic program budgets are being funded from student athletic fees, while 10.4 percent comes from athletic generated revenues. Transfers from educational and general funds contribute 20.8 percent of the funding. There are three institutions budgeting for the additional transfer from educational and general funds for Women's Athletic Sports Programs. This accounts for 4.3% of budgeted revenues. The remaining 40.0 percent is funded from other auxiliary profits, endowment and investment income, contributions and other athletic income.

Other than the educational and general transfer funds transfer, the use of auxiliary profits is the most sensitive source of income for financing athletic budgets. Other auxiliary profits are included as a revenue source for intercollegiate athletic programs; however, the use of auxiliary funds to support intercollegiate athletic programs should not undermine sound fiscal management of those auxiliary enterprises. A breakdown of the various auxiliary profits utilized to fund the athletic budgets is included on page 7-4.

The following resolution is presented for the board's consideration:

RESOLVED, That the Arkansas Higher Education Coordinating Board accepts the Certification of Intercollegiate Athletic Revenues and Expenditures Budgeted for 2026-27 as prepared in accordance with Arkansas Higher Education Coordinating Board uniform accounting standards and definitions for athletic reporting.

**RECOMMENDATION FOR DISTRIBUTION OF PRODUCTIVITY FUNDING FOR
STATE-SUPPORTED INSTITUTIONS OF HIGHER EDUCATION
2027-28 FISCAL YEAR**

Background

A.C.A. §6-61-234 directs the Arkansas Higher Education Coordinating Board (AHECB) to adopt policies developed by the Arkansas Division of Higher Education (ADHE) necessary to implement a productivity-based funding model for state-supported institutions of higher education. That language reads as follows:

“(a) (1) (A) The Arkansas Higher Education Coordinating Board shall adopt policies developed by the Division of Higher Education necessary to implement a productivity-based funding model for state-supported institutions of higher education.”

Productivity-based funding is a mechanism to align institutional funding with statewide priorities for higher education by incentivizing progress toward statewide goals. At the same time, such models encourage accountability to students and policymakers by focusing on the success of students through the achievement of their educational goals. The new funding model is built around a set of shared principles developed by institutions and aligned with goals and objectives for post-secondary attainment in our state.

At its October 27, 2017 meeting, the AHECB approved the productivity funding model policies for the two-year colleges and universities and made amendments to these policies for unintended consequences in a special meeting on May 24, 2019. The policies were developed in conjunction with presidents and chancellors after meetings and revisions. The AHECB shall use the productivity-based funding model as the mechanism for recommending funding for applicable state-supported institutions of higher education. According to A.C.A. §6-61-234, the productivity-based funding model shall not determine the funding needs of special units such as a medical school, division of agriculture, or system offices. These special units are known as non-formula entities and ADHE staff will review justification requests submitted by the non-formula entities and prepare funding recommendations for Fiscal Year 2027-28 based upon those requests.

Productivity Funding Distribution Recommendations for the 2027-28 Fiscal Year

The distribution recommendations are based upon the productivity funding formula policies approved by the AHECB in October 2017 and amended by the AHECB in May 2019.

The two-year college and university productivity funding models have been calculated using academic year 2023 through academic year 2025 student data as well as academic year 2022 through academic year 2024 expenditure data reported to and published by the Integrated Postsecondary Education Data System (IPEDS). The productivity funding model calculations represent a total productivity increase of 4.87% for two-year colleges and universities. Productivity funding distribution policy; however, dictates that recommendations will be capped at no more than 2.00% in any given year. This 2.00% supports the recommendation for state funding of institutions of higher education at \$597,697,745 in 2027-28.

As part of the productivity funding formula, institutions are only allowed to retain a portion of their funding increase from the prior year. This amount is up to 2% of their Base Level revenue in the prior year. The remaining funds are considered one-time incentive funding and would be redistributed in the following year to reduce the need for additional state funds to meet the productivity funding recommendation. This amount for FY2028 is \$2,750,455.

For the **universities**, an increase in funding is recommended for those institutions with productivity increases for a total change in university funding of \$8,791,370. In addition to this new funding, institutions with productivity declines will have an amount reduced and then reallocated to the institutions who showed an increase. The 3 four-year universities with productivity declines all hit the 5% stop-loss level for the FY2027-2028 recommendation. This resulted in the overall amount of reallocation dollars being reduced to \$0 as based on the FY2026-27 base funding levels, any reduction would put all 3 institutions at greater than a 5% reduction from the FY2022-23 funding level for the upcoming fiscal year per the current distribution policy. This is shown in the data in Table 08C.

For the **two-year colleges**, an increase in funding is recommended for those institutions with productivity increases for a total change in two-year college funding of \$2,928,194. In addition to this new funding, \$244,361 was reallocated from 4 institutions to 18 of the other two-year colleges.

This distribution recommendation results in a total request for new general revenue funds of \$8,969,108.

ADHE Executive Staff recommend that the Arkansas Higher Education Coordinating Board approve the following resolution.

RESOLVED, That the Arkansas Higher Education Coordinating Board adopts the recommendation for distribution of productivity funding to the Arkansas public institutions of higher education in the 2027-28 fiscal year as included in Table 08B.

FURTHER RESOLVED, That the Commissioner of the Arkansas Division of Higher Education is authorized to prepare appropriate documents for transmission to the Governor and the General Assembly of the 2027-28

productivity funding distribution recommendation of the Arkansas Higher Education Coordinating Board.

FURTHER RESOLVED, That should any errors of a technical nature be found in this recommendation, the Commissioner of the Arkansas Division of Higher Education is authorized to make appropriate corrections consistent with the policy established by the Board's action on these recommendations.

**RECOMMENDATIONS FOR EDUCATIONAL AND GENERAL OPERATIONS
STATE-SUPPORTED INSTITUTIONS OF HIGHER EDUCATION
FISCAL YEAR 2027-28**

Background

A.C.A. §6-61-234 (Act 148 of 2017) directs the Arkansas Higher Education Coordinating Board (AHECB) to adopt policies developed by the Arkansas Division of Higher Education (ADHE) necessary to implement a productivity-based funding model for state-supported institutions of higher education. That language reads as follows:

“(a) (1) (A) The Arkansas Higher Education Coordinating Board shall adopt policies developed by the Division of Higher Education necessary to implement a productivity-based funding model for state-supported institutions of higher education.”

Productivity-based funding is a mechanism to align institutional funding with statewide priorities for higher education by incentivizing progress toward statewide goals. At the same time, such models encourage accountability to students and policymakers by focusing on the success of students through the achievement of their educational goals. The new funding model is built around a set of shared principles developed by institutions and aligned with goals and objectives for post-secondary attainment in our state.

At its October 27, 2017 meeting, the AHECB approved the productivity funding model policies for the two-year colleges and universities. The policies were developed in conjunction with presidents and chancellors after meetings and revisions. The AHECB shall use the productivity-based funding model as the mechanism for recommending funding for applicable state-supported institutions of higher education. According to A.C.A. §6-61-234, the productivity-based funding model shall not determine the funding needs of special units such as a medical school, division of agriculture, or system offices. These special units are known as non-formula entities and ADHE staff reviewed justification requests submitted by the non-formula entities and prepared funding recommendations for Fiscal Year 2027-28 based upon those requests.

Operating Funding Recommendations for the 2027-28 Fiscal Year

The operating recommendations are based upon the productivity funding formula policies approved by the AHECB in October 2017 as well as requests submitted by the non-formula entities.

For the universities, an increase in funding is recommended for those institutions with productivity increases for a total change in university funding of \$8,791,370.

For the two-year colleges, an increase in funding is recommended for those institutions with productivity increases for a total change in two-year college funding of \$2,928,194.

For the **non-formula entities**, the recommendation is for a 3.6% increase based on the HEPI index and a recommendation of full funding of Operations and Program Enhancement requests which combined would require an additional \$33.3 million, of which \$3.6 million would be for the University of Arkansas for Medical Sciences (UAMS).

The individual institutional recommendations for all three types of institutions (Colleges, Universities, and Non-Formula Entities) were determined in the following manner: The general revenue funds were distributed based upon the productivity funding distribution policy adopted by the AHECB in October 2017. The non-formula needs were based on the justifications submitted by the institutions. **The total funding recommendation for 2027-28 for Colleges and Universities is \$10,977,552 in new revenue with \$3,980,692 of that being redistributed from one-time incentive funds. The total recommendation for 2027-2028 for the Non-Formula Entities is \$33,304,227 in new revenue.**

In addition to these funding recommendations, an additional appropriation increase of 5% of the formula-based entities funding recommendation has been added to address any changes in disbursements for Educational Excellence Trust Fund revenues or any other state funding adjustments. This increase totals \$25,603,610 for the **universities** and \$9,247,534 for the **two-year colleges**.

ADHE Executive Staff recommend that the Arkansas Higher Education Coordinating Board approve the following resolution.

RESOLVED, That the Arkansas Higher Education Coordinating Board adopts the recommendations for state funding of the educational and general operations of Arkansas public institutions of higher education in the 2027-28 fiscal year as included in Tables 03A, 03B, 03C, and 04D.

FURTHER RESOLVED, That the Commissioner of the Arkansas Division of Higher Education is authorized to prepare appropriate documents for transmission to the Governor and the General Assembly of the 2027-28 operating recommendations of the Arkansas Higher Education Coordinating Board.

FURTHER RESOLVED, That should any errors of a technical nature be found in these recommendations, the Commissioner of the Arkansas Division of Higher Education is authorized to make appropriate corrections consistent with the policy established by the Board's action on these recommendations.

**PERSONAL SERVICES RECOMMENDATIONS FOR
NON-CLASSIFIED PERSONNEL
2027-29 BIENNIUM**

A.C.A. §6-61-209 requires the Arkansas Higher Education Coordinating Board to present a consolidated budget request from the state-supported colleges and universities to the General Assembly and the Governor prior to each regular session of the General Assembly. As part of this process, the quantity of positions, titles, grades, and line-item maximum salaries for all administrative, academic, and auxiliary positions at each Arkansas public institution of higher education have been reviewed, and changes are recommended.

These recommendations, to be effective July 1, 2027, recognize the varying structures and sizes of institutions, while maintaining reasonable consistency among similar positions at institutions. The primary objective of the ADHE staff was to maintain relative uniformity in titles and line-item maximums for similar positions in comparable institutions, while recognizing the varying missions and structures of institutions, priorities of the new biennium, and FTE enrollment growth.

While additional positions and titles were recommended when institutions demonstrated a compelling need, ADHE staff attempted to keep the net growth at a minimum due to concerns over budget shortfalls and the expansion of state services. Salary recommendations for new positions were based on salaries for similar positions previously established at comparable Arkansas institutions. In addition to this review, this recommendation presents additional positional pool recommendations to allow institutions greater flexibility within job roles for promotion and reduce the number of overall positions needed to accommodate these promotional paths.

Institutions of higher education, apart from UAMS, have 27,335 positions currently authorized. For the 2027-29 Biennium, institutions have requested a net new request of 117 positions. ADHE staff recommends the net increase of 117 positions, for a total recommendation of 27,452 positions (a 0.4 percent increase). UAMS currently has 12,874 authorized positions and had a net new position request of 170. ADHE staff recommends this net increase of 170 for a total of 13,044 positions.

Institutions' state funding is not based on the number of approved positions. Additional positions do not generate a need for new funding. If institutional growth necessitates additional positions during the year, positions may be requested from the appropriate pool.

Summaries of authorized, requested, and recommended positions for two-year and four-year institutions are shown in Table 8-A and Table 8-B. Recommended maximum salaries for selected key administrative and academic positions are shown in Table 8-C and Table 8-D.

ADHE Executive Staff recommend that the Arkansas Higher Education Coordinating Board approve the following resolution.

RESOLVED, That the Arkansas Higher Education Coordinating Board adopts the recommended number of positions, titles, grades, and maximum salaries for positions in academic, administrative, and auxiliary positions for the 2027-29 Biennium as recommended by staff.

FURTHER RESOLVED, That the Commissioner of the Arkansas Division of Higher Education is authorized to make technical corrections consistent with Coordinating Board action.

FURTHER RESOLVED, That the Coordinating Board requests the Director to transmit the Personal Services recommendations to the Governor and the General Assembly for consideration for the 2027-29 Biennium.

ASSOCIATE OF APPLIED SCIENCE IN SURGICAL TECHNOLOGY

NORTHWEST ARKANSAS COMMUNITY COLLEGE

The following resolution is presented to the Arkansas Higher Education Coordinating Board for consideration:

RESOLVED, That the Arkansas Higher Education Coordinating Board approves the offering of the Associate of Applied Science in Surgical Technology (CIP 51.0909) at Northwest Arkansas Community College, effective Fall 2027.

FURTHER RESOLVED, That the Coordinating Board instructs the Commissioner of the Arkansas Division of Higher Education to inform the President and Chair of the Board of Trustees of Northwest Arkansas Community College of the approval.

ASSOCIATE OF APPLIED SCIENCE IN SURGICAL TECHNOLOGY
NORTHWEST ARKANSAS COMMUNITY COLLEGE

The administration and Board of Trustees of Northwest Arkansas Community College (NWACC) request approval to offer the Associate of Applied Science in Surgical Technology, effective Fall 2027.

NWACC is accredited by the Higher Learning Commission, and the proposed program is within the role and scope established for the institution. The Northwest Arkansas Community College Board of Trustees approved the program on August 4, 2025.

Program Description

The proposed Associate of Applied Science in Surgical Technology degree will prepare students to function as key members of a surgical team in hospitals and outpatient surgical centers. The 63-credit-hour curriculum requires the completion of 30 credit hours general education prerequisites prior to program admission. Once admitted, the remaining 33 credit hours include specialized surgical technology coursework delivered through classroom instruction, hands-on laboratory training, and supervised clinical experiences.

Students will gain competencies in aseptic technique, surgical instrumentation, perioperative patient care, and operating room procedures. Upon completion, graduates will be eligible to sit for a nationally recognized certification exam, enhancing employability within Arkansas and beyond. The program will be housed within NWACC's School of Health Professions and supported by dedicated laboratory space in the Center for Health Professions, including a simulated surgical suite which will be renovated pending approval.

The college plans to staff the program with a program director and clinical coordinator (two full-time faculty), along with adjunct instructors as needed. Instructional delivery will be supported through existing institutional infrastructure, including learning management systems and simulation technologies. The program will also benefit from donated equipment from a recently closed surgical technology program in the region, allowing NWACC to establish instructional capacity efficiently while maintaining program quality.

Program Need

The proposed program is designed to address a sustained workforce demand for surgical technologists in Northwest Arkansas. Current data indicate approximately 532 surgical technologist positions in the region, exceeding the national average for an area of comparable size and confirming the region as a hub for employment in this field.

Surgical technology provides a viable, middle-wage career pathway, with median annual earnings of approximately \$60,393 in the region.

Employment is projected to grow to 552 positions by 2031, with additional demand driven by workforce attrition, including a significant number of employees approaching retirement age. Job posting activity further demonstrates ongoing demand, with consistent monthly hiring needs and participation from major regional healthcare employers, indicating continued recruitment challenges.

Despite strong demand, access to training remains limited in Northwest Arkansas. The combination of strong employment demand, projected growth, and limited educational access indicates a clear supply-demand gap. The proposed program at NWACC is expected to help address this gap by expanding access to training and producing graduates prepared to meet regional workforce needs.

Program Expenditures and Funding

The proposed Associate of Applied Science in Surgical Technology program will require both initial capital investment and ongoing operational expenditures. Personnel costs involve the hiring of two full-time faculty members, including a program director and clinical coordinator, as required for accreditation. Total personnel expenditures, including salaries and benefits, are estimated at approximately \$225,000 annually, with three-year costs exceeding \$675,000. Additional instructional support will be provided by adjunct faculty.

Facility costs include the renovation of existing space within the Center for Health Professions to create a surgical technology laboratory and simulated operating room environment. Renovation costs are estimated at approximately \$129,543 and include installation of surgical lighting, sinks, cabinetry, and related infrastructure.

Ongoing program expenses include laboratory supplies, equipment maintenance and replacement, accreditation fees, professional development, and administrative costs. Annual ancillary costs are estimated at approximately \$41,100 and include consumable surgical supplies, sterilization and equipment maintenance, biohazard disposal, and recruitment expenses. Accreditation-related costs associated with ARC/STSA and CAAHEP standards will also be incurred.

Funding for the program will be derived primarily from student tuition and fees, including differential tuition for technical coursework, laboratory fees, health professions technology fees, and required insurance fees. Revenue projections are based on an initial cohort of 20 students annually. The college has committed to supporting the program through its institutional budgeting process beginning in fiscal year 2027-2028, with no reliance on state general revenue increases.

Additional support will be provided through in-kind contributions, including donated surgical technology equipment from Northwest Technical Institute, as well as anticipated donations and partnerships with local healthcare providers and industry. These

combined funding sources will support program implementation and long-term sustainability.

Program Duplication

Seven public institutions offer a similar Associate of Applied Science in Surgical Technology.

- Arkansas State University Newport
- North Arkansas College
 - Also offered off-campus at Washington Regional Medical Center in Fayetteville, AR
- Ozarka College
- South Arkansas College
- Southeast Arkansas College
- University of Arkansas Fort Smith
- University of Arkansas Pulaski Technical College

Program Learning Outcomes

Upon successful completion, a student will be able to:

1. Demonstrate entry-level competency in the cognitive, psychomotor, and affective learning domains required of a surgical technologist.
2. Apply principles of aseptic technique and infection control to maintain a safe environment and reduce the risk of surgical site infections.
3. Integrate knowledge of anatomy, physiology, microbiology, and surgical procedures to anticipate the needs of the surgical team during operative cases.
4. Prepare, organize, and manage surgical instrumentation, equipment, and supplies for operative procedures in a variety of surgical specialties.
5. Perform the duties of first scrub, second scrub, and assistant circulator according to nationally accepted standards of practice.
6. Demonstrate effective communication and collaboration with patients, families, surgeons, anesthesia providers, nurses, and other members of the healthcare team.
7. Incorporate critical thinking and problem-solving skills when adapting to intraoperative emergencies and unanticipated events.
8. Exhibit professional and ethical behavior consistent with the Surgical Technologist's Code of Ethics and employer expectations.
9. Demonstrate patient-centered care by providing compassion, cultural sensitivity, respect for patient rights, and dignity throughout the perioperative experience.
10. Demonstrate readiness for national certification and entry-level employment by meeting or exceeding outcomes required by ARC/STSA and CAAHEP.

SOUTHERN ARKANSAS UNIVERSITY MAGNOLIA

The following resolution is presented to the Arkansas Higher Education Coordinating Board for consideration:

RESOLVED, That the Arkansas Higher Education Coordinating Board approves the offering of the Master of Science in Nursing in Nursing: Family Nurse Practitioner (Rural Health) (CIP 51.3805) at Southern Arkansas University Magnolia, effective Fall 2027.

FURTHER RESOLVED, That the Coordinating Board instructs the Commissioner of the Arkansas Division of Higher Education to inform the Chancellor of Southern Arkansas University Magnolia and the Chair of the Board of Trustees of the Southern Arkansas University System of the approval.

**MASTER OF SCIENCE IN NURSING IN NURSING:
FAMILY NURSE PRACTITIONER (RURAL HEALTH)**

SOUTHERN ARKANSAS UNIVERSITY MAGNOLIA

The administration of Southern Arkansas University Magnolia (SAUM) and the Board of Trustees of the Southern Arkansas University System request approval to offer the Master of Science in Nursing in Nursing: Family Nurse Practitioner (Rural Health), effective Fall 2027.

SAUM is accredited by the Higher Learning Commission, and the proposed program is within the role and scope established for the institution. The Southern Arkansas University System Board of Trustees approved the program on November 21, 2025.

Program Description

The proposed, fully online Master of Science in Nursing program with Family Nurse Practitioner (Rural Health) concentration is designed to prepare registered nurses for advanced practice roles as primary care providers, equipping graduates with the knowledge and clinical competencies necessary to deliver comprehensive, evidence-based care across the lifespan.

The 44 credit-hour curriculum includes core nursing coursework and specialized Family Nurse Practitioner content, with an emphasis on rural health disparities, population health, healthcare systems, and policy. Instruction will be delivered through online coursework supported by 540 hours of in-person clinical training and simulation experience in areas such as women's health, pediatrics, adult/geriatric care, and primary care. The proposed program is purposefully designed to meet the needs of working registered nurses, providing flexibility while permitting clinical training to be completed at approved sites.

The MSN-FNP program builds upon SAUM's established Bachelor of Science in Nursing (BSN) program and leverages existing faculty expertise, clinical training infrastructure, and regional healthcare partnerships. One additional tenure-track faculty member will be hired to support program implementation, while current nursing faculty will contribute to both didactic and clinical instruction. Graduates of the program will be eligible to sit for national certification examinations and pursue licensure as Advanced Practice Registered Nurses (APRNs).

Program Need

The proposed program addresses need for advanced practice registered nurses in Arkansas, particularly in rural and underserved areas. Labor market data indicate that the state currently employs approximately 3,648 nurse practitioners, a figure that exceeds the national average for a state of comparable size, demonstrating Arkansas' reliance on this occupation within its healthcare workforce.

Projected growth further underscores this need. Employment is expected to increase to 4,512 positions by 2034, representing a 23.7 percent growth rate, which significantly exceeds average occupational growth and reflects increasing demand for primary care providers. This growth is driven by several factors, including population aging, increased prevalence of chronic conditions, and expansion of healthcare services. The need is further intensified by workforce attrition, with a substantial number of nurse practitioners approaching retirement age.

This workforce need is particularly acute in rural South Arkansas, where multiple counties experience primary care shortages and limited access to healthcare services. Employer surveys conducted by SAUM confirm difficulties in recruiting qualified providers and highlight strong demand for Family Nurse Practitioners, particularly in family medicine, geriatrics, and chronic disease management. The proposed program's rural health focus directly aligns with these needs and is designed to prepare graduates to practice in underserved areas where access to care is limited.

Nurse practitioners represent a critical component of the healthcare workforce due to their ability to deliver high-quality, cost-effective care and expand access to services. Median wages of approximately \$113,651 annually in Arkansas further demonstrate the value of the profession and support strong student interest in advanced nursing education. Despite this demand, access to MSN-FNP programs remains limited in southern Arkansas, and the proposed program will create a regional pipeline of qualified providers to help address ongoing workforce shortages.

Program Expenditures and Funding

The proposed MSN-FNP program will require a combination of personnel, instructional, and operational expenditures, supported primarily through tuition revenue and institutional resources. Personnel costs include the hiring of one additional full-time faculty member, with total annual compensation estimated at approximately \$123,500. Additional administrative expenses include partial funding for an administrative assistant, graduate coordinator stipend, and department chair support.

Initial capital expenditures include approximately \$115,000 for simulation equipment and diagnostic tools to support advanced clinical training. Ongoing annual costs include approximately \$15,000 for library resources, \$10,000 for telehealth and electronic health record software, \$5,000 for distance education technologies, and \$5,000 for faculty professional development. Accreditation costs are estimated at \$2,000 initially, with recurring annual fees of approximately \$600.

Funding for the program will be derived primarily from student tuition and fees. Tuition is set at \$329 per credit hour, with projected revenue of approximately \$209,500 in the first year, increasing to approximately \$352,798 annually in subsequent years as enrollment stabilizes. Additional revenue will be generated through application fees, lab fees, and course-specific fees totaling approximately \$90 per credit hour. The university will also

support the program through internal budget allocations and reallocation of existing faculty resources, allowing current faculty to transition into graduate instruction roles.

Program Duplication

Six Arkansas public universities currently offer master's degrees in nursing. Two of these universities, Arkansas State University and Henderson State University, offer programs most similar to the proposed program with an embedded concentration in Family Nurse Practitioner. Other institutions offer similar pathways to Family Nurse Practitioner through different award types and degree levels.

- Arkansas State University
 - Master of Science in Nursing in Nursing with Family Nurse Practitioner concentration (online)
 - Postmaster Certificate in Family Nurse Practitioner (online)
- Arkansas Tech University
 - Master of Science in Nursing in Nursing (online)

Program Learning Outcomes

Upon successful completion, a student will be able to:

1. Integrate concepts from nursing, biological, behavioral, and social sciences to develop and assess evidence-based care for diverse populations, including rural and underserved communities.
2. Employ advanced clinical judgment and decision-making, including health assessment, diagnostic reasoning, and therapeutic interventions in managing individuals and families across all ages, with inclusion of those in resource-limited rural areas.
3. Analyze social determinants of health, cultural influences, and health disparities to guide practice across rural health and underserved areas.

4. Translate and share evidence-based research findings to improve health outcomes, with a focus on rural health innovations and practice models.
5. Design, implement, and evaluate quality improvement strategies that enhance safety and patient-centered, compassionate care outcomes across diverse clinical settings, including critical access and rural health systems.
6. Integrate advanced communication skills, collaborative care principles, and system-based knowledge to foster effective interprofessional partnerships that improve care coordination, strengthen team-based decision-making, and optimize health outcomes across rural health and underserved areas.
7. Evaluate healthcare policy, economics, and regulatory environments to support rural health initiatives, workforce development, and healthcare access.
8. Integrate advanced informatics principles and emerging healthcare technologies to enhance clinical decision-making, optimize care delivery systems, and ensure the ethical management of data to improve health outcomes across rural health and underserved areas.
9. Incorporate ethical reasoning and professional values into evidence-based practice to provide culturally responsive care for vulnerable rural populations.
10. Synthesize advanced professional standards and leadership theories to guide lifelong learning, foster professional resilience and accountability, and advance nursing leadership within complex healthcare systems and across rural health and underserved areas.

**ASSOCIATE OF APPLIED SCIENCE IN ENVIRONMENTAL MANAGEMENT
(MUNICIPAL)**

SOUTHERN ARKANSAS UNIVERSITY TECH

The following resolution is presented to the Arkansas Higher Education Coordinating Board for consideration:

RESOLVED, That the Arkansas Higher Education Coordinating Board approves the offering of the Associate of Applied Science in Environmental Management (Municipal) (CIP 15.0506) at Southern Arkansas University Tech, effective Fall 2027.

FURTHER RESOLVED, That the Coordinating Board instructs the Commissioner of the Arkansas Division of Higher Education to inform the Chancellor of Southern Arkansas University Tech and the Chair of the Board of Trustees of the Southern Arkansas University System of the approval.

**ASSOCIATE OF APPLIED SCIENCE IN ENVIRONMENTAL MANAGEMENT
(MUNICIPAL)****SOUTHERN ARKANSAS UNIVERSITY TECH**

The administration of Southern Arkansas University Tech (SAUT) and the Board of Trustees of the Southern Arkansas University System request approval to offer the Associate of Applied Science in Environmental Management (Municipal), effective Fall 2027.

SAUT is accredited by the Higher Learning Commission, and the proposed program is within the role and scope established for the institution. The Southern Arkansas University System Board of Trustees approved the program on June 27, 2025.

Program Description

The proposed fully online Associate of Applied Science in Environmental Management (Municipal) program is a 60-credit-hour, workforce-focused degree intended to prepare students for careers in municipal utilities and environmental services, with technical emphasis in water treatment and distribution, wastewater treatment, industrial pretreatment, and solid waste management, along with supporting coursework in science, safety, and compliance. Graduates will be fully prepared to handle the operation and maintenance of municipal environmental systems, ensure regulatory compliance, assess performance, and deliver clear communications.

The proposed program directly supports the mission of SAUT by advancing workforce development, strengthening partnerships with industry, and providing accessible, career-focused education. Through its alignment with the Arkansas Environmental Training Academy's statewide training mission, the program promotes strategic initiatives centered on economic development, industry engagement, and expanding educational access, particularly through its fully online delivery format designed for working adults across Arkansas. Instruction will be provided by existing faculty who hold advanced industry licenses and certifications in water, wastewater, industrial wastewater, OSHA, hazardous materials, and solid waste.

Program sustainability is supported by minimal startup costs, reliance on existing faculty and institutional resources, and no requirement for additional facilities or major capital expenditures.

Program Need

Labor market data provided by ADHE indicate a substantial employment base and sustained demand in Arkansas for occupations that support critical public infrastructure functions, including water treatment, wastewater operations, distribution systems,

industrial pretreatment, and solid waste management. The aligned occupations total approximately 2,867 jobs in 2026, with an estimated 258 annual openings projected by 2031. The largest related occupation, Water and Wastewater Treatment Plant and System Operators, accounts for 2,230 jobs and approximately 203 annual openings, aligning directly with the proposed program's municipal workforce focus.

Employer demand is further reflected in job posting activity. From February 2025 to February 2026, Arkansas employers generated 1,434 total postings (approximately 620 unique postings) across 199 companies. Frequently posted job titles, such as wastewater operators, water/wastewater operators, and sanitation supervisors, align with the competencies the proposed program is designed to deliver.

Finally, the data indicates a supply gap; there were zero education program completions in 2024 and no regional training providers producing completers under CIP 15.0506. Median wage earnings across aligned occupations are approximately \$20.31 per hour (\$42,200 annually), with higher wages available in advanced roles.

Program Expenditures and Funding

Since the proposed program is being offered completely online, minimal start-up and operating costs are anticipated. Existing instructional capacity will be leveraged through SAUT's training division, Arkansas Environmental Training Academy (AETA). Faculty currently employed full-time in AETA will teach program courses and receive additional compensation at the adjunct rate of \$700 per credit hour, with estimated instructional costs of \$10,500 in Year One and \$23,100 in Years Two and Three as enrollment increases.

SAUT anticipates no new facility, equipment, or library costs, with the only additional expense being a one-time HLC desk review fee of \$1,125. Program funding is expected to come entirely from student tuition and fees, with tuition of \$118 per credit hour. Projected revenue for Year One is \$32,530, \$121,250 for Year Two, and \$153,880 for Year Three, totaling \$307,660 over the first three years.

Program Duplication

No similar active associate-level programs in Environmental Management (Municipal) are currently offered in Arkansas.

Program Learning Outcomes

Upon successful completion, a student will be able to:

1. Operate and maintain municipal water, wastewater, and solid systems using appropriate treatment processes, distribution methods, disposal, and monitoring techniques.
2. Apply environmental regulations and compliance standards to ensure safe and effective operation of municipal and industrial systems.

3. Demonstrate safe work practices, including hazard recognition, use of personal protective equipment, and emergency response procedures.
4. Analyze and troubleshoot system operations using data, laboratory results, and process control methods.
5. Communicate effectively and perform professional responsibilities in support of public works, environmental compliance, and utility operations.

ADHE Executive Staff Recommendation

RESOLVED, That pursuant to A.C.A. §6-61-301, the Arkansas Higher Education Coordinating Board grants initial certification to the institutions listed on pages 1 - 2 to offer the specified degree programs to Arkansas residents for a period of three years through December 31, 2029.

FURTHER RESOLVED, That the Commissioner of the Arkansas Division of Higher Education is authorized to notify the administration of said institutions that the certification of the degree programs requires the institution to notify the Arkansas Division of Higher Education whenever any of the following occurs: (1) major reorganization of the controlling body; (2) changes in the charter or incorporation documents of the institution; or (3) changes in the method of operation of the institution's programs in Arkansas.

FURTHER RESOLVED, That the Coordinating Board instructs the Commissioner to notify the administration of said institutions that any advertisement or published materials using the name of the Arkansas Higher Education Coordinating Board or the Arkansas Division of Higher Education must contain the following statement:

Arkansas Higher Education Coordinating Board certification does not constitute an endorsement of any institution or program. Such certification merely indicates that certain criteria have been met as required under the rules and regulations implementing institutional and program certification as defined in A.C.A. §6-61-301.

ACADEMIC PROGRAM REVIEW AY2026

Arkansas Code §6-61-214 requires that the Arkansas Higher Education Coordinating Board (AHECB) review existing academic programs at Arkansas public colleges and universities to identify certificate and degree programs not meeting minimum standards of quality and to establish schedules for either resolving these concerns or removing the programs from the AHECB approved program inventory.

The existing academic program review policies were adopted in 1988 and revised in 1995, 1998, 2008 and last updated in January 2025. Institutions have been submitting program reviews for more than 35 years.

Arkansas colleges and universities are required to employ external consultants to review all certificate and degree programs over a period of 7-10 years with the findings from the reviews reported to the Coordinating Board. Accredited, licensed and state certified programs follow the usual review practices and the schedule of the accrediting/approval body.

A quality program review, or self-study, describes the status of a program, assesses program strengths, identifies areas for improvement, and provides strategic direction on program goals and specific plans to achieve those goals. The external reviewers' written report must include a summary of each area examined and should provide examples that document the conclusions. This summary report does not include a recommendation to AHECB on program continuation or program deletion.

The following tables summarize the reports submitted to ADHE during Academic Year 2025-2026.

**AY2026 ACADEMIC PROGRAM REVIEW
RECOMMENDATIONS OF NOTICE**

The following resolution is presented to the Arkansas Higher Education Coordinating Board for consideration:

RESOLVED, That the Arkansas Higher Education Coordinating Board approves the Arkansas Division of Higher Education recommendation of notice for potential removal from the AHECB approved program inventory.

FURTHER RESOLVED, That the Coordinating Board instructs the Commissioner of the Arkansas Division of Higher Education to inform the President and Chief Academic Officer of each institution which programs are placed on notice.

**AY2026 ACADEMIC PROGRAM REVIEW
RECOMMENDATIONS OF NOTICE**

Arkansas Code §6-61-214 requires that the Arkansas Higher Education Coordinating Board (AHECB) review existing academic programs at Arkansas public colleges and universities to identify certificate and degree programs not meeting minimum standards of quality and to establish schedules for either resolving these concerns or removing the programs from the AHECB approved program inventory.

Arkansas colleges and universities are required to employ external consultants to review all certificate and degree programs over a period of 7-10 years with the findings from the reviews reported to the Coordinating Board. Accredited, licensed and state certified programs follow the usual review practices and the schedule of the accrediting/approval body.

Following the comprehensive program review process for existing academic programs, the Arkansas Department of Higher Education (ADHE) staff has identified a list of certificate and degree programs that are currently out of compliance with the established policy requirements. These programs have not submitted the required evidence and documentation within the 7-10 year period, outlined in the policy.

Therefore, pursuant to Section 4 of the "Recommendations to Coordinating Board" within the aforementioned policy, the programs listed below are hereby placed on notice for potential removal from the AHECB approved program inventory. ADHE is committed to working with institutions to address these concerns and maintain the highest quality of academic programs across Arkansas.

These programs will be subject to a two-year notice period, during which the respective institutions are expected to bring the programs into compliance with the policy requirements. At the conclusion of this two-year period, any programs that continue to not meet the minimum standards will be recommended for deletion from the approved program inventory.

Please be advised that, as per policy, state general revenue funds may not be used for the operation of a program beyond the termination deadline set by the Coordinating Board. Furthermore, ADHE will not include Student Semester Credit Hours (SSCHs) generated by major courses of programs removed from the approved program inventory in its funding formula calculations.

Arkansas Higher Education Coordinating Board Recommendation for Initial Authorization of Concurrent Enrollment Programs

In accordance with the Concurrent Enrollment policy, an institution with Arkansas Higher Education Coordinating Board initial authorization for the Concurrent Enrollment Program can offer courses for concurrent enrollment for a period of up to seven (7) years. Institutions that wish to continue to offer courses for concurrent enrollment must request AHECB reauthorization.

The Concurrent Enrollment Policy outlines clear criteria for initial authorization, focusing on the quality of instruction, student support, and institutional oversight. The policy requires institutions seeking reauthorization to provide documentation demonstrating:

- **Current Memorandum of Understanding (MOU):** Institutions submitted for review an example Memorandum of Understanding (MOU) template.
- **Current List of Concurrent Courses:** Institutions provided a comprehensive list of all concurrent courses offered, including course numbers, ACTS numbers (if applicable), and prerequisites.
- **Assurance of Course Content:** A detailed description of the process for ensuring concurrent course content meets the academic unit's requirements at the college or university.
- **Current List of Concurrent Instructors:** A list of all concurrent instructors, along with a statement confirming they meet the AHECB and academic department's minimum requirements for instruction.
- **Grading and Recording Procedures:** An explanation of how grades are awarded and recorded with the college or university Registrar, ensuring consistency with on-campus courses.
- **Student Success Data Analysis:** An analysis of student success, persistence, and retention data from three years prior to the reauthorization request, demonstrating the effectiveness of concurrent credit courses.

Each institution recommended for initial authorization has submitted the required documentation, which has been reviewed by a three-member team selected by the Arkansas Division of Higher Education (ADHE). The positive evaluations from these reviews form the basis of this recommendation. ADHE recommends to AHECB for continued authorization for the following institutions concurrent enrollment program:
