423 Main Street, Suite 400, Little Rock, Arkansas 72201 (501) 371-2000

ARKANSAS HIGHER EDUCATION COORDINATING BOARD

REGULAR QUARTERLY MEETING

Arkansas Department of Higher Education
Five Main Place Building
423 Main Street
Little Rock, AR 72201

SCHEDULE

Friday, October 31, 2014

Finance Committee
8:30 a.m.

Academic Committee
9:15 a.m.

Convene Coordinating Board Meeting
***10:00 a.m.**

*Time approximate. Meeting will begin at the end of the Academic Committee meeting.

ARKANSAS HIGHER EDUCATION COORDINATING BOARD
REGULAR QUARTERLY MEETING

Friday, October 31, 2014
10:00 a.m.

Arkansas Department of Higher Education

AGENDA

I. EXECUTIVE

*1. Approve Minutes of the July 25, 2014 Regular Meeting

*2. Appointment of Nominating Committee (Chairman Bob Crafton)

*3. Approval of 2015 Coordinating Board Meeting Schedule (Director Shane Broadway)

4. Agency Updates (Director Broadway)

*5. University of Arkansas System
Establishment of New Online Campus: eVersity (Director Broadway)

6. Report on Academic Program Deletions (Mr. Rick Jenkins)

7. Annual Report on Institutional Certification (Ms. Alana Boles)

8. Policy Clarification: Concurrent Enrollment- AHECB 5.16 (Ms. Cynthia Moten)

9. Policy Clarification: Institutional Certification -ICAC Rules, AHECB 5.2 (Ms. Moten)

II. FINANCE

*10. Economic Feasibility of Loan Issue for the University of Arkansas – System
(Ms. Chandra Robinson)

*11. Economic Feasibility of Bond Issue for the University of Central Arkansas
(Ms. Robinson)

12. Bond/Loan Feasibility Update (Ms. Tara Smith)

13. Maintenance Report (Ms. Smith)

14. Report of 2013-14 Intercollegiate Athletic Revenues and Expenditures (Mr. Jake Eddington)

III. ACADEMIC

*15. University of Arkansas - Fort Smith
Role and Scope Change Request to Offer Master of Science in Healthcare Administration (Ms. Moten)

*16. Off Campus Instruction Center: University of Arkansas at Little Rock Degree Center on the Texarkana Campus of the University of Arkansas Community College at Hope/Texarkana (Ms. Moten)

*17. Institutional Certification Advisory Committee: Resolutions (Ms. Boles)

18. Letters of Notification (Ms. Lillian Williams)

19. Letters of Intent (Ms. Williams)

*Action item

FINANCE COMMITTEE

Arkansas Higher Education Coordinating Board
Arkansas Department of Higher Education
Board Room
Friday, October 31, 2014
8:30 a.m.

Finance Committee

Horace Hardwick, Chair
Dr. Charles Allen
Dr. Joe Bennett

REGULAR AGENDA

*15. University of Arkansas - Fort Smith
Role and Scope Change Request to Offer Master of Science in Healthcare Administration (Ms. Cynthia Moten)

*16. Off Campus Instruction Center: University of Arkansas at Little Rock Degree Center on the Texarkana Campus of the University of Arkansas Community College at Hope/Texarkana (Ms. Moten)

CONSENT AGENDA

*17. Institutional Certification Advisory Committee: Resolutions (Ms. Alana Boles)

18. Letters of Notification (Ms. Lillian Williams)

19. Letters of Intent (Ms. Williams)

*Numbers refer to main agenda.

ARKANSAS HIGHER EDUCATION COORDINATING BOARD
Regular Quarterly Meeting
July 25, 2014

Minutes of Meeting

The July 25, 2014, regular meeting of the Arkansas Higher Education Coordinating Board (AHECB) was held at the Arkansas Department of Higher Education (ADHE) in Little Rock, Arkansas. Chairman Hodges called the meeting to order at 8:30 a.m. with all Coordinating Board members present.

Coordinating Board present:
Kaneaster Hodges, Chair
Bob Crafton, Vice Chair
Sarah Argue, Secretary
Dr. Charles Allen
Dr. Joe Bennett
Dr. Olin Cook
Horace Hardwick
Sherrel Johnson
Florine Milligan
Ben Pickard
Greg Revels
Mary Anne Salmon

Department staff present:
Shane Broadway, Director
Cynthia Moten, Associate Director for Academic Programs
Rick Jenkins, Associate Director for Planning and Accountability
Tara Smith, Senior Associate Director for Finance
Janet Lawrence, General Counsel
Jeanne Jones, Program Specialist for Academic Affairs
Lillian Williams, Program Specialist for Academic Affairs
Alana Boles, Program Specialist for Academic Affairs
Chandra Robinson, Program Coordinator for Institutional Finance
Callan Callaway, Program Coordinator for Institutional Finance
Jake Eddington, Program Specialist for Institutional Finance
Brandi Hinkle, Communications Coordinator
Nichole Abernathy, Executive Assistant

Presidents, chancellors, institutional representatives, members of the press, and guests were also present.

Chairman Hodges introduced Director Shane Broadway, for a welcome. Director Broadway welcomed everyone and thanked them for coming to the AHECB meeting.

Chairman Hodges thanked Broadway for his welcome.

Agenda Item No. 1
Approval of Minutes

Greg Revels moved to approve Agenda Item No. 1. Horace Hardwick seconded the motion and the Board unanimously approved.

Agenda Item No. 2
Report of Nominating Committee

The Nominating Committee (Chair- Dr. Joe Bennett, Mary Anne Salmon and Horace Hardwick) recommended the following slate of Board officers for 2014-15 (Horace Hardwick as Vice Chair and Finance Committee Chair).

Dr. Joe Bennett moved to accept the 2014-2015 nominations. Greg Revels seconded the motion and the Board unanimously approved.

Agenda Item No. 3
Agency Updates

ADHE Staff Changes

Director Broadway began by introducing ADHE's new financial aid employee Steven Bell and new receptionist Tracye McKeown. He announced that Angela Lasiter moved from the ADHE finance department to the academic affairs department.

Faculty Performance Report

According to Arkansas law and ADHE policy, each institution is required to perform faculty reviews. ADHE staff is required to monitor faculty evaluation processes adopted at Arkansas public institutions and report annually to the AHECB and Legislative Council, said Broadway. All institutions conducted faculty performance reviews during 2013-14 using a variety of methods including assessment by students, classroom visits by administrators, peer review, and self-evaluation activities.

ADHE Newsletter

ADHE has re-implemented our newsletter. The newsletter will feature institutions and the positive things going on across the state. It will be sent electronically to people throughout Arkansas higher education, the legislature and to other stakeholders, prior to our quarterly board meetings.

April Tornadoes

Director Broadway expressed how proud he was of ADHE staff for their efforts after the Vilonia and Mayflower tornadoes on April 27. There were some unbelievable stories of some of the students affected that lost everything. Some of the students' determination to finish school was very inspiring, he said.

Miss Arkansas

Director Broadway introduced Miss Arkansas, Ashton Campbell. Campbell's platform is higher education, said Broadway and she has set an ambitious goal of talking to 75,000 people this year.

Campbell began by thanking the Coordinating Board for giving her the opportunity to address everyone. Ashton stated that since the age of four, she knew she wanted to go to college, specifically the University of Arkansas. At the age of 14 she started pageants as a way to pay for college. In college, she learned that Arkansas was ranked second in child poverty. That prompted her to focus on education to combat these issues. Her platform is "Aim Higher, Setting Our Sights on Higher Education."

Agenda Item No. 4
Report on 2013 Fall College-Going Rate

The college-going rate measures the proportion of students enrolling in postsecondary education in the fall semester after finishing high school, in most cases, immediately after high school. Since most students enrolling in postsecondary education do so immediately after completing high school, the college-going rate is an indicator of the total proportion that will or did enroll in postsecondary education. The percentage, therefore, reflects the accessibility of higher education as well as students' assessments of the value of attending college when compared to working, entering the military, traveling, or following other pursuits.

The college-going rate (CGR) for all Arkansas public and independent institutions for the 2013 Fall term was 54.3 percent. This represents an increase of 1.4 percentage points from the previous fall term. The share of CGR students at 4-Year Universities has decreased from 33.0 percent to 32.8 percent (a decrease of 0.2 percentage points). The share of CGR students at 2-Year Colleges has increased from 18.2 percent to 18.5 percent (an increase of 0.3 percentage points). The share of CGR students at Private/Independent Institutions has increased from 1.7 percent to 3.0 percent (an increase of 1.3 percentage points). The majority of CGR students attend 4-Year Universities.

Agenda Item No. 5
Clarification of Concurrent Enrollment Policy
Approval of Institutional Plans for
Concurrent Enrollment Program

Arkansas law allows for the enrollment of high school students in college-level courses under certain conditions. Concurrent enrollment allows students to obtain credit toward a high school diploma at the same time they earn college credit.

The concurrent enrollment policy was first approved by the Arkansas Higher Education Coordinating Board (AHECB) in October 1998 with the latest revision in July 2013.

***RESOLVED**, That the Arkansas Higher Education Coordinating Board approves the clarification statements for concurrent enrollment policy implementation effective August 2014.*

FURTHER RESOLVED, That the Arkansas Higher Education Coordinating Board approves the policy amendment on concurrent enrollment effective Fall 2013. The concurrent enrollment policy outlines the guidelines for concurrent program participation; however, Arkansas state-supported colleges and universities are not required to participate in a concurrent enrollment program; and a high school/school district may choose to partner with more than one Arkansas college/university for concurrent courses.

FURTHER RESOLVED, That any Arkansas state-supported college or university that chooses to participate in a concurrent enrollment program with a public school district, private high school, or home-school student shall implement and administer the concurrent program in accordance with the policies of the Arkansas Higher Education Coordinating Board and the rules of the Arkansas State Board of Education. *[An out-of-state college or university that chooses to participate in a concurrent enrollment program with a public school district, private high school, or home-school student must be authorized to offer college courses to Arkansans under Arkansas Code §6-61-301 and AHECB Policy 5.2-ICAC Rules; and shall implement and administer the concurrent program in accordance with the policies of the Arkansas Higher Education Coordinating Board and the rules of the Arkansas State Board of Education.]*

FURTHER RESOLVED, That any college or university that chooses to participate in a concurrent enrollment program must be accredited by the National Alliance of Concurrent Enrollment Partnerships (NACEP) or must be authorized by Arkansas Higher Education Coordinating Board no later than August 1, 2015. A college/university not offering concurrent courses currently must have AHECB's initial authorization for the

institutional concurrent enrollment program prior to the offering of concurrent courses.

FURTHER RESOLVED, That Arkansas state-supported colleges and universities will not participate with Arkansas Early College High School (AECHS) in the delivery of blended AP/concurrent courses for college credit.

FURTHER RESOLVED, That Arkansas state-supported colleges and universities will not participate with AECHS in the offering of single courses for multiple higher education institutions.

FURTHER RESOLVED, That ADHE staff will review, in cooperation with the Arkansas Department of Education, the blended AP/concurrent course offerings throughout the state to determine if these courses are in keeping with the concurrent enrollment policy as outlined in this agenda item.

FURTHER RESOLVED, That the Coordinating Board instructs the ADHE staff to submit an annual report on concurrent course enrollment to the Board which will include institutional data on concurrent course offerings and locations, and could include ADHE Executive Staff Recommendations for policy amendments on the administration, continuance, and funding of the concurrent enrollment program. *[The report also could include proposed clarification statements for concurrent policy implementation.]*

FURTHER RESOLVED, That the Coordinating Board instructs the Director of the Arkansas Department of Higher Education to provide a copy of the amended policy to presidents and chancellors, academic affairs officers, student affairs officers, and institutional research officers at Arkansas state-supported colleges and universities.

Cynthia Moten asked that the Coordinating Board delay consideration of Agenda Item No. 5 until a later date. She explained that numerous questions have been received and the delay will give all parties involved time to respond.

Chairman Hodges said he hopes ADHE will take their time and get this right. This is too critical an issue for students.

Agenda Item No. 6
Operating Recommendations for 2015-17 Biennium

A.C.A. §6-61-224 establishes the process and key components for formula development for funding public institutions of higher education.

At its April 25, 2014 meeting, the Arkansas Higher Education Coordinating Board approved the funding models for the two-year colleges, universities, and the technical centers (former technical institutes merged with universities). These models had been developed in conjunction with presidents and chancellors after meetings and revisions. The funding models were used to develop the comparative needs of Arkansas institutions of higher education in terms of the average funding levels of schools in the SREB region.

> **RESOLVED,** That the Arkansas Higher Education Coordinating Board adopts the recommendations for state funding of the educational and general operations of Arkansas public institutions of higher education in the 2015-17 biennium as included in Tables 1A, 1B, 1C, 1D and 1E.
>
> **FURTHER RESOLVED,** That the Director of the Arkansas Department of Higher Education is authorized to prepare appropriate documents for transmission to the Governor and the General Assembly of the 2015-17 operating recommendations of the Arkansas Higher Education Coordinating Board.
>
> **FURTHER RESOLVED,** That should any errors of a technical nature be found in these recommendations, the Director of the Arkansas Department of Higher Education is authorized to make appropriate corrections consistent with the policy established by the Board's action on these recommendations.

Director Broadway said that because of current discussions regarding the Fast Track Initiative, the two-year institutions might be back during the October fiscal session to look at some of the elements of the two-year model that they want to discuss further and possibly change.

Bob Crafton commented that this is a lot of overwhelming information and asked Ms. Smith what happens next.

Ms. Smith said the ADHE staff will take this in conjunction with several of the next agenda items and provide a budget recommendation to the General Assembly and the Governor for their consideration.

Greg Revels moved to recommend the approval Agenda Item No. 6 to the full Board. Dr. Joe Bennett seconded and the Committee approved. Chairman Kaneaster Hodges voted no.

Agenda Item No. 7
Personal Services Recommendations for Non-Classified Personnel

A.C.A. §6-61-209 requires the Arkansas Higher Education Coordinating Board to present a consolidated budget request from the state-supported colleges and

universities to the General Assembly and the Governor prior to each regular session of the General Assembly. As part of this process, the quantity of positions, titles, and line-item maximum salaries for all non-classified administrative, academic, and auxiliary positions at each Arkansas public institution of higher education have been reviewed, and changes were recommended.

These recommendations, to be effective July 1, 2015, recognize the varying structures and sizes of institutions, while maintaining reasonable consistency among similar positions at institutions. The primary objective of the ADHE staff was to maintain relative uniformity in titles and line-item maximums for similar positions in comparable institutions, while recognizing the varying missions and structures of institutions, priorities of the new biennium, and FTE enrollment growth.

> **RESOLVED,** That the Arkansas Higher Education Coordinating Board adopts the recommended number of positions, titles, and maximum salaries for non-classified positions in academic, administrative, and auxiliary positions for the 2015-17 biennium as recommended by staff.
>
> **FURTHER RESOLVED,** That the Director of the Arkansas Department of Higher Education is authorized to make technical corrections consistent with Coordinating Board action.
>
> **FURTHER RESOLVED,** That the Coordinating Board requests the Director to transmit the Personal Services recommendations to the Governor and the General Assembly for consideration for the 2015-17 biennium.

Director Broadway noted that the process for our review for ADHE staff started in March. Therefore, the institutions had to start their process last year. Basically they have to determine what personnel they will need, three years in advance, he said.

Dr. Joe Bennett asked how Arkansas salaries compared to SREB salaries. Ms. Smith said Arkansas is on the lower end.

Dr. Bennett asked if the legislators were concerned by the salary discrepancy. Director Broadway said that some are concerned on the two-year level. He noted that some high school teachers make more than some two-year instructors and professors.

Greg Revels moved to recommend the approval of Agenda Item No. 7 to the full Board. Sherrel Johnson seconded and the Committee approved.

Agenda Item No. 8
Recommendations for State Funding
of Capital Projects: 2015-17 Biennium

From a total of over $500 million appropriated, the Governor and the 89th General Assembly have provided to date allocations totaling $65.5 million for distribution from the General Improvement Fund (GIF) for various capital projects at institutions of higher education. For the 2009-11 biennium, almost $35 million was distributed for capital projects. For the 2007-09 biennium, almost $59 million was distributed, and $16.5 million was distributed for capital projects in the 2005-07 biennium.

> **RESOLVED,** That the Arkansas Higher Education Coordinating Board adopts the staff recommendations for state funding of capital projects totaling $225.6 million as identified in the accompanying agenda materials.
>
> **FURTHER RESOLVED,** That the Director is authorized to transmit to the Governor and the General Assembly the Board's recommendation for state funding.
>
> **FURTHER RESOLVED,** That the Director is authorized to make such technical adjustments to these recommendations as may be required.

Chairman Hodges inquired about the maintenance funds and how they were used. Ms. Smith explained that ADHE would present the Maintenance Report during the October Coordinating meeting. She also noted that each institution was required to use their funds for critical maintenance across their campus as they deemed necessary. Chairman Hodges requested to see the last Maintenance Report.

Greg Revels asked, regarding the capital project recommendations, what percentage was funded last biennium. Director Broadway said that thanks to Senator Lamoureux and legislators, there was more money allocated to the institutions right off the top.

Florine Milligan said two institutions had made about four or five requests. Is there a particular criteria that isn't being met, she asked. Ms. Smith said many times you will see that institutions will have many requests. We asked them to prioritize their requests. Many times you will see repeat requests because of lack of funding for that project. Therefore the institutions will request from biennium to biennium hoping to get enough funds to complete that project, said Smith.

Greg Revels moved to recommend the approval of Agenda Item No. 8 to the full Board. Dr. Joe Bennett seconded and the Committee approved.

Agenda Item No. 9
Performance Based Funding
(Outcomes-Centered) Measures

Act 1203 of 2011 repealed Arkansas Code § 6-61-223 and amended §6-61-224, §6-61-228, §6-61-229, and §6-61-230. The act directs the Department of Higher Education to develop an outcome-centered component of the funding formula for colleges and universities by December 31, 2011. Beginning in 2013-14, the funding recommendations will be based on the need component of student enrollment and the output components of student success and other performance measures. The proportion of the funding recommendation will begin with five percent based on outcome-centered measures, increasing by five percent each year to reach 25 percent in 2017-18. The Director and staff at the Department of Higher Education worked with the presidents, chancellors and key staff at the universities and colleges, along with the Executive Director and key staff at the Arkansas Association of Two-Year Colleges, to develop the university and college performance measures.

> **RESOLVED,** That the Arkansas Higher Education Coordinating Board adopts the amendment to the performance measures described in this agenda item for outcome-centered components in implementing the provisions of Act 1203 of 2011.

Director Broadway added that ADHE consulted with Complete College America (CCA). Going forward the plan will be to separate those out into a different field (reverse transfer field), so they aren't included in the normal associate degree field and they won't create a spike.

Greg Revels said that should become a non-issue soon, because the spike due to reverse transfer is a one-time thing. Director Broadway said it should be a one-year spike. However, the problem is it affects institutions for three years.

Sherrel Johnson moved to recommend the approval of Agenda Item No. 9 to the full Board. Horace Hardwick seconded and the Committee approved.

Agenda Item No. 10
Certification of Intercollegiate Athletic Budgets
for 2014 - 15

A.C.A. §6-62-805 (Act 366 of 1991) requires each state-supported institution of higher education to annually certify by June 15 to the Arkansas Higher Education Coordinating Board that its intercollegiate athletic program will generate sufficient revenues to meet expenditures or that any athletic deficit will be met by separate institutional board-sanctioned student athletic fees.

Other than the educational and general transfer, the use of auxiliary profits is the most sensitive source of income for financing athletic budgets. Other auxiliary

profits are included as a revenue source for intercollegiate athletic programs; however, the use of auxiliary funds to support intercollegiate athletic programs should not undermine sound fiscal management of those auxiliary enterprises.

> **RESOLVED**, That the Arkansas Higher Education Coordinating Board accepts the Certification of Intercollegiate Athletic Revenues and Expenditures Budgeted for 2014-15 as prepared in accordance with Arkansas Higher Education Coordinating Board uniform accounting standards and definitions for athletic reporting.

Sarah Argue asked why a 20 percent raise was necessary for SAUM. Trey Berry, Provost at SAU replied that SAU has some new facilities. Mainly because of compliance and title nine, they are working on using the fees towards that. He also noted that SAU hasn't had an increase in a while.

Dr. Joe Bennett commented that there are three two-year institutions that don't charge an athletic fee, Cossatot Community College of the University of Arkansas (CCCUA), North Arkansas College (Northark) and Midsouth Community College (MSCC). Tara Smith explained that these are really small athletic programs and generally they have very limited facilities that are dedicated to athletics. Therefore, they might not see a need to charge their students an athletic fee.

Dr. Olin Cook noted that none of the three institutions have a football program.

Dr. Jackie Elliott, President of Northark explained that they do charge a student activity fee, which helps support athletics as well as other organizations.

Ben Pickard asked if Northark covered their scholarships out of their student activity fee. President Elliott said yes.

Dr. Charles Allen moved to recommend the approval of Agenda Item No. 10 to the full Board for consideration. Dr. Joe Bennett seconded and the Committee approved. Kaneaster Hodges voted no.

Agenda Item No. 11
Economic Feasibility of Bond Issue
Arkansas Tech University – Ozark

Arkansas Tech University – Ozark Campus requests approval of the economic feasibility of plans to issue bonds not to exceed $6 million with a term of up to thirty (30) years at an annual interest rate not to exceed 5.0 percent. Proceeds from the bond issue will be used for educational & general (E&G) purposes. Arkansas Tech University Board of Trustees approved this financing at its meeting on May 15, 2014.

> **RESOLVED,** That the Arkansas Higher Education Coordinating Board considers economically feasible plans for Arkansas Tech University – Ozark Campus to issue bonds in an amount not to

exceed $6 million with a term of up to thirty (30) years at an estimated interest rate not to exceed 5.0 percent to construct and equip the Allied Health Building and complete the Roofing Project for the Technology and the Academic Support Building.

FURTHER RESOLVED, That the Director of the Arkansas Department of Higher Education is authorized to notify the President and the Chair of the Board of Trustees of Arkansas Tech University of the Coordinating Board's resolution.

There were no questions.

Dr. Joe Bennett moved to recommend the approval of Agenda Item No. 11 to the full Board. Sherrel Johnson seconded and the Committee approved.

Agenda Item No. 12
Economic Feasibility of Bond Issue
NorthWest Arkansas Community College

Northwest Arkansas Community College requests approval of the economic feasibility of plans to issue bonds not to exceed $3 million with a term of twenty (20) years at an annual interest rate not to exceed 4.0 percent. Proceeds from the bond issue will be used for educational & general (E&G) purposes. The Northwest Arkansas Community College Board of Trustees approved this financing at its meeting on June 9, 2014.

RESOLVED, That the Arkansas Higher Education Coordinating Board considers economically feasible plans for Northwest Arkansas Community College to issue bonds in an amount not to exceed $3 million with a term of twenty (20) years at an estimated interest rate of 4.0 percent to purchase 20 acres of land in Springdale, Arkansas.

FURTHER RESOLVED, That the Director of the Arkansas Department of Higher Education is authorized to notify the President and the Chair of the Board of Trustees of Northwest Arkansas Community College of the Coordinating Board's resolution.

There were no questions.

Horace Hardwick moved to recommend Agenda Item No. 12 to the full Board for consideration. Dr. Charles Allen seconded and the Committee approved.

Agenda Item No. 13
Technical Certificate in Hospitality Management
Arkansas State University – Mountain Home

The technical certificate in Hospitality Management prepares students for entry-level management positions in the front office, reservations, purchasing, dining rooms and marketing at hotels, resorts, and restaurants. Mountain Home High School began offering courses in hospitality, travel and tourism during the 2013-14 school year. This proposed program will provide an opportunity for these local high school students to continue their education in this field of study.

RESOLVED, That the Arkansas Higher Education Coordinating Board approves the Technical Certificate in Hospitality Management (CIP 52.0401, 32 semester credit hours) offered by Arkansas State University - Mountain Home, effective Fall 2014.

FURTHER RESOLVED, That the Coordinating Board instructs the Director of the Arkansas Department of Higher Education to inform the President and Chair of the Board of Trustees of the Arkansas State University System, and the Chancellor of Arkansas State University–Mountain Home of the approval.

There were no questions.

Agenda Item No. 14
Doctor of Occupational Therapy and
Associate of Applied Science in Occupational Therapy Assistant
Arkansas State University – Jonesboro

There are no Occupational Therapy (OT) programs in the northeast or eastern regions. The proposed OT and occupational therapy assistant (OTA) programs are designed to meet the occupational health care needs of persons in these regions and beyond. ASUJ has not been in a position to develop the degree until now, and a consultant was hired to help develop the curricula. Additionally, in October 2013, 300 OT/OTAs were invited to ASUJ for an informational meeting to discuss program development. Area healthcare administrators also were surveyed on employer need and clinical placement support. The results were overwhelming that OT/OTAs are needed and jobs are available. St. Bernard's Medical Center, Poplar Bluff Regional Medical Center, Health Management Associates-Twin Rivers Regional Medical Center, Mid-South Health Systems, Harris Hospital, Health South Rehabilitation Hospital of Jonesboro, NEA Baptist Memorial Hospital are some of the employers that have need for OT/OTAs. A report from the Arkansas Center for Rural Health indicated a need for 600 OTs through 2016.

RESOLVED, That the Arkansas Higher Education Coordinating Board approves the Associate of Applied Science in Occupational Therapy Assistant (CIP 51.0803, 63 semester credit hours) and the Doctor of Occupational

Therapy (CIP 51.2306, 120 semester credit hours), offered by Arkansas State University – Jonesboro, effective Summer 2015.

FURTHER RESOLVED, That the Coordinating Board instructs the Director of the Arkansas Department of Higher Education to inform the President and Chair of the Board of Trustees of Arkansas State University System, and the Chancellor of Arkansas State University – Jonesboro of the approval. Program continuation is contingent on ASUJ obtaining and maintaining program accreditation with the Accreditation Council for Occupational Therapy Education.

There were no questions.

Agenda Items No. 15 & 16
Letters of Notification and Letters of Intent

The Director of the Arkansas Department of Higher Education approved institutional requests for new programs not requiring Board action unless further review is requested by the Board. During this period, the Institutional Certification Advisory Committee received notice of requests from out-of-state institutions to offer degree programs to Arkansas residents. The program notice lists appear in the Letters of Notification on pages 15-1 through 15-87 and in the Letters of Intent on pages 16-1 through 16-26 of the agenda book.

Ms. Moten noted that at the October 31, 2014 Coordinating Board meeting, the Board would be asked to consider a request from the University of Arkansas at Little Rock to establish a degree center at the University of Arkansas Community College at Hope (UACCH), Texarkana campus. This center will allow the university to offer bachelor degree completion programs for the Texarkana students. It would not preclude other universities from offering course work with UACCH, Texarkana campus.

Agenda Item No. 17
Off Campus Instruction Center in Sheridan, Arkansas
College of the Ouachitas

The administration and Board of Trustees of the College of the Ouachitas (COTO) request Arkansas Higher Education Coordinating Board recognition of an off-campus institutional site in Sheridan, Arkansas, to be called the College of the Ouachitas-Grant County Center and commonly referenced as COTO-Sheridan, and Coordinating Board approval to offer remedial/developmental education courses and a limited number of general education core courses and business courses leading to associate degree programs. Since 2009, COTO has offered an Adult Education program in Sheridan that allows Grant County residents to complete the GED. This adult education program will be relocated to the proposed prime location for COTO on Rock Street (directly across from Walmart) which will allow adults completing the GED to enroll in college courses at the same site. There will be modest costs for the renovation of the Sheridan facility. One

administrative staff person will be housed at the Sheridan site, and adjunct faculty will be employed. Annual enrollment for the first year is projected to be 50-100 students and increase to 500 students in 10 years. Tuition will cover the cost of instruction.

RESOLVED, That the Arkansas Higher Education Coordinating Board (AHECB) approves the establishment of the College of the Ouachitas, Grant County Center in Sheridan, Arkansas (COTO-Sheridan), and the offering of selected courses leading to associate degree completion along with the offering of remedial/developmental education courses effective immediately; contingent on off-campus center accreditation or recognition by the Higher Learning Commission.

FURTHER RESOLVED, That the Coordinating Board instructs the Director of the Arkansas Department of Higher Education (ADHE) to inform the President and the Chair of the Board of Trustees of the College of the Ouachitas of the approval.

FURTHER RESOLVED, That the Coordinating Board instructs the ADHE Director to notify the administrations of the College of the Ouachitas and Southeast Arkansas College that the unnecessary duplication of courses is to be avoided; and that the ADHE Director must inform the AHECB of disputes that arise between any Arkansas public colleges and universities regarding off-campus course offerings.

Dr. Stephen Schoonmaker, President of the College of the Ouachitas (COTO), said that they serve a five county region of the state. They are the only two-year college with a service district to include Hot Springs and Clark counties. To date, COTO has only one official campus location and that is in Malvern, Arkansas. Next, President Schoonmaker presented information on the Program Career Center, the Sheridan High School and concurrent enrollment courses, as well as the Grant County Adult Education Program. He noted that Dr. Steve Hilterbran, President of Southeast Arkansas College, has been very supportive of this program.

Chairman Crafton asked when the center would open and would it require additional facilities. President Schoonmaker said that with approval, they are looking at starting in January. He said they have identified a building location that can house both their adult education and college course offerings. The facility will need some work which will prevent them from starting in traditional fall – maybe late fall. They will definitely have a spring semester start.

Florine Milligan moved to recommend Agenda Item No. 17 to the full Board for consideration. Dr. Olin Cook seconded and the Committee approved.

Agenda Item No. 18
Role and Scope Change
Doctor of Education in School Leadership
Arkansas Tech University

In March 2012, a review team visited the ATU campus to evaluate the institution's request for a change in role and scope from an institution offering degrees up to the specialist degree to one that also offers doctoral degrees. The reviewers requested additional information from ATU related to institutional readiness and identified topics for further consideration by the ATU faculty and administrators. Over an 18-month period, ATU addressed the areas identified by the reviewers and the reviewers' final report was favorable to the ATU request. Two Arkansas universities questioned the need for another doctoral degree program in educational leadership.

> **RESOLVED**, That the Arkansas Higher Education Coordinating Board approves the role and scope change for Arkansas Tech University to offer the Doctor of Education in School Leadership (CIP 13.0401, 33 semester credit hours beyond the Educational Specialist) effective August 2014. Program continuation contingent on Higher Learning Commission accreditation/recognition of doctoral degrees at ATU.
>
> **FURTHER RESOLVED,** That the Coordinating Board instructs the Director of the Arkansas Department of Higher Education to inform the President and Chair of the Board of Trustees of Arkansas Tech University of the conditions of the role and scope approval for the offering of doctoral degree programs.

Dr. Robin Bowen, President of Arkansas Tech University (ATU), introduced ATU faculty and supporters that helped with the Doctor of Education in School Leadership proposal; John Watson, Vice President for Academic Affairs, Dr. Mary Gunter, Dean of the Graduate School, Dr. Sherry Field, Dean of the Education Department, Dr. Mona Chadwick, Chair of the Center for Leadership and Learning and Dr. Andrea Martin, Superintendent of Alpena.

President Bowen explained ATU's long history of offering graduate degree programs. She explained that offering this doctorate would be a natural transition and next step in their institution's evolution.

Dr. Olin Cook praised ATU for their hard work in getting to the approval part of this process.

Sarah Argue said that she is excited about this program and a little curious considering UCA is only a few minutes away from ATU. However, she believes the more options there are available, it tends to encourage a lot of creative thinking. She also noted that she appreciated how thoughtfully this proposal had been done.

Dr. Olin Cook moved to recommend Agenda Item No. 18 to the full Board for consideration. Ben Pickard seconded and the Committee approved.

Agenda Item No. 19
Role and Scope Change
Master of Science in Healthcare Administration
University of Arkansas at Fort Smith

In April 2014, the Arkansas Higher Education Coordinating Board (AHECB) approved an amendment to AHECB Policy 5.20 to allow one external review panel to consider the role and scope change request and the new program proposal that required the change request during a single on-campus visit which allows the Arkansas Department of Higher Education (ADHE) staff to present a recommendation on both the role and scope change and new program proposal in one agenda item. In accordance with AHECB policy, the ADHE Executive Staff recommendation on the role and scope designation and initial master's degree for the University of Arkansas-Fort Smith is presented at this Coordinating Board meeting for information and discussion purposes only. AHECB members will vote on the recommended role and scope designation and proposed master's degree program at the next regularly scheduled meeting.

RESOLVED, That the Arkansas Higher Education Coordinating Board approves the role and scope change for the University of Arkansas-Fort Smith to offer the Master of Science in Healthcare Administration (CIP 51.0701, 33 semester credit hours, 100 percent by distance technology) effective January 2015. Program continuation contingent on Higher Learning Commission accreditation/recognition of master's degrees at UAFS.

FURTHER RESOLVED, That the Coordinating Board instructs the Director of the Arkansas Department of Higher Education to inform the President and Chair of the Board of Trustees of the University of Arkansas System, and the Chancellor of the University of Arkansas-Fort Smith of the conditions of the role and scope approval for the offering of master's degree programs. A status report must be submitted to ADHE on how the campus has addressed the basic standards and practices required for graduate instruction as outlined in the reviewers' report.

Dr. Paul Beran, Chancellor at the University of Arkansas at Fort Smith (UAFS), began by thanking ADHE staff for the phenomenal job they did while working with UAFS during the change in role and scope for the master of science in healthcare administration proposal process. Dr. Beran said that UAFS is on the verge of becoming a comprehensive regional university that serves the region and the city in such a way that they are focusing on putting people in the work place and getting them jobs.

Dr. Carolyn Mosley, Dean of the College of Health Sciences stated that she has been very impressed with UAFS's ability to respond to the community. Their hospitals, doctors and community have all asked for this program, she said. She then introduced several health care professionals representing the Fort Smith area that came to support the Master of Science in Healthcare Administration program.

Agenda Item No. 20
Institutional Certification Advisory Committee

Initial Program Certification-Distance Technology

RESOLVED, That pursuant to ACA §6-61-301, the Arkansas Higher Education Coordinating Board grants initial program certification to the institutions listed on pages 2-7 to offer the specified degree programs to Arkansas residents for a period of three years through December 31, 2017.

FURTHER RESOLVED, That the Director of the Arkansas Department of Higher Education is authorized to notify the administration of said institutions that the certification of the degree programs requires the institution to notify the Arkansas Department of Higher Education whenever any of the following occurs: (1) major reorganization of the controlling body; (2) changes in the charter or incorporation documents of the institution; or (3) changes in the method of operation of the institution's programs in Arkansas.

FURTHER RESOLVED, That the Coordinating Board instructs the Director to notify the administration of said institutions that any advertisement or published materials using the name of the Arkansas Higher Education Coordinating Board or the Arkansas Department of Higher Education must contain the following statement:

> Arkansas Higher Education Coordinating Board certification does not constitute an endorsement of any institution or program. Such certification merely indicates that certain criteria have been met as required under the rules and regulations implementing institutional and program certification as defined in Arkansas Code §6-61-301.

Initial Program Certification at Off-Campus Location in Arkansas

New York Institute of Technology, Old Westbury, New York

RESOLVED, That pursuant to ACA §6-61-301, the Arkansas Higher Education Coordinating Board (AHECB) grants initial certification for the offering of the Master of Science in Medical/Health Care Simulation, Master of Science in Neuromusculoskeletal Sciences, and the Doctor of Osteopathic Medicine by the New York Institute of Technology at an off-campus facility leased on the campus of Arkansas State University-Jonesboro. This certification is for a period of three years through December 31, 2017; contingent on New York Institute of Technology obtaining and maintaining institutional accreditation for an off-campus location in Arkansas, and the New York Institute of Technology-College of Osteopathic Medicine obtaining and maintaining programmatic accreditation and hospital approval by the American Osteopathic Association-Commission on Osteopathic College Accreditation to meet professional licensing requirements by the Arkansas State Medical Board

under Arkansas Code 17-91-101. New York Institute of Technology must provide an update on institutional and program accreditation to the Arkansas Department of Higher Education prior to enrolling students in any degree programs. The projected initial enrollment date is August 2016.

FURTHER RESOLVED, That the Director of the Arkansas Department of Higher Education is authorized to notify the administration of New York Institute of Technology, Old Westbury, New York, that the certification to offer degree programs to Arkansas residents requires the institution to notify the Arkansas Department of Higher Education whenever any of the following occurs: (1) major reorganization of the controlling body; (2) changes in the charter or incorporation documents of the institution; (3) changes in the method of operation of the institution's programs in Arkansas; (4) change in home state authorization; (5) a change in institutional accreditation status; or (6) a change in program accreditation or hospital approval status.

FURTHER RESOLVED, That the Coordinating Board instructs the Director to notify the administration of New York Institute of Technology, Old Westbury, New York, that any advertisement or published materials using the name of the Arkansas Higher Education Coordinating Board or the Arkansas Department of Higher Education must contain the following statement:

> Arkansas Higher Education Coordinating Board certification does not constitute an endorsement of any institution or program. Such certification merely indicates that certain criteria have been met as required under the rules and regulations implementing institutional and program certification as defined in Arkansas Code §6-61-301.

New York Institute of Technology, Old Westbury, New York

State Authorization for a New Arkansas Independent Institution of Higher Education
Institutional Planning and Development to Establish an Arkansas Independent College to Offer Medical and Health Education Degrees
Proposed Arkansas Colleges of Health Education-Arkansas College of Osteopathic Medicine, Fort Smith, Arkansas

RESOLVED, That pursuant to ACA §6-61-301, the Arkansas Higher Education Coordinating Board (AHECB) grants certification for institutional planning and development for the establishment of a new Arkansas independent college to be chartered as the Arkansas Colleges of Health Education in Fort Smith, Arkansas, and doing business as the Arkansas College of Osteopathic Medicine, to offer initially the Doctor of Osteopathic Medicine. This certification for institutional planning and development is for a period of three years through December 31, 2017; which requires the Arkansas Colleges of Health Education, d/b/a Arkansas College of Osteopathic Medicine, to obtain pre-accreditation status for the doctoral program in osteopathic medicine prior to the submission of an application for certification to the Arkansas Department of Higher Education (ADHE) to obtain

AHECB authorization/recognition of the proposed Arkansas Colleges of Health Education-Arkansas College of Osteopathic Medicine as an Arkansas independent institution of higher education offering the Doctor of Osteopathic Medicine and other health education degrees.

The application for institutional authorization/program certification must be submitted to ADHE no later than October 1, 2015, for a projected enrollment date of August 2016; or by October 1, 2016, for an enrollment date of August 2017. Prior to admitting or enrolling students in any degree programs, the proposed Arkansas Colleges of Health Education-Arkansas College of Osteopathic Medicine must obtain institutional authorization/recognition as an Arkansas institution of higher education and initial program certification for the Doctor of Osteopathic Medicine from the Arkansas Higher Education Coordinating Board; and must provide written documentation from the Higher Learning Commission of the North Central Association of Colleges and Schools of the status/timeline of institutional accreditation review/approval.

AHECB authorization/recognition is contingent on the proposed Arkansas Colleges of Health Education-Arkansas College of Osteopathic Medicine, Fort Smith, Arkansas, obtaining and maintaining institutional accreditation from a regional accrediting agency recognized by the United States Department of Education such as the Higher Learning Commission of the North Central Association of Colleges and Schools, and the proposed Arkansas College of Osteopathic Medicine obtaining and maintaining program accreditation and hospital approval by the American Osteopathic Association-Commission on Osteopathic College Accreditation to meet the professional licensing requirements of the Arkansas State Medical Board under Arkansas Code 17-91-101.

FURTHER RESOLVED, That the Director of the Arkansas Department of Higher Education is authorized to notify the Board of Directors and administration of the proposed Arkansas Colleges of Health Education-Arkansas College of Osteopathic Medicine, Fort Smith, Arkansas, that the certification for institutional planning and development to establish an Arkansas independent institution of higher education to offer medical and health education degree programs requires the proposed institution to notify the Arkansas Department of Higher Education whenever any of the following occurs: (1) major reorganization of the controlling body; (2) changes in the charter or incorporation documents of the proposed institution; (3) changes in the proposed method of operation of the institution and the proposed programs; (4) status of the institution's application and approval for program accreditation by the American Osteopathic Association and other appropriate program accrediting agencies; or (5) status of the institution's application and approval for institutional accreditation from the Higher Learning Commission or other recognized regional accrediting agency.

FURTHER RESOLVED, That the Coordinating Board instructs the Director to notify the administration of the proposed Arkansas Colleges of Health

Education-Arkansas College of Osteopathic Medicine, Fort Smith, Arkansas, that any advertisement or published materials using the name of the Arkansas Higher Education Coordinating Board or the Arkansas Department of Higher Education must contain the following statement:

Proposed Arkansas Colleges of Health Education-Arkansas College of Osteopathic Medicine, Fort Smith, Arkansas

Dr. Charles Welch, President of the Arkansas State University System briefly spoke on the Master of Science in Medical/Health Care Simulation, Master of Science in Neuromusculoskeletal Sciences, and the Doctor of Osteopathic Medicine by the New York Institute of Technology (NYIT) on the campus of Arkansas State University-Jonesboro. He then introduced Dr. Barbara Ross Lee, an Osteopathic Family Physician and Vice President for Health Sciences and Medical Affairs for the NYIT. Dr. Lee explained that the purpose of this proposal is to educate osteopathic physicians for Arkansas, in Arkansas. Arkansas happens to be one of the biggest shortage areas when it comes to physicians, she said. Our goal is to enhance the community by becoming a part of it, not just being in it.

Dr. Joe Bennett asked how this is going to work. Training medical students is a massive process. We have to be careful not to be too hasty about this, he said.

Dr. Lee explained that Arkansas currently has Osteopathic representatives on their medical board. She foresees no problems in recruiting professors to teach Osteopathic Medicine in Arkansas, said Lee.

Dr. Bennett asked how this program would be paid for if not by Arkansas funds. Dr. Lee explained that most Osteopathic programs are tuition dependent.

Florine Milligan said she is a firm believer that Arkansas needs this program.

In closing, Dr. Welch said that he would provide the board with a copy of the feasibility study.

Kyle Parker, President and Chief Executive Officer of the Arkansas Colleges of Health Education presented information on the proposed medical school in Fort Smith. He also introduced Dr. Ken Heiles, a Doctor of Osteopathic (DO) medicine at the Arkansas Colleges of Health Education.

Florine Milligan moved to recommend Agenda Item No. 20 to the full Board for consideration. Ben Pickard seconded and the Committee approved. Dr. Joe Bennett voted no.

Report of the Committees

Bob Crafton presented the report of the Finance Committee and moved approval of Agenda Items 6-12. Greg Revels seconded the motion and the Board approved. Chairman Kaneaster Hodges voted no.

Sarah Argue presented the report of the Academic Committee and moved approval of Agenda Items 13, 14, 17, 18 and 20. Dr. Olin Cook seconded the motion and the Board approved. Dr. Joe Bennett voted no.

Remarks by Presidents and Chancellors

Dr. Steve Hilterbran, President of Southeast Arkansas College (SEARK), addressed the Board regarding concurrent enrollment problems, specifically what he called intrusions into concurrent enrollment service areas by other institutions. Most four-year institutions serve the entire state and students from out-of-state. Most two-year institutions, serve their communities – hence the name community colleges. When a university or another institution takes over enrollment in a community, it hurts the local community colleges, said Hilterbran. After further discussion, Hilterbran closed by asking everyone to help prevent a trend that pits institution against institution.

Chairman Hodges announced that the next Coordinating Board meeting would be hosted by the Department of Higher Education on October 31, 2014.

With no further comments, the meeting adjourned at 12:17 p.m.

Sarah Argue, Secretary

APPOINTMENT OF NOMINATING COMMITTEE FOR 2015-16 BOARD OFFICERS

Chairman Bob Crafton will appoint members of the Arkansas Higher Education Coordinating Board nominating committee at the October 31, 2014 meeting. The nominating committee will recommend Board officers for 2015-16 at the January 30, 2015 meeting.

HIGHER EDUCATION COORDINATING BOARD
2015 MEETING SCHEDULE

The Arkansas Higher Education Coordinating Board meets quarterly to act upon Board initiatives and to respond to campus proposals. The proposed 2015 schedule for these regular quarterly meetings follows:

January 30, 2015	Arkansas Department of Higher Education Little Rock
April 30 – May 1, 2015	Southern Arkansas University Magnolia
July 31, 2015	Arkansas Department of Higher Education Little Rock
October 30, 2015	Arkansas Department of Higher Education Little Rock

The following resolution is suggested:

RESOLVED, That the Arkansas Higher Education Coordinating Board agrees to the following dates for regular quarterly meetings during 2015: January 30, May 1, July 31, and October 30.

FURTHER RESOLVED, That the Board expresses its appreciation and accepts the invitations to meet in January at the Arkansas Department of Higher Education in Little Rock, in May at Southern Arkansas University in Magnolia, in July at the Arkansas Department of Higher Education in Little Rock, and in October at the Arkansas Department of Higher Education in Little Rock.

AGENCY UPDATES

Arkansas Department of Higher Education agency updates will be presented by Director Shane Broadway. This agenda item will include updates on new employees, legislation, and current events.

UNIVERSITY OF ARKANSAS SYSTEM *e*VERSITY

The administration and Board of Trustees of the University of Arkansas System request official recognition of the University of Arkansas System *e*Versity and the authority, in collaboration with existing University of Arkansas System institutions, for *e*Versity to offer degree programs by distance technology. This collaborative arrangement would remain in effect until *e*Versity receives independent accreditation, at which point degree-granting authority would transfer to *e*Versity. *e*Versity will be 100 percent online and all student services – from admissions through graduation, including academic advising, tutoring, financial aid, advising and career planning – will be available in completely online formats. The first class of students would enroll in the *e*Versity and its partner institutions in Fall 2015.

More details on *e*Versity operations and the ADHE Executive Staff Recommendation will be presented.

REPORT ON PROGRAM DELETIONS
Academic Year 2013-2014

Attachment 6-1: Summary of Academic Program Deletions at Arkansas Public Institutions Academic Years 2010-2014

Attachment 6-2: Academic Programs Deleted for Arkansas Public Colleges and Universities for Academic Year 2014 (2013-2014)

Attachment 6-3: Academic Programs Deleted for Arkansas Public Colleges and Universities for Academic Year 2013 (2012-2013)

Attachment 6-4: Academic Programs Deleted for Arkansas Public Colleges and Universities for Academic Year 2012 (2011-2012)

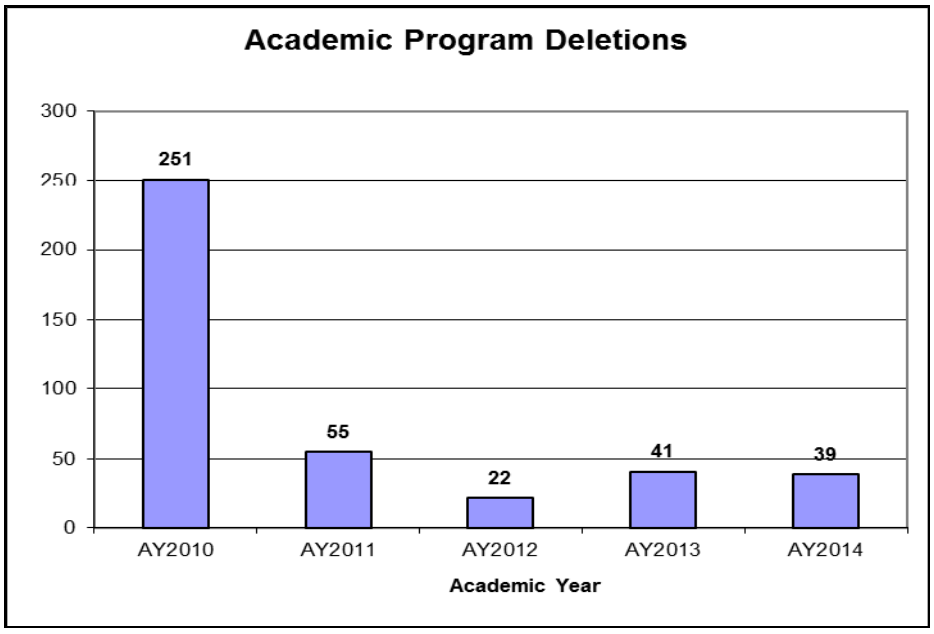
Attachment 6-5: Academic Programs Deleted for Arkansas Public Colleges and Universities for Academic Year 2011 (2010-2011)

Attachment 6-6: Academic Programs Deleted for Arkansas Public Colleges and Universities for Academic Year 2010 (2009-2010)

This report provides summary and detailed information about program deletions during Academic Year 2014 (2013-2014).

Attachment 6-1 summarizes the number of program deletions for the academic year by level of program and by level of institution for the last five academic years.

Thirty-nine (39) programs were deleted in AY2014 as compared to 41 in AY2013, 22 deletions in AY2012, 55 deletions in AY2011, and 251 deletions in AY2010.



The 251 program deletions in AY2010 were due to the implementation of program viability standards that were approved in 2008.

Agenda Item No. 7
Meeting of the Coordinating Board
October 31, 2014

ANNUAL REPORT ON STUDENT ENROLLMENT AND GRADUATION
INSTITUTIONS CERTIFIED UNDER ARKANSAS CODE ANNOTATED §6-6-301
INSTITUTIONAL CERTIFICATION ADVISORY COMMITTEE

An update on the number of Arkansas residents pursuing academic degrees offered by out-of-state and for-profit institutions certified to operate in Arkansas will be presented.

Agenda Item No. 8
Meeting of the Coordinating Board
October 31, 2014

CLARIFICATION OF CONCURRENT ENROLLMENT POLICY

Clarification statements for AHECB Policy 5.16 (Concurrent Enrollment) will be presented.

Agenda Item No. 9
Meeting of the Coordinating Board
October 31, 2014

CLARIFICATION OF INSTITUTIONAL CERTIFICATION POLICY

Clarification statements for AHECB Policy 5.2 (ICAC Rules) will be presented.

ECONOMIC FEASIBILITY OF LOAN
UNIVERSITY OF ARKANSAS-SYSTEM

The University of Arkansas-System (UA-SYS) requests approval of the economic feasibility of plans to secure a loan from the College Savings Bond Revolving Loan Fund in the amount of $500,000 with a term of up to ten (10) years at an annual interest rate of 0.22 percent. Proceeds from the loan, along with reserves set aside for these projects, will be used for major repairs to the B. Alan Sugg Administration Building, including repair of the roof and replacement of weather damaged windows and doors. The University of Arkansas Board of Trustees approved this financing at its meeting on January 24, 2014.

The loan issue will be for $500,000 with an annual debt service of $50,607 and a term of ten (10) years. The annual debt service on the bond issue will be supported by revenue from the billings to the institutions in the University of Arkansas System for a portion of the legal and audit services. Coordinating Board policy doesn't specifically address educational and general debt service payments supported by revenue from billings for services, but does address debt service for projects supported by auxiliary revenue. This loan feasibility analysis uses the policy for auxiliary revenue. Coordinating Board policy regarding debt service provides revenue from this source should be no less than 120 percent of the estimated total annual debt service.

Relevant data follows:

Budgeted 2014-15 Revenue from Billing for a Portion of Legal and Audit Services	$ 4,635,793
Maximum Debt Service ($4,635,793/120%)	3,863,161
Existing Debt Service	0
Proposed Debt Service	50,607
Amount Remaining for Additional Debt Service	$ 3,812,554

The above data demonstrates that the University of Arkansas-System has sufficient billing revenue to support a loan issue of $500,000 with a term for ten (10) years at an annual interest rate of 0.22 percent.

Any loan proceeds utilized for purchase or construction of new facilities resulting in additional square footage are subject to the AHECB policy as adopted in October 2010. The above project does not provide additional square footage.

ADHE Executive Staff recommend that the Arkansas Higher Education Coordinating Board approve the following resolution:

RESOLVED, That the Arkansas Higher Education Coordinating Board approves the loan from the College Savings Bond Revolving Loan Fund to the University of Arkansas-System for $500,000 with a term of ten (10) years at an interest rate of 0.22 for major repairs to the B. Alan Sugg Administration Building, including repair of the roof and replacement of weather damaged windows and doors.

FURTHER RESOLVED, That the Director of the Arkansas Department of Higher Education is authorized to notify the President and the Chair of the Board of Trustees of the University of Arkansas of the Coordinating Board's resolution.

ECONOMIC FEASIBILITY OF BOND ISSUE
UNIVERSITY OF CENTRAL ARKANSAS

The University of Central Arkansas requests approval of the economic feasibility of plans to issue bonds of approximately $17.5 million with a maximum term of thirty (30) years at an annual interest rate not to exceed 5.75 percent. Proceeds from the bond issue will be used for auxiliary purposes. The University of Central Arkansas Board of Trustees approved this financing at its meeting on September 16, 2014.

The auxiliary issue will not exceed $17.5 million with an annual debt service of $1,165,305 and a term of thirty (30) years. The annual debt service on the bond issue will be repaid with housing revenue from the residents and rents from the retail and commercial tenants. Proceeds from the bond issue will be used to fund the design and construction of Donaghey Hall. This mixed use facility includes four floors, the upper three at 17,500 square feet each are dedicated to residential space providing an additional 165 upper-classmen beds. The 15,000 (13,500 leasable) square feet on the first floor will provide retail and commercial space for tenants. Coordinating Board policy regarding debt service for auxiliary projects provides that annual net auxiliary revenues should be no less than 120 percent of the estimated total annual auxiliary debt service.

Relevant data follows:

Projected 2014-15 Auxiliary Revenue	$ 12,314,863
Maximum Debt Service ($12,314,863/120%)	10,262,386
Existing Debt Service	7,814,540
Proposed Debt Service	1,165,305
Amount Remaining for Additional Debt Service	$ 1,282,540

The above data demonstrates that the University of Central Arkansas has sufficient auxiliary revenue to support an auxiliary bond issue of approximately $17.5 million with a term for thirty (30) years at an estimated annual interest rate not to exceed 5.75 percent.

In accordance with board policy, the University of Central Arkansas will sustain a building maintenance fund to be supported by housing and retail revenue. These funds will be held in a separate account for the maintenance of the new facilities by transferring annually to plant funds based on the Association of Physical Plant Administrators (APPA) of Universities and Colleges recommendation. The current APPA recommendation is $1.25 per gross square foot for auxiliary facilities. Based on a total of 67,500 square feet, $84,375 will be transferred annually.

ADHE Executive Staff recommend that the Arkansas Higher Education Coordinating Board approve the following resolution:

RESOLVED, That the Arkansas Higher Education Coordinating Board considers economically feasible plans for the University of Central Arkansas to issue bonds in an amount not to exceed $17.5 million with a maximum term of thirty (30) years at an annual interest rate not to exceed 5.75 percent to fund the design and construction of the Donaghey Hall.

FURTHER RESOLVED, That the Director of the Arkansas Department of Higher Education is authorized to notify the President and the Chair of the Board of Trustees of the University of Central Arkansas of the Coordinating Board's resolution.

Agenda Item No. 12
Higher Education Coordinating Board

REPORT ON AHECB POLICY FOR MAINTENANCE OF NEW FACILITIES

The AHECB policy for maintenance of new facilities, passed October 29, 2010, states that a report on the amount transferred to plant funds would be presented annually at the October Board meeting. This policy was proposed to ensure that in the future all newly constructed or purchased facilities would have a source of funding for maintenance of the new facility. Institutions seeking approval of a loan or a bond issue for the construction or purchase of a new facility must provide for the maintenance of that facility by transferring annually to plant funds an amount as recommended by the Association of Physical Plant Administrators of Universities and Colleges (APPA). This is currently $2.50 per gross square foot for an educational and general facility or $1.25 per gross square foot for an auxiliary facility. A lower rate per gross square foot for a specific building/facility can be approved with appropriate justification.

It is the expectation that the institution provide for the long term maintenance of the facility for which the funds were accrued. Funds may be utilized for facility renovation and upkeep including upgrade or replacement of equipment and furnishings of the designated building. These funds will be transferred to the plant fund annually and shall begin in the fiscal year following the completion and occupancy of the facility and will continue as long as the building is in use. The funds can also be used for critical and deferred maintenance of the institution. This report includes the status of the FY 2012-13 and FY2013-14 maintenance transfers.

REPORT OF 2013-14 INTERCOLLEGIATE ATHLETIC REVENUES AND EXPENDITURES

Act 245 of 1989 (A.C.A. §6-62-106) directed the Coordinating Board to develop and establish uniform accounting standards and procedures for reporting revenues and expenditures. Based on these standard definitions and formats, the Coordinating Board is to collect the financial data and provide a uniform report of each institution's athletic revenues and expenditures for the previous fiscal year to the Legislative Joint Auditing Committee and the public by November of each year.

Athletic revenues and expenditures for 2013-14 for each institution have been collected according to uniform standards and compiled in a summary report that follows this agenda item. An explanation of the reporting format follows:

1. The athletic report details revenues and expenditures for each institution.

2. Athletic revenues will match athletic expenditures unless there is an ending fund balance.

3. Act 366 of 1991 (A.C.A. § 6-62-804) prohibits athletic deficits. A designated athletic fee must be charged to the students by the institution if athletic-generated revenues (i.e., ticket sales, media/tournament/bowl, concessions/program sales, and game guarantees), foundations/clubs and other private gifts, other athletic income, auxiliary profits, and the allowable educational and general transfer do not cover the total expenditures for athletics.

4. In accordance with the uniform reporting and auditing of intercollegiate athletic expenditures of state-supported institutions of higher education, maintenance of facilities expenditures related to all intercollegiate teams and spirit groups, excluding bands, shall be reported as actual costs of operating such athletic facilities or a proration of actual costs based on athletic usage (A.C.A. § 6-62-807).

The 2013-14 total amount of athletic expenditures reported by state-supported universities is $140,815,591 and two-year colleges is $530,403. The statewide total is $141,345,994 – a decrease of $3,409,974 (2.36%) from $144,755,968 in 2012-13.

A comparison of 2013-14 actual expenditures to 2013-14 budgeted revenues certified to the Coordinating Board in July 2013 is also illustrated at the bottom of the summary chart. Certified budgeted revenues for 2013-14 totaled

$136,608,769 for all institutions. Total actual expenditures for 2013-14 for all institutions exceeded this budgeted amount by 3 percent. Actual expenditures varied from the Board of Trustees-certified budgeted revenue by a range of 24 percent over the budgeted amount to 9 percent under the budgeted amount.

The following resolution is presented for the Board's consideration:

> **RESOLVED,** That the Arkansas Higher Education Coordinating Board accepts the Report of 2013-14 Intercollegiate Athletic Revenues and Expenditures as prepared in accordance with Arkansas Higher Education Coordinating Board uniform accounting standards and definitions for athletic reporting.
>
> **FURTHER RESOLVED,** That the Coordinating Board authorizes the Director to transmit the Report of 2013-14 Intercollegiate Athletic Revenues and Expenditures to the Legislative Joint Auditing Committee according to the provisions of Act 245 of 1989.

ROLE AND SCOPE CHANGE
MASTER OF SCIENCE IN HEALTHCARE ADMINISTRATION
UNIVERSITY OF ARKANSAS – FORT SMITH

Role and Scope Change/Program Proposal Review
In June 2014, a review team visited the UAFS campus to evaluate the institution's request for a change in role and scope from an institution offering certificates, associate and bachelor's degrees to one that also offers master's degrees. After meeting with administrators at the two Fort Smith hospitals and with UAFS administrators, faculty and students, the external review panel concluded that the University of Arkansas-Fort Smith is well-positioned to offer the master's degree in healthcare administration and other master's degrees when the need and demand have been documented. The reviewers noted that UAFS must 1) develop the policies governing graduate faculty status that include the increased expectations for faculty research and faculty workload; 2) develop a marketing and recruiting plan for the proposed program; and 3) designate a coordinator for the master's degree program.

<u>UAFS Review Team Members</u>
Dr. Bill McHenry
Dean of Graduate Studies and Research
Texas A&M University, Texarkana

Dr. Mary Carol Pomatto, Director
Irene Ransom Bradley School of Nursing
Pittsburg State University, Kansas

Dr. Tia Strait
Dean of Health Sciences
Missouri Southern State University

Dr. John Vassar
Interim Provost and Vice Chancellor for Academic Affairs
Louisiana State University-Shreveport

Program Justification
The proposed Master of Science in Healthcare Administration degree is needed to address the shortage of health managers in Arkansas and nationally. Healthcare administrators are responsible for the business and financial aspects of hospitals, clinics, and other health services organizations. They are partners with other healthcare providers in providing care and serving the needs of patients, their families, and communities. Employment of medical and health services managers is expected to grow faster than the average for all

occupations. As people remain active later in life, the healthcare industry as a whole will see an increase in the demand for medical services. Managers will be needed to organize and manage medical information and healthcare staffs in all areas of the industry.

Desiring to have a positive impact on UAFS students and on healthcare in the community, the Benefit Bank and an anonymous donor have funded three endowed professorships in nursing. These endowed professorships will help the College of Health Sciences recruit superior new faculty and/or retain faculty whose research, teaching and or practice uniquely contributes to the mission of the University. These professorships will also create stronger economic development ties between the private sector and UAFS. Two new faculty will be employed for the proposed master's degree in healthcare administration.

According to the Harvard Business School, healthcare administrators must understand science, medicine, information technology, economics, and finance to be innovative in how they approach outcomes of care and maintain financial viability.

During the development of the healthcare administration degree program, UAFS discussed issues related to course content with a variety of industry leaders. UAFS will appoint an advisory committee to engage in ongoing discussions related to content of the curriculum along with other critical topics and meet at least bi-annually. Institutional representatives will include the Provost/Senior Vice Chancellor, Associate Provost, and Dean of the College of Health Sciences.

Arkansas Institution Offering Similar Program
University of Arkansas for Medical Sciences

Program Viability
Expected Initial Student Enrollment – 12 students
Required Graduates by Summer 2021–12 students total, based on AHECB viability standard

ADHE Executive Staff Recommendation

RESOLVED, That the Arkansas Higher Education Coordinating Board approves the role and scope change for the University of Arkansas-Fort Smith to offer the Master of Science in Healthcare Administration (CIP 51.0701, 33 semester credit hours, 100 percent by distance technology) effective Fall 2015 with limited coursework offered beginning in January 2015. Program continuation is contingent on Higher Learning Commission accreditation/recognition of master's degrees at UAFS.

FURTHER RESOLVED, That the Coordinating Board instructs the Director of the Arkansas Department of Higher Education to inform the President and Chair of the Board of Trustees of the University of Arkansas System, and the Chancellor of the University of Arkansas-Fort Smith of the conditions of the role

and scope approval for the offering of master's degree programs. A status report must be submitted to ADHE by July 1, 2015, on how the campus has addressed the basic standards and practices required for graduate instruction as outlined in the reviewers' report.

Degree Requirements
Master of Science in Healthcare Administration; Total semester credit hours – 33

FALL SEMESTER: 9 hours			
Credit Hours	**Courses**		
3	MHCA 5003 Healthcare Systems		
3	MHCA 5013 Healthcare Policy and Governance		
3	MHCA 5023 Human Behavior in Healthcare Organizations		
SPRING SEMESTER: 9 hours			
Credit Hours	**Courses**		
3	MHCA 5033 Healthcare Law and Ethics		
3	MHCA 5043 Research in Healthcare Administration		
3	MHCA 6003 Budgetary Issues in Healthcare Services		
SUMMER SEMESTER: 3 hours			
Credit Hours	**Courses**		
3	MHCA 6013 Information Systems Management in Healthcare		
FALL SEMESTER: 9 hours			
Credit Hours	**Courses**		
3	MHCA 6023 Managed Care and Reimbursement Systems		
3	MHCA 6033 Healthcare Quality Improvement		
3	MHCA 6043 Healthcare Administration Internship		
SPRING SEMESTER: 3 hours			
Credit Hours	**Courses**		
3	MHCA 6053 Graduate Project in Healthcare Administration		
Total Hours: 33			

A comprehensive examination will be administered at the completion of MHCA 6053 Graduate Project in Healthcare Administration. Three faculty members must read the examination and score the examination against a rubric. Students must achieve at least 90 percent (averaging the scores from each faculty member) on the comprehensive examination to graduate from the program.

Program Admission Requirements
Students seeking admission to the online Master of Science in Healthcare Administration program must adhere to the following requirements:

1. Submit a completed application with official transcripts. The application must include a 500-word statement outlining reasons for seeking the degree, any previous work experience in the healthcare field, and educational goals and objectives.

2. Possess an earned bachelor's degree in nursing, healthcare administration, or other related healthcare field from an accredited regional institution with at least a 3.0 GPA. Students with an earned Bachelor of Business Administration degree from a regionally accredited institution will be considered as well.

3. Complete the Graduate Record Examination (GRE). Students must have a total score of 1000 on the verbal and quantitative sections of the GRE, or a combined score of 1500 on all three portions, or a score of 410 on the Miller Analogies Test (MAT). The test score must not be more than five years old. The GRE requirement is waived for applicants who have earned an advanced degree from a regionally accredited university.

4. Achieve a minimum score of 550 on the written Test of English as a Foreign Language (TOEFL) or 213 on the computer based TOEFL if an international applicant whose native language is not English. The TOEFL may be waived for any applicant who has graduated from an accredited college or university in the United States.

5. Submit three letters of reference which comments on the student's potential for success in a graduate program.

6. Provisional Admission: A student failing to meet one or more of the standards required for admission as a regular student may be eligible for provisional admission if space in the program is available. Students who fail to make progress under provisional admission will be withdrawn from the program.

UNIVERSITY OF ARKANSAS AT LITTLE ROCK DEGREE CENTER AT UNIVERSITY OF ARKANSAS COMMUNITY COLLEGE AT HOPE/TEXARAKANA

The administration of the University of Arkansas at Little Rock (UALR) requests Arkansas Higher Education Coordinating Board approval of a Degree Center on the campus of the University of Arkansas Community College at Hope/Texarkana (UACCH/T). The Degree Center will be referenced as the UALR Texarkana Center. The Board of Trustees of the University of Arkansas System has authorized UALR to offer selected courses and some existing bachelor's and master's degree programs on the UACCH/Texarkana Campus upon program approval by the Arkansas Higher Education Coordinating Board. Degree offerings will be determined jointly by UALR and UACCH/T based on student demand and community/employer needs. Initial degree offerings will include bachelor's degree completion programs in professional studies, general business administration and construction management as well as the Master of Social Work.

UALR will house a Center Director at the Texarkana site to assist with admission, advising, financial aid, and student transfer. The UALR courses will be offered by distance technology or taught on the UACCH/T campus by UALR adjunct faculty. UACCH/T will provide classroom space and computer facilities for online courses. There is an agreement that outlines the responsibilities of UALR and UACCH/Texarkana. The establishment of the UALR Texarkana Center will allow UACCH/T students to pursue degrees beyond the associate degree without leaving their home campus, and with the continuation of state scholarship and grant funds.

ADHE Executive Staff Recommendation

RESOLVED, That the Arkansas Higher Education Coordinating Board (AHECB) approves the establishment of the University of Arkansas at Little Rock Degree Center (UALR Texarkana Center) on the campus of the University of Arkansas Community College at Hope/Texarkana, and the offering of selected courses, bachelor's degree completion programs and master's degrees effective January 2015; contingent on prior approval by AHECB of the degree programs offered by UALR in Texarkana, and the recognition of the UALR Texarkana Center by the Higher Learning Commission.

FURTHER RESOLVED, That the Coordinating Board approves the University of Arkansas at Little Rock to offer associate to bachelor's degree completion programs for the Bachelor of Professional Studies, Bachelor of Science in Construction Management, and Bachelor of Business Administration in General Business, and to offer the Master of Social Work at the UALR Texarkana Center effective January 2015.

FURTHER RESOLVED, That the Coordinating Board instructs the Director of the Arkansas Department of Higher Education (ADHE) to inform the President and the Chair of the Board of Trustees of the University of Arkansas System and the Chancellor of the University of Arkansas at Little Rock of the approval.

FURTHER RESOLVED, That the Coordinating Board instructs the ADHE Director to notify the administrations of Southern Arkansas University-Magnolia and Henderson State University that the unnecessary duplication of courses and degrees in Texarkana, Arkansas, is to be avoided; and that the ADHE Director must inform the AHECB of disputes that arise between Arkansas public colleges and universities regarding off-campus course offerings.

INSTITUTIONAL CERTIFICATION ADVISORY COMMITTEE RESOLUTIONS

ADHE Executive Staff Recommendation
Initial Program Certification-Distance Technology
RESOLVED, That pursuant to ACA §6-61-301, the Arkansas Higher Education Coordinating Board grants initial certification to the institutions listed on pages 1-6 to offer the specified degree programs to Arkansas residents for a period of three years through December 31, 2017.

FURTHER RESOLVED, That the Director of the Arkansas Department of Higher Education is authorized to notify the administration of said institutions that the certification of the degree programs requires the institution to notify the Arkansas Department of Higher Education whenever any of the following occurs: (1) major reorganization of the controlling body; (2) changes in the charter or incorporation documents of the institution; or (3) changes in the method of operation of the institution's programs in Arkansas.

FURTHER RESOLVED, That the Coordinating Board instructs the Director to notify the administration of said institutions that any advertisement or published materials using the name of the Arkansas Higher Education Coordinating Board or the Arkansas Department of Higher Education must contain the following statement:

> Arkansas Higher Education Coordinating Board certification does not constitute an endorsement of any institution or program. Such certification merely indicates that certain criteria have been met as required under the rules and regulations implementing institutional and program certification as defined in Arkansas Code §6-61-301.

Vista College, Richardson, Texas
Fort Smith Campus
Phlebotomy Technician Seminar
PH 101 Phlebotomy for Healthcare Professionals

ARKANSAS COLLEGES AND UNIVERSITIES

PROGRAM/DEGREE CURRICULA (New Programs, Program Modifications, Name Changes)

Arkansas State University – Newport

Certificate of Proficiency in Behavioral Health Technician (CIP 51.1502; 16 credit hours; Spring 2015)

ENG	1203	Technical Communications
MIS	1033	Introduction to Computers
BH	*1133*	*Behavioral Health Issues*
BH	*1143*	*Pharmacology for Behavioral Health*
BH	*1141*	*Behavioral Health Practicum*
SPCH	2243	Interpersonal Communications

(Provides paraprofessionals with skills and academia background needed in mental health careers.)

Arkansas Tech University – Ozark

Certificate of Proficiency in Industrial Control Systems (CIP 15.0399; 16 credit hours; Summer 2015)

ICS	1104	Fundamentals of Electricity
ICS	1123	Semiconductors I
ICS	1143	Introduction to Digital Logic
ICS	1103	Programming I
ICS	1153	Networking I

(No new courses; existing courses in AAS & TC in Industrial Control Systems. CP prepares students for entry-level employment in industrial maintenance, computer networking; or engineering-related field.)

Mid-South Community College

Certificate of Proficiency in Process Technology I (CIP 15.0699; 18 credit hours; Fall 2014)

PTEC	*1004*	*Safety, Health & Environment*
PTEC	*1024*	*Introduction to Process Technology*
PTEC	*1003*	*Process Quality*
PTEC	*XXX4*	*Process Technology I: Equipment*
PTEC	*XXX3*	*Process Instrumentation I*

(Local industry employers (Agrileum) expressed a need for employees who can process chemicals. Employers need and will hire over 25 chemical process technicians over the next 3 years. Curriculum is designed for graduates to have entry-level skills for these positions. 5 new courses have been designed for the CP in concert with industry employers.)

Rich Mountain Community College

Certificate of Proficiency in Cosmetology Instructor (CIP 12.0413; 18 credit hours; Spring 2015)

COSI	*1005*	*Preparatory Training*
COSI	*1105*	*Conducting Theory and Practical Classes*
COSI	*1114*	*Conducting Lab Experiences*
COSI	*1124*	*Record Keeping & State Board Preparation*

(4 new courses; already has TC in Cosmetology. Only 2 licensed cosmetology instructors in service area.)

University of Arkansas, Fayetteville

Certificate in Child Advocacy Studies Training (CIP 44.0701; 9 credit hours; Fall 2015; 100% online)

SCWK	*3013*	*Child Advocacy I: Perspectives on Child Maltreatment & Child Advocacy*
SCWK	*4013*	*Child Advocacy II: Professional and System Responses to Child Maltreatment*
SCWK	*4023*	*Child Advocacy III: Responding to the Survivor of Child Abuse*

(Child Advocacy Studies Training certificate program is designed to better prepare future child protection workers, law enforcement officers, and other child-serving professionals in child welfare. 100% online.)

University of Arkansas at Little Rock

Graduate Certificate in Data Science (CIP 11.0401; 12 credit hours; Fall 2014)

IFSC	7320	Database Systems (or)
CPSC	7351	Database Design
IFSC	*7370*	*Data Science and Technologies*
IFSC	5345	Information Visualization
IFSC	7360	Data and Information Privacy

(This GC will give interested professionals the opportunity to get recognized for some basis training in the data and information science disciplines as well as give them a stepping stone towards pursuing other graduate degrees, e.g., MS in Information Science or PhD in Integrated Computing-Information Science track.)

Master of Science in Information Science (CIP 11.0401; 33 credit hours; Fall 2014)

IFSC	5345	Information Visualization
IFSC	7320	Database Systems (or)
CPSC	7351	Database Design Database Concepts
IFSC	7360	Data and Information Privacy
IFSC	*7370*	*Data Science and Technologies*
IFSC	7686	Graduate Project (or)
IFSC	76XX	Graduate Thesis

15 credit hours of Electives Chosen From below:

IFSC	7321	Information Science and Theory
CPSC	7382	Systems Analysis and Design (or)
IFSC	7310	Information Systems Analysis (or)
CPSC	7311	Software Engineering
IFSC	5325	Data Mining
IFSC	5330	Database Security
IFSC	5339	Network Security
IFSSC	5360	Social Computing
IFSC	7325	Advanced Data Mining
IFSC	7330	Information Systems Security
IFSC	7331	Network Sciences
IFSC	7350	E-Commerce
CPSC	7352	Advanced Database Issues

CPSC	7373	Artificial Intelligence
CPSC	7374	Image Processing
CPSC	7375	Machine Learning
CPSC	7383	Modeling and Simulation
CPSC	7385	Analysis of Algorithms

No more than two courses chosen with an INFQ prefix

INFQ	7303	Principles of Information Quality
INFQ	7318	Information Quality TQM and SPC
INFQ	7322	Information Quality Theory
INFQ	7337	Information Quality Project Management
INFQ	7342	Information Quality Tools and Landscape
INFQ	7348	Entity Resolution and IQ

(MS in Information Science will provide a pipeline for PhD in Integrated Computer (Information Science Track). The MS will also provide an exit strategy for those students who start the PhD, but change their minds. The MS will complement the existing MS in Information Quality, but will focus more on the tools and techniques for processing, storing, retrieving and analyzing data.)

Program – New - Minor

University of Arkansas, Fayetteville

Minor in Indigenous Studies (CIP 05.0202; 15 credit hours; Fall 2015)

Student chooses one course from each category below and two elective courses from any category below, for a total of five courses or 15 credit hours.

Culture

ANTH	3203	American Indians Today
ANTH	3213	Indians of North America
ANTH	3263	Indians of Arkansas and the South
ANTH	3473	Native American Prehistory
ANTH	3533	Medical Anthropology
ANTH	4143	Ecological Anthropology

History

HIST	3263	History of the American Indian

Literature

COMM	3983	Special Topics: Native Americans in Film
ENGL	3553	Topics in Native American Literature
ENGL	4553	Studies in Native American Literature
WLLC	4043	New France Archives
WLLC	4053	French Mississippi Archives

(Minor in Indigenous Studies will prepare students for careers or graduate study; to promote campus diversity, minority recruitment, and understanding of cultural differences. All courses are existing.)

Minor in Jewish Studies (CIP 38.0206; 15 credit hours; Fall 2015)

JWST	*2003*	*Introduction to Judaism (Required Course)*

Student chooses 12 credit hours from below:

JWST	*3103*	*Introduction to Jewish Languages*
JWST	*4003*	*Modern Jewish Thought*

JWST	*4013*	*Contemporary Jewish Thought*
ENGL	3843	Topics in Modern American Literature and Culture: Jewish-American Writing
MRST	3013	Special Topics in Medieval Studies: Representations of Jews in Medieval English Literature
GERM	4013	Germany and the Holocaust
GERM	470V	Special Topics: German-Jewish Writers
HIST	4143	European Intellectual History
HIST	3473	Modern Palestine/Israel
HIST	3043	Modern Middle East
HIST	4493	Religion in America
GREK	2003	Plato Greek/New Testament
GREK	4093	Biblical and Patristic Greek
HUMN	425V	Colloquium: The Land of Israel in Jewish Thought
HUMN	425V	Colloquium: Intensive Biblical Hebrew
HUMN	425V	Colloquium: Jewish-Christian Relations

(Minor in Jewish Studies provides a cohesive program introducing students to Jewish thought and history; and provides an interdisciplinary minor to students across the college interested in different aspects of Jewish religion and culture.)

Minor in Journalism in Bachelor of Arts in Journalism (DC 1560; CIP 09.0401; 18 credit hours; Fall 2015; 50% online)

JOUR	1023	Media and Society (online)
JOUR	1033	Fundamentals of Journalism (online)
JOUR	3633	Media Law (online)
JOUR	4333	Ethics in Journalism
JOUR	2063	Media Technology
JOUR	2013	News Reporting I

(All courses are existing and required for minor. 3 courses are offered online.)

Minor in Child Advocacy Studies Training (CIP 44.0701; 18 credit hours; Spring 2015; 100% online)

SCWK	*3013*	*Child Advocacy I: Perspectives on Child Maltreatment & Child Advocacy*
SCWK	*4013*	*Child Advocacy II: Professional and System Responses to Child Maltreatment*
SCWK	*4023*	*Child Advocacy III: Responding to the Survivor of Child Abuse*

Choose three courses from below:

SCWK	4233	Child Welfare
SCWK	3233	Juvenile Delinquency
SCWK	4143	Addiction & the Family
SCWK	3163	On Death and Dying

(The CHAS online minor is designed for students majoring in social work, criminal justice, education, sociology, psychology, nursing, paralegal, or other areas where knowledge of child maltreatment and advocating for children might be necessary.)

Minor in Southern Studies (CIP 05.0122; 18 credit hours; Fall 2015)

SOST	*2003*	*Introduction to Southern Studies*

Choose five courses from below:

AAST	3233	African American History to 1877 (or)
HIST	3233	African American History to 1877
AAST	3243	African American History since 1877 (or)
HIST	3243	African American History since 1877
AAST	4093	The History of African Americans and Social Justice (or)
HIST	4093	The History of African Americans and Social Justice
AAST	4293	African American Politics (or)
PLSC	4293	African American Politics
AAST	4383	The American Civil Rights Movement (or)
HIST	4383	The American Civil Rights Movement
AAST	4933	African American Political Ideology (or)
PLSC	4933	African American Political Ideology
ANTH	3253	Culture of the South (or)
PLSC	3273	Culture of the South
ENGL	3013	Folklore
ENGL	3863	Topics in Literature and Culture of the American South
ENGL	3853	Topics in African-American Literature and Culture
ENGL	5803	Politics and Immobility in African American Literature
AAST	499V	Politics and Immobility in African American Literature
HIST	4503	History of the Political Parties in the United States, 1789-1896
HIST	4563	The Old South, 1607-1865
HIST	4653	Antebellum America, 1828-1850
HIST	4663	Rebellion to Reconstruction, 1850-1877
HIST	4673	The American Civil War
PLSC	3213	The South and the Law: Race, Gender, and Citizenship
PLSC	3983	Politics in Literature (American South)
PLSC	4333	Southern Politics
HIST	4583	Arkansas in the Nation* (or)
HIST	3383	Arkansas and the Southwest*
PLSC	3223	Arkansas Politics*

* A maximum of 6 hours can be taken in Arkansas-specific courses.

(Minor in Southern Studies exposes students to interdisciplinary approaches to important problems and academic questions regarding southern history, politics, and literature.)

University of Central Arkansas

Minor in Special Education (CIP 13.1001; 18 credit hours; Spring 2015)

ECSE	3309	Development and Characteristics of Diverse Learners
ECSE	3320	Foundations of Inclusive Education
ECSE	4303	Current Issues and Trends in Special Education
ECSE	4308	Educational Programming for Students with Significant Disabilities
ECSE	4306	Educational Programs for Middle and Secondary Learners with Mild Disabilities
ECSE	4302	Behavior Guidance for the Diverse Classroom

(Minor provides an opportunity for students who do not seek teacher licensure, but who have an interest in diverse populations to increase their knowledge of and skills in working with persons with disabilities.)

Program – New – Option/Emphasis/Concentration/Focus Area

Arkansas State University – Jonesboro

Concentrations in Instrumental or Vocal Performance in Master of Music in Performance (DC 5990; CIP 50.0903; 30 credit hours; Spring 2015)

MUS	6131	Graduate Recital (one hour)
MUSP	6111-4	Performance (eight hours)
MUSP	6121-2	Pedagogy and Performance (two hours)
MUS	XXX6	Music History (6000 level)
MUS	XXX6	Music Theory (6000 level)
MUS	XXX3	Large Ensembles
MUS	XXX	Languages for Voice & Keyboard Concentrations

(Options offer graduates students advanced study in instrumental or vocal performance culminating in a graduate recital.)

Southern Arkansas University – Magnolia

Option in Computer Technology in the Bachelor of Science in Computer Science (DC 2410; CIP 11.0101; 120 credit hours; Fall 2014)

Option in Computer Technology – 25 credit hours

CSCI	3503	Computational methods for Industrial Technologists (or)
ITEC	3503	Computational methods for Industrial Technologists
CSCI	*3143*	*Computer Networks and Security*
CSCI	3133	Advanced UNIX/LINUS
CSCI	4173	Computerized Simulations
CSCI	4123	Computer Aided Manufacturing (or)
ITEC	4123	Computer Aided Manufacturing (or)
ITEC	4044	Advanced Manufacturing Systems
ITEC	3073	Engineering Economic Analysis
ENGR	3103	Digital Electronics

(New option addresses the need to produce graduates to work in the fields related to computer technology, especially Information Technology, Industrial Technology, electronic systems, and devices in the creation of computer hardware and software. 25 SCH for option.)

University of Arkansas - Fort Smith

Option in Office Management and Medical Office Professional in Associate of Applied Science in Office Management Technology (DC 0307; CIP 52.0402; 60 credit hours; Summer 2015)

(These two options will provide students with the skills and abilities needed for applicable positions in the workforce. Current options in Human Resource Assistant and Accounting Assistant will be deleted.)

University of Arkansas at Little Rock

Concentration in Public Relations in Bachelor of Professional Studies (CIP 30.9999; 120 credit hours; Fall 2014)

General Education – 35 credit hours

BPS Professional Core – 15 credit hours

MGMT	3340	Managing People in Organizations
MGMT	3320	Human Resources Management
MGMT	3300	Principles of Management

SPCH	3330	Professional Communication
RHET	3316	Writing for the Workplace

Professional Core Electives – Select six hours from below

ITEC	3610	Introduction to Information Technology and Applications

MCOM	2300	Introduction to Production
MCOM	3345	Studio Production
MCOM	4354	Documentary Techniques
MCOM	3390	Non-Linear Video Editing I

Choose one course from below:

MCOM	4330	Lighting
MCOM	4332	Digital Audio Production
MCOM	4340	Digital Graphics and Animation
MCOM	4342	Cinema Techniques

Culminating Special Project – 3 credit hours

MCOM	4395	Electronic Media Capstone
	XX18	Mass Communication (12 must be upper-level)

Unrestricted General Electives

	XX22	Upper level courses and in residence

Concentration in Motion Picture in Bachelor of Professional Studies (CIP 30.9999; 120 credit hours; Fall 2014)

General Education – 35 credit hours

BPS Professional Core – 15 credit hours

MGMT	3340	Managing People in Organizations
MGMT	3320	Human Resources Management
MGMT	3300	Principles of Management
SPCH	3330	Professional Communication
RHET	3316	Writing for the Workplace

Professional Core Electives – Select six hours from below

ITEC	3610	Introduction to Information Technology and Applications
PSYC	3370	Industrial Psychology
PSYC	4325	Personnel Psychology
PSCY	4363	Organizational Psychology
RHET	3301	Editing for Use and Style
RHET	3315	Persuasive Writing
SPCH	3340	Communication Ethics for the Professional
SPCH	3320	Advanced Public Speaking
SOCI	3334	Social Problems
SOCI	3330	Racial and Minority Groups
SOCI	4365	Sociology of Organizations

Motion Picture Concentration – 18 credit hours

MCOM	2300	Introduction to Production
MCOM	3360	Mass Communication Law, Policy, Ethics
MCOM	3390	Non-Linear Video Editing I
MCOM	4342	Cinema Techniques

Choose one course from below:

MCOM	4308	Screenwriting

MCOM	4320	Advanced Post-Production
MCOM	4330	Cinematography and Lighting
MCOM	4340	Digital Graphics and Animation
MCOM	4354	Documentary Techniques

Culminating Special Project – 3 credit hours

MCOM	4395	Electronic Media Capstone
	XX18	Mass Communication (12 must be upper-level)

Unrestricted General Electives

	XX22	Upper level courses and in residence

Concentration in Journalism in Bachelor of Professional Studies (CIP 30.9999; 12 credit hours; Fall 2014)

General Education – 35 credit hours

BPS Professional Core – 15 credit hours

MGMT	3340	Managing People in Organizations
MGMT	3320	Human Resources Management
MGMT	3300	Principles of Management
SPCH	3330	Professional Communication
RHET	3316	Writing for the Workplace

Professional Core Electives – Select six hours from below

ITEC	3610	Introduction to Information Technology and Applications
PSYC	3370	Industrial Psychology
PSYC	4325	Personnel Psychology
PSCY	4363	Organizational Psychology
RHET	3301	Editing for Use and Style

SOCI	3330	Racial and Minority Groups
SOCI	4365	Sociology of Organizations

Journalism Concentration – 18 credit hours

MCOM	2350	Beginning Reporting
MCOM	3320	Advanced Reporting
MCOM	3365	Radio-TV Journalism
MCOM	3360	Law, Policy and Ethics (or)
MCOM	4352	News Media and the First Amendment

Choose one course from below:

MCOM	3330	Photojournalism
MCOM	3350	Introduction to News Editing
MCOM	3366	Electronic News Gathering
MCOM	4359	Feature and Magazine Journalism

Culminating Special Project – 3 credit hours

MCOM	4388	Reporting of Public Affairs
	XX18	Mass Communication (12 must be upper-level)

Unrestricted General Electives

	XX22	Upper level courses and in residence

Education Program Revisions to Meet New Teacher Licensure Requirements

Southern Arkansas University – Magnolia

Master of Arts in Teaching (DC 5542; CIP 13.1299; 30 credit hours; Fall 2014)
(Curriculum did not change. Received approval to recommend MAT candidates for the 4-8 middle level license in Math, Science, Language Arts, and Social Studies; the K-12 license in Art, Music (vocal and instrumental), Spanish, PE, and French; and the 4-12 license in Business Technology upon completion of the prescribed program of study and the required licensure assessments.)

University of Central Arkansas

Bachelor of Science in Mathematics (DC 2870; CIP 27.0101; 120 credit hours; Fall 2014)
Mathematics Core

MATH	1496	Calculus I
MATH	1497	Calculus II
MATH	2335	Transition to Advanced Math
MATH	2471	Calculus III
MATH	3320	Linear Algebra
MATH	4371	Introduction to Probability Theory

Mathematics Education Track

MATH	2441	Mathematical Computations
MATH	3360	Abstract Algebra
MATH	3370	Mathematics in the Secondary Schools
MATH	4301	Secondary Math Methods
MATH	2330	Discrete Structures I (or)
MATH	3354	Concepts of Discrete Mathematics
MATH	4372	Introduction to Statistical Inferences (or)
MATH	3311	Statistical Methods II
MATH	X3XX	Upper Division Math Elective

Additional Requirements

MATH	4345	College Geometry
MATH	*4313*	*Functions and Modeling*

(This track will replace BSE in Mathematics. This model will follow the UTeach model which requires a candidate to receive a BS in a content area; then hours in a content area, e.g., math education.)

Deleted Programs

National Park Community College

Certificate of Proficiency in Medication Aide (DC 0221; CIP 51.2603; Fall 2014)
(Never offered; no student interest; no community need)

South Arkansas Community College

Certificate of Proficiency in Solid State Technology (DC 4818; Fall 2014)

Certificate of Proficiency in Law Enforcement Administration (DC 0388; Fall 2014)

Technical Certificate in Law Enforcement Administration (DC 0389; Fall 2014)
Associate of Applied Science in Law Enforcement Administration (DC 0391; Fall 2014)
(0 students and programs no longer offered at SACC)

University of Arkansas Community College at Hope
Associate of Applied Science in Respiratory Care (DC 0810; Spring 2015)
(Declining enrollment and graduates; last students will graduate December 2014)

University of Central Arkansas
Bachelor of Science in Education in Mathematics (DC 3910; Fall 2014)

Bachelor of Science in Secondary Science Education (DC 3950; Fall 2014)
(Above 2 programs are being deleted and being replaced by UCA STEMteach. Science/mathematics teacher education candidates will earn a disciplinary degree in science or mathematics and will complete the STEM Education minor in the UCA STEMteach program.)

Deleted Option/Emphasis/Concentration
Arkansas State University – Jonesboro
Option in Early Childhood Education in the Master of Arts in Teaching (DC 5542; CIP 13.1299; Fall 2014)
(ADE has discontinued non-traditional licensure options for Early Childhood Education. Last students in option should graduate in 2014. No new students have been admitted.)

Arkansas Tech University
Option in Turf Management in Bachelor of Science in Recreation and Park Administration (DC 2970; CIP 31.0301; Summer 2015)
(Low student enrollment. Students in this option will be switched to new option in Recreation Sport Management.)

University of Arkansas – Fort Smith
Options in Human Resources Assistant and Accounting Assistant in Associate of Applied Science in Administrative Professional and Office Technology (DC 0307; CIP 52.0402; Summer 2015)
(These two options are being deleted; Options in Office Management and Medical Office Professional in the Associate of Applied Science in Office Management Technology are being added.)

University of Arkansas at Little Rock
Emphasis in Engineering Science in the Master of Science in Applied Sciences (DC 6095; CIP 40.0101; Fall 2014)

Emphasis in Engineering Science and Systems; Applied Computing; and Information Quality in Doctor of Philosophy in Applied Sciences (DC 7140; CIP 40.0101; Fall 2014)
(These emphases are no longer needed. Students are being supported by PhD's in Engineering Science and Systems; and Integrated Computing; and the MS in Systems Engineering.)

Program – Inactive Status
Mid-South Community College
Certificate of Proficiency in Computer Numerical Control Machine Operator (DC 1151; CIP 15.0613; Fall 2014)

(No students in program.)

National Park Community College
Technical Certificate in Residential Carpentry (DC 4373; CIP 46.0201; Fall 2014)
(No students in program. Reason- many students were taking the program as a hobby, no intention of working in the field. Employers did not pay grads any more than non-grads when filling vacancies.)

South Arkansas Community College
Certificate of Proficiency in Truck Driving (DC 4895; CIP 49.0205; Fall 2014)
(Program being placed on inactive status. No students in program and none in program in years.)

University of Arkansas at Little Rock
Art Education Track in the Bachelor of Fine Arts in Art (DC 1250; CIP 57.0702; Fall 2014)
(No students in Art Education Track; program requires 144 SCH and the time to complete degree is not attractive to students.)

Program/Unit Name Changes
Arkansas State University-Jonesboro
Specialist in Community College Teaching changed to Specialist in Community College Education (DC 7420; Spring 2015)
(Most enrollees are in Administration emphasis and new program name will be more appropriate for all enrollees.)

Arkansas Tech University
Emphasis in Recreation Administration in the Bachelor of Science in Recreation and Park Administration changed to Emphasis in Recreation Sport Management (DC 2970; CIP 31.0301; 120 credit hours; Summer 2015)
(Name change of emphasis area only. No change in curriculum. Name change will reflect a more prominence on sport management. This change will propel graduates to gain employment in the Recreation Sport Management field.)

South Arkansas Community College
Technical Certificate in Industrial Equipment Maintenance Technology (CIP 47.0399; DC 4635) changed to Technical Certificate in Industrial Technology Mechatronics (CIP 15.0499; Fall 2014)
(Name change as a result of South West AR Community Colleges Consortium collaboration.)

Certificate of Proficiency in Basic Gas Welding (CIP 48.0508; DC 0215; Fall 2014) changed to Certificate of Proficiency in SMAW Welding

Certificate of Proficiency in Welding-Gas Tungsten Arc (GTAW-TIG) (CIP 48.0508; DC 0713; Fall 2014) changed to Certificate of Proficiency in TIG Welding

Certificate of Proficiency in Basic Welding Technology (CIP 48.0508; DC 4905; Fall 2014) changed to Certificate of Proficiency in MIG Welding

(Welding name changes above better reflect the curriculum of the program and align with the major as listed in the catalog.)

Certificate of Proficiency in Emergency Medical Technician – Basic (CIP 51.0904; DC 0015; Fall 2014) changed to Certificate of Proficiency in Emergency Medical Technician
(Name change meets current name for the program.)

Associate of Applied Science in Medical Laboratory Science (CIP 51.1004; DC 0153; Fall 2014) changed to Associate of Applied Science in Medical Laboratory Technician
(Name change matches the naming standards of the National Accrediting Agency of Clinical Laboratory Sciences.)

University of Arkansas, Fayetteville
Minor in Agricultural Communications changed to Minor in Agricultural Food and Life Sciences (AFLS) Communications (DC 3340; CIP 01.0102; Spring 2015)
(The name change better describes the curriculum as it has evolved to serve students in the School of Human Environmental Sciences as well as students studying traditional agricultural disciplines.)

University of Arkansas at Little Rock
Master of Education in Teaching the Gifted and Talented changed to Master of Education in Gifted, Creative, and Talented Education (DC 5890; CIP 13.1004; Fall 2014)
(Name change reflects the current terminology in the field and is more easily electronically searchable.)

Associate Degrees for Transfer and Bachelor's Degree Completion
Arkansas State University - Beebe
Associate of Science in Health Science (CIP 51.1199; DC 1095; 60 credit hours; Spring 2015) to Bachelor of Science in Health Sciences (CIP 51.9999; DC 2715) emphases in Health Services Administration and Physical Therapy at the University of Central Arkansas
Associate of Science in Health Science – 60 credit hours to be completed at Arkansas State University – Beebe
Possible Pre-requisites

UNIV	1003	Principles of Academic Success (required if registering for a remedial course)
ENG	0013	Precollege Literacy
ENG	0023	College Literacy (taken simultaneously with ENG 1003-Freshman English I)
MATH	0013	Foundations of Algebra I
MATH	0023	Foundations of Algebra II

General Education – 35 credit hours

ENG	1003	Freshman English I
ENG	1013	Freshman English II
SPCH	1203	Oral Communications
ENG	2003	World Literature I (or)
ENG	2013	World Literature II

PHYS	1420	College Physics II
PSYC	3332	Research Methods
	XXX3	UCA Core (Capstone)
	XXX6	UCA Core Upper Division Electives
	XX21	Upper Division Major Elective (From Approved List-See Major Advisor)
	XXX3	Psychology Elective
	XXX6	Electives

ASUB/UCA Transfer Agreement

- Any student earning the Associate of Science in Health Science at ASUB will be admitted to the Bachelor of Science in Health Sciences (Health Services Administration or Physical Therapy Emphases) at UCA with full junior classification, subject to the provisions listed below:
- The student must complete the requirements necessary for general admission to UCA.
- The student will have earned the Associate of Science in Health Science at ASUB, with at least a 2.0 cumulative grade point average, on or after the Effective Date of this Agreement.
- A transfer student who has not completed all of the courses specified within the AS in Health Science degree plan at ASUB before entering UCA, must work with the academic advisor to ensure timely completion of the degree program requirements.
- Remedial course grades will not be computed in the cumulative GPA for purposes of admission to UCA.
- UCA will accept the transfer of credits, up to a maximum of six credit hours, for “D” grades subject to the following conditions:
  - The transfer of credits with “D” grades is available only to first-time entering transfer students at the time of admission to UCA.

  - Prerequisite rules shall apply to transfer of credits with “D” grades in the same manner as they would for credits earned at UCA.
- Calculation of overall GPA for purposes of graduation and awarding of honors is left to the discretion of UCA.
- The Chief Academic Officers at each institution will implement the terms of this Agreement.
- This Agreement will be reviewed on an annual basis; both UCA and ASUB agree to notify one another in a timely manner of any curriculum changes that would significantly impact the nature of this Agreement.
- UCA and ASUB will work together cooperatively, in the best interest of affected students, to resolve any issues related to the transfer of courses should changes to either degree program occur while the Agreement is in effect.
- Students will be subject to the terms and conditions of this Agreement in accordance with their academic year of entry at ASUB. A student may opt for a subsequent revision of this Agreement, but must meet all of the requirements specified therein.
- UCA and ASUB will make every effort to inform students of this Agreement.
- This Agreement may be terminated by either party with at least 90 calendar days written notice.
- In the event that the Agreement is terminated, all students who have already been admitted to UCA, in accordance with the terms of this Agreement, will be allowed to complete their approved course of study under the terms contained therein.
- Attached to this Agreement and made a part hereof as if set out word for word is the UCA University Contract Rider pursuant to Board of Trustees Policy No. 416.

Rider

Any contract or agreement to which the University of Central (UCA) is a party shall be deemed to have the following provisions incorporated by reference:

- Notwithstanding any other provision of this agreement or contract, the UCA shall not be responsible or liable for any type of special or consequential damage to the other party, specifically, including, but not limited to, lost profits or commissions, loss of goodwill, or any other damages of such nature.
- Notwithstanding any other provision of this agreement or contract, the UCA shall never indemnify or hold another party harmless from any damages, liability, claims, demands, causes of action or expenses. However, with respect to any loss, expense, damage, liability, claim or cause of action, either at law or in equity, for actual or alleged injuries to persons or property, arising out of any negligent act or omission by UCA, or its employees or agents, in the performance of this agreement, UCA agrees that:
  - It will cooperate with the other party to this agreement in the defense of any action or claim brought against the other party seeking damages or relief;
  - It will, in good faith, cooperate with the other party to this agreement should such other party present any claims or causes of action of the foregoing nature against UCA to the Arkansas State Claims Commission;
  - It will not take any action to frustrate or delay the prompt hearing on claims of the foregoing nature by the Arkansas State Claims Commission, and will make reasonable efforts to expedite any hearing thereon.

    UCA reserves the right, however, to assert in good faith any and all defenses available to it in any proceedings before the Arkansas State Claims Commission or any other forum.

Nothing herein shall be interpreted or construed to waive the sovereign immunity of UCA.

- The UCA does not have any form of general liability insurance. It does have liability insurance coverage on vehicles, as well as certain professional liability coverage for clinical programs (and student assigned through those programs). Please contact the university department with responsibility for the program involved or the Office of General Counsel, if you have questions concerning insurance coverage.

Program Reconfiguration

Black River Technical College

Associate of Applied Science in Business Technology (DC 0307; CIP 52.0401; Fall 2014) reconfigured to create Associate of Applied Science in Accounting (CIP 52.0302); Administrative Services (CIP 52.0401); Business Administration (CIP 52.0201); Entrepreneurship (CIP 52.0701); Health Information (CIP 51.0707); Business Technology Applications (CIP 52.1299); and Computer Information Technology (CIP11.1099) 60-63 credit hours

General Education – 15 credit hours

ENG	1003	Freshman English I
ENG	1013	Freshman English II (or)
ENG	1023	Technical Writing
MATH	1003	Technical Math for Business
CA	1903	Introduction to Computer concepts
POSC	2103	U. S. Government

AAS in Administrative Services – 45 credit hours

ACCT	1003	Accounting I (or)
ACCT	2003	Introduction to Financial Accounting
ADMS	1103	Legal Terminology
ADMS	1203	Legal Transcription
ADMS	2073	Professional Development

MGMT	2603	Leadership Issues
MGMT	2613	Principles of Supervision
MGMT	2623	Small Business Management

(AAS in Business Technology is being reconfigured into 7 separate AAS degrees.)

Mid-South Community College

Certificate of Proficiency in Mechatronics Electrical Level I (DC 1251), Mechatronics Electrical Level II (DC 1252), Mechatronics Mechanical Level I (DC 1261), Mechatronics Mechanical Level II (DC 1262), Mechatronics Mechanical Level III (DC 1263), and Mechatronics Management (DC 1264) CIP 15.0403 reconfigured to create Certificate of Proficiency in Mechatronics Level I (16 credit hours); Certificate of Proficiency in Mechatronics Level II (16 credit hours); Certificate of Proficiency in Mechatronics Level III (9 credit hours); and Certificate of Proficiency in Mechatronics Level IV (9 credit hours) all CIP 15.0403; Spring 2015
(Reconfiguring 6 CP's into 4 CP's to align more with industry standards.)

Certificate of Proficiency in Mechatronics Level I (16 credit hours)

MANF	2023	Mechanical Drives and Bearings
TECH	2013	Fluid Power
TECH	1003	Introduction to Blueprint Reading
TECH	1013	Shop Essentials
TECH	2033	Applied Electricity/Electronics
DKEY	1201	Introduction to Computers

(CP will prepare & equip graduates to enter industrial maintenance with the principles of electricity/electronics, mechanical systems and fluid power, and the ability to apply them to the maintenance and troubleshooting of industrial machinery.)

Certificate of Proficiency in Mechatronics Level II (16 credit hours)

MANF	2223	Advanced Mechanical Drives
MANF	2044	Programmable Logic Controllers
MANF	1153	Electric Motor Control Systems
MANF	XXX3	Rotating Electrical Equipment
MANF	2253	Overview of the National Electric Code and Conduit Installation

(CP will prepare & equip grads with the principles and applications of brakes, clutches, heavy chain drives, motor control, conduit installation and National Electric Code, and programmable logic controllers as they apply to installation, maintenance, and troubleshooting of industrial machinery. Grads will also qualify for a certification from a nationally recognized accrediting body.)

Certificate of Proficiency in Mechatronics Level III (9 credit hours)

MANF	1433	Advanced Fluid Power Systems
MANF	2473	Fluid Power Systems Maintenance & Troubleshooting
MANF	2493	AC/DC Motor Control

(CP will prepare maintenance technicians with an advanced understanding of the principles and applications of electronic motor control and hydraulic/pneumatic systems as they apply to installation, maintenance, and troubleshooting of industrial machinery. Grads will also qualify for a certification from a nationally recognized accrediting body.)

Certificate of Proficiency in Mechatronics Level IV (9 credit hours)

MANF	2113	Advanced Programmable Logic Controllers
MANF	2463	Precision Alignment and Support Systems
TECH	2293	Capstone Learning Experience

(CP will prepare maintenance technicians with an advanced understanding of the principles and applications of programmable logic controllers, precision laser alignment and vibration detection systems as they apply to installation, maintenance, and troubleshooting of industrial machinery. Students will also complete a capstone project, applying what they have learned to a real world task. Grads will also qualify for a certification from a nationally recognized accrediting body.)

Certificate of Proficiency in Machine Technology Machinist Attendant (DC 1480; CIP 48.0503) reconfigured to Certificate of Proficiency in CNC Operations and Programming (19 credit hours; Spring 2015)
(Curriculum and name will better align with industry recognized certifications. Also, provides accelerated CNC Operator only program, removing Manual Machining from the initial certification. These changes were suggested by advisory committee.)

North Arkansas College
Associate of Applied Science in Criminal Justice (CIP 43.0103; 61-62 credit hours; Fall 2014)
General Education – 15 credit hours

ENGL	1013	English Composition I

Bachelor of Science in Homeland Security
Master of Business Administration
Master of Education
Doctorate in Education

Concordia University Wisconsin, Mequon, Wisconsin
Initial Certification – Distance Technology
Bachelor of Science in Rehabilitation Services to Master of Occupational Therapy
Master of Science in Education, Teaching and Learning
Master of Science in Curriculum and Instruction
Master of Science in Educational Leadership
Master of Science in Education, Counseling
Master of Science in Education, Education Administration
Master of Science in Education, Literacy
Master of Science in Education, Special Education

DeVry University, Naperville, Illinois
Initial Certification – Distance Technology
Associate of Applied Science in Business
Undergraduate Certificate in Medical Billing and Coding
Master of Science in Finance
Graduate Certificate in Accounting
Graduate Certificate in Business Administration
Graduate Certificate in Curriculum Leadership
Graduate Certificate in Entrepreneurship
Graduate Certificate in Financial Analysis
Graduate Certificate in Health Services Management
Graduate Certificate in Human Resource Management
Graduate Certificate in Information Security
Graduate Certificate in Information Systems Management
Graduate Certificate in Network and Communications Management
Graduate Certificate in Project Management

Drexel University, Philadelphia, Pennsylvania
Initial Certification – Distance Technology
Master of Business Administration
Master of Science in Library and Information Science

Master of Science in Science of Instruction

Ecclesia College, Springdale, Arkansas
Initial Certification – Distance Technology
Associate of Arts
Associate of General Studies
Associate of Sciences
Bachelor of Arts in Communications
Bachelor of Arts in Cross-Cultural Communications
Bachelor of Arts in Leadership
Bachelor of Arts in Musical Arts
Bachelor of Arts in Religious Education
Bachelor of Science in Behavioral Sciences
Bachelor of Science in Business Administration
Bachelor of Science in Counseling
Bachelor of Science in Organizational Communications

Emory University, Atlanta, Georgia
Initial Certification – Distance Technology
Bachelor of Medical Science in Medical Imaging
Master of Business Administration, Modular Executive
Master of Public Health
Doctor of Nursing Practice

Emporia State University, Emporia, Kansas
Initial Certification – Distance Technology
Master of Arts in History
Master of Arts in Teaching English as a Second Language
Master of Education in Teaching
Master of Science in Business Education
Master of Science in Curriculum and Instruction
Master of Science in Earth Science
Master of Science in Informatics
Master of Science in Instructional Specialist
Master of Science in Rehabilitation Counseling

Everest University, Orlando, Florida
Recertification – Distance Technology
Associate of Applied Science in Applied Management
Associate of Applied Science in Computer Information Science
Associate of Applied Science in Homeland Security
Bachelor of Science in Applied Management
Bachelor of Science in Computer Information Science
Bachelor of Science in Criminal Justice
Bachelor of Science in Homeland Security

Everest College, Phoenix, Arizona
Recertification – Distance Technology

Bachelor of Science in Business Administration

Excelsior College, Albany, New York
Initial Certification – Distance Technology
Associate of Applied Science in Technical Studies
Bachelor of Professional Studies in Business and Management
Bachelor of Science in Criminal Justice
Bachelor of Science in Cyber Operations
Bachelor of Science in Electrical Engineering Technology
Bachelor of Science in Health Care Management
Bachelor of Science in Health Sciences
Bachelor of Science in Information Technology
Bachelor of Science in Nuclear Engineering Technology
Masters of Science in Health Sciences

Faulkner University, Montgomery, Alabama
Initial Certification – Distance Technology
Bachelor of Arts in Humanities
Bachelor of Science in Criminal Justice
Bachelor of Science in Business
Master of Arts in Teaching
Master of Arts in Humanities
Master of Business Administration
Master of Education
Master of Justice Administration
Master of Science in Counseling
Doctor of Humanities

Franklin University, Columbus, Ohio
Initial Certification – Distance Technology
Certificate in Instructional Design
Bachelor of Science in Entrepreneurship
Bachelor of Science in Health Information Management
Bachelor of Science in Social Sciences

Fuller Theological Seminary, Pasadena, California
Initial Certification – Distance Technology
Master of Arts in Global Leadership
Master of Arts in Intercultural Studies
Master of Arts in Theology and Ministry

George Washington University, Washington, D.C.
Initial Certification – Distance Technology
Executive Master of Healthcare Administration

Georgetown University, Washington, D.C.
Initial Certification – Distance Technology
Certificate in Project Management

Certificate in Digital Marketing
Certificate in International Business Management
Certificate in Social Media Management

Grand Canyon University, Phoenix, Arizona
Initial Certification – Distance Technology
Bachelor of Arts in Digital Film: Production
Bachelor of Arts in Digital Film: Screenwriting
Bachelor of Arts in Government
Education Specialist
Master of Arts in Autism Spectrum Disorders
Master of Arts in Reading
Master of Divinity
Master of Science in Organizational Growth and Sales
Doctor of Nursing Practice

Grantham University, Kansas City, Missouri
Initial Certification – Distance Technology
Associate of Arts in General Studies
Associate of Science in Computer Science
Associate of Science in Electronics and Computer Engineering
Bachelor of Business Administration in Human Resource Management
Bachelor of Science in Accounting
Bachelor of Science in Computer Science
Bachelor of Science in Electrical Engineering Technology
Master of Science in Information Management
Master of Science in Performance Improvement

Hazelden Graduate School of Addiction Studies, Center City, Minnesota
Initial Certification – Distance Technology
Master of Arts in Addiction Counseling: Advanced Practice
Master of Arts in Addiction Counseling: Integrated Recovery for Co-Occurring Disorders

Heritage Christian University, Florence, Alabama
Initial Certification – Distance Technology
Associate of Arts in Biblical Studies
Bachelor of Arts in Biblical Studies
Master of Arts in Biblical Studies
Master of Ministry
Master of Divinity

Indiana University, Bloomington, Indiana
Initial Certification – Distance Technology
Bachelor of General Studies
Bachelor of Science in Business Administration
Bachelor of Science in Nursing
Certificate in Histotechnology
Master of Business Administration

Master of Library Science
Master of Social Work
Master of Science in Global Supply Chain Management
Master of Science in Finance
Master of Science in Language Education

ITT Technical Institute, Carmel, Indiana
Initial Certification – Little Rock campus
Accounting Diploma
Business Management Diploma
Criminology and Forensic Technology Diploma
Drafting and Design Technology Diploma
Electrical Engineering Technology Diploma
Network Systems Administration Diploma
Software Development Diploma
Associate of Applied Science in Accounting

Johns Hopkins University, Baltimore, Maryland
Initial Certification – Distance Technology
Master of Arts in Government
Master of Education in the Health Professions
Master of Science in Bioinformatics
Master of Science in Electrical and Computer Engineering
Master of Science in Engineering in Systems Engineering
Master of Science in Information Systems Engineering
Master of Science in Public Health, Child and Adolescent Health and Development
Master of Science in Public Health, Global Disease Epidemiology and Control
Master of Science in Public Health, Health Education and Health Communication
Master of Science in Public Health, Health Policy
Master of Science in Public Health, Health Systems
Master of Science in Public Health, Human Nutrition
Master of Science in Public Health, Occupational and Environmental Hygiene
Master of Science in Public Health, Population and Health
Master of Science in Public Health, Reproductive, Perinatal and Women's Health
Master of Science in Regulatory Science
Master of Science in Systems Engineering
Master of Science in Technical Management
Doctor of Education

Kansas State University, Manhattan, Kansas
Initial Certification – Distance Technology
Master of Science in Electrical Engineering

Kaplan University, Davenport, Iowa
Recertification – Distance Technology
Associate of Applied Science in Public Administration

Liberty University, Lynchburg, Virginia
Initial Certification – Distance Technology
Associate of Applied Science in Medical Office Assistant
Bachelor of Science in Applied Web Technologies
Master of Arts in Ethnomusicology
Master of Arts in Music Education
Master of Arts in Music and Worship
Master of Arts in Strategic Communications
Master of Arts in Worship Studies
Master of Science in Cyber Security
Master of Science in Marketing
Doctor of Nursing Practice
Doctor of Worship Studies
Recertification – Distance Technology
Associate of Arts in Accounting
Associate of Arts in Management Information Systems
Bachelor of Science in Accounting
Bachelor of Science in Interdisciplinary Studies
Bachelor of Science in Management Information Systems
RN to Bachelor of Science in Nursing
Master of Science in Nursing

Lindenwood University, St. Charles, Missouri
Initial Certification – Distance Technology
Bachelor of Arts in Business
Bachelor of Arts in Criminal Justice
Bachelor of Arts in General Studies
Bachelor of Science in Nursing
Master of Arts in Education Technology
Master of Arts in Gifted Education K-12
Master of Arts in Leadership
Master of Arts in Nonprofit Administration
Master of Arts in Public Administration
Master of Business Administration
Master of Fine Arts in Writing

Mid-America Christian University, Oklahoma City, Oklahoma
Initial Certification – Distance Technology
Bachelor of Business Administration in Accounting and Ethics
Bachelor of Business Administration in Ethics
Bachelor of Science in Christian Ministries
Bachelor of Science in Criminal Justice Corrections and Ethics
Bachelor of Science in Management Information Systems and Ethics
Master of Science in Counseling

Missouri State University, Springfield, Missouri
Initial Certification – Distance Technology
Doctor of Nursing Practice

Missouri Southern State University, Joplin, Missouri
Initial Certification – Distance Technology
Bachelor of Science in Environmental Health

National University, La Jolla, California
Initial Certification – Distance Technology
Master of Arts in Teaching

The New School, New York, New York
Initial Certification – Distance Technology
Master of Arts in Teaching English to Speakers of Other Languages

New York Institute of Technology, Old Westbury, New York
Institutional Planning and Development to offer degrees on Arkansas State University Jonesboro Campus
Initial Certification – Arkansas Location on Arkansas State University-Jonesboro Campus
Master of Science in Medical and Health Care Simulation
Master of Science in Neuromusculoskeletal Sciences
Doctor of Osteopathic Medicine

Northcentral University, Prescott Valley, Arizona
Initial Certification – Distance Technology
Bachelor of Business Administration
Bachelor of Education
Master of Business Administration
Master of Education
Education Specialist
Doctor of Business Administration
Doctor of Education
Doctor of Philosophy in Business Administration
Doctor of Philosophy in Education

Northeastern University, Boston, Massachusetts
Recertification – Distance Technology
Master of Business Administration
Master of Science in Taxation
Master of Science in Finance
Master of Science in Health Informatics

Nova Southeastern University, Fort Lauderdale, Florida
Initial Certification – Distance Technology
Master of Health Science
Doctor of Health Science
Doctor of Philosophy in Health Science
Doctor of Philosophy in Physical Therapy

Oklahoma Wesleyan University, Bartlesville, Oklahoma
Initial Certification – Distance Technology

Master of Arts in Theology and Apologetics
Master of Science in Nursing
Master of Science in Strategic Leadership

Oregon State University, Corvallis, Oregon
Initial Certification – Distance Technology
Bachelor of Science in Sustainability
Master of Science in Science or Mathematics Education-School Based Learning for K-12 Teachers
Master of Science in Science or Mathematics Education-Free Choice Learning
Master of Science in Natural Resources
Masters of Science in Fisheries and Wildlife Administration
Certificate in Geographic Information
Certificate in Public Health

The Pennsylvania State University, University Park, Pennsylvania
Initial Certification – Distance Technology
Bachelor of Arts in Letters, Arts, and Sciences
Bachelor of Science in Business
Bachelor of Science in Information Sciences and Technology
Bachelor of Science in Organizational Leadership
Bachelor of Science in Psychology
Master of Business Administration
Master of Engineering Management
Master of Geographic Information Systems
Master of Professional Studies in Homeland Security-Homeland Security Base Program
Master of Public Administration

Post University, Waterbury, Connecticut
Initial Certification – Distance Technology
Associate of Science in Criminal Justice
Bachelor of Science in Instructional Design and Technology
Bachelor of Science in Interactive Communications
Bachelor of Science in International Business
Graduate Certificate in Finance
Graduate Certificate in Professional Counseling
Master of Education

Prescott College, Prescott, Arizona
Initial Certification – Distance Technology
Master of Education in Educational Leadership, Principalship
Master of Education in Elementary Education
Master of Education in Secondary Education
Master of Science in Counseling
Post-Master Certificate in Counseling/Ecopsychology
Post-Master Certificate in Counseling/Adventure-based Psychotherapy
Post-Master Certificate in Counseling/Equine-Assisted Mental Health
Post-Master Certificate in Counseling/Expressive Arts Therapy

Post-Master Certificate in Counseling/Somatic Psychology
Doctor of Philosophy in Education/Sustainability Education

Rasmussen College, Bloomington, Minnesota
Initial Certification – Distance Technology
Associate of Applied Science in Graphic Design
Bachelor of Science in Graphic Design
Recertification – Distance Technology
Associate of Applied Science in Criminal Justice
Associate of Applied Science in Human Services
Associate of Applied Science in Information Systems Management
Associate of Applied Science in Paralegal
Associate of Applied Science in Software Application Development
Bachelor of Science in Business Management
Bachelor of Science in Business Systems Analysis
Bachelor of Science in Computer Science
Bachelor of Science in Cyber Security
Bachelor of Science in Digital Design and Animation
Bachelor of Science in Entrepreneurship
Bachelor of Science in Finance
Bachelor of Science in Game and Simulation Programming
Bachelor of Science in Human Resources and Organizational Leadership
Bachelor of Science in Information Technology Management
Bachelor of Science in International Business
Bachelor of Science in Marketing
Bachelor of Science in Nursing

Remington College, Little Rock, Arkansas
Initial Certification – Little Rock Campus
Associate of Applied Science in Criminal Justice

Rutgers, the State University of New Jersey, New Brunswick, New Jersey
Initial Certification – Distance Technology
Bachelor of Science in Labor and Employment Relations
Bachelor of Science in Public Health
Bachelor of Science in Nursing (RN to BSN)
Master of Accountancy in Governmental Accounting
Master of Arts in American Studies
Master of Arts in Criminal Justice
Master of Arts in French Literature
Master of Arts in Global Affairs
Master of Arts in Jazz History
Master of Arts in Liberal Studies
Master of Arts in Political Science
Master of Arts in Teaching in Global Languages
Master of Arts in Teaching in Science
Master of Arts in Teaching in Spanish
Master of Business and Science in Drug Discovery and Development

Master of Business and Science in Supply Chain Management
Master of Engineering in Biomedical Engineering
Master of Engineering in Pharmaceutical Engineering and Science
Master of Education in Adult Education
Master of Education in Language Education
Master of Education in Learning, Cognition, and Development
Master of Library and Information Sciences
Master of Music in Music Education
Master of Public Administration
Master of Science in Behavioral and Neural Sciences
Master of Science in Earth and Environmental Science
Master of Science in Economics
Master of Social Work
Doctor of Nursing Practice

Saint Joseph's College of Maine, Standish, Maine
Initial Certification – Distance Technology
Master of Business Administration in Leadership
Recertification – Distance Technology
Bachelor of Science in Business Administration
Bachelor of Science in Health Administration
Bachelor of Science in Nursing
Bachelor of Science in Radiologic Science Administration
Master of Health Administration
Master of Science in Nursing

Southeast Missouri State University, Cape Girardeau, Missouri
Initial Certification – Distance Technology
Bachelor of General Studies
Bachelor of Science in Business Administration
Bachelor of Science in Interdisciplinary Studies
Bachelor of Science in Nursing
Bachelor of Science in Technology Management
Master of Arts in Educational Technology
Master of Arts in Teaching of English as a Second Language
Master of Business Administration
Master of Science in Business, Organizational Management
Master of Science in Criminal Justice

Southern Adventist University, Collegedale, Tennessee
Initial Certification – Distance Technology
Master of Business Administration
Master of Global Community Development
Master of Nursing
Master of Science in Nursing/Master of Business Administration (Dual Degree)
Master of Social Work
Doctor of Nursing Practice

South University, Savannah, Georgia
Initial Certification – Distance Technology
Associate of Science in Paralegal Studies
Bachelor of Science in Public Relations
Doctor of Ministry
Initial Certification – Little Rock Campus
Associate of Science in Accounting
Associate of Science in Criminal Justice
Associate of Science in Information Technology
Associate of Applied Science in Occupational Therapy Assistant
Associate of Applied Science in Physical Therapist Assistant
Master of Arts in Clinical Mental Health Counseling
Master of Public Health
Master of Science in Information Systems Technology
Master of Science in Leadership
Master of Science in Nursing (RN to MSN)
Doctor of Business Administration
Doctor of Nursing Practice

Stratford University, Fairfax, Virginia
Initial Certification – Distance Technology
Associate of Applied Science in Business Administration
Associate of Applied Science in Medical Billing and Coding

Texas Wesleyan University, Fort Worth, Texas
Initial Certification – Distance Technology
Master of Science in Nurse Anesthesia
Doctorate of Nurse Anesthesia

Trident University International, Cypress, California
Initial Certification – Distance Technology
Master of Arts in Education
Master of Science in Emergency Disaster Management
Master of Science in Information Technology
Doctor of Philosophy in Business Administration
Doctor of Philosophy in Educational Leadership
Doctor of Philosophy in Health Sciences

Union University, Jackson, Tennessee
Initial Certification – Distance Technology
Doctor of Nursing Practice

University of California, Berkeley, Berkeley, California
Initial Certification – Distance Technology
Master of Information and Data Science

University of Central Missouri, Warrensburg, Missouri
Initial Certification – Distance Technology

Bachelor of Science in Criminal Justice
Bachelor of Science in General Studies
Bachelor of Science in Kinesiology
Master of Arts in Teaching
Master of Science in Criminal Justice

University of Cincinnati, Cincinnati, Ohio
Initial Certification – Distance Technology
Bachelor of Science in Respiratory Care Degree Completion
Bachelor of Science in Substance Abuse Counseling
Master of Arts in Speech Language Pathology

University of Florida, Gainesville, Florida
Initial Certification – Distance Technology
Bachelor of Science in Interdisciplinary Studies-Environmental Management
Bachelor of Science in Microbiology and Cell Science
Bachelor of Science in Business Administration
Bachelor of Science in Fire and Emergency Services
Bachelor of Science in Sport Management
Bachelor of Science in Health Education and Behavior
Bachelor of Science in Criminology and Law
Bachelor of Science in Communication Sciences and Disorders
Master of Architectural Studies
Master of Arts in Art Education
Master of Arts in Latin
Master of Arts in Mass Communication
Master of Arts in Urban and Regional Planning
Master of Business Administration
Master of Family, Youth, and Community Sciences
Master of Fisheries and Aquatic Science
Master of Music in Music Education
Master of Science in Entomology and Nematology
Master of Education in Curriculum and Instruction
Master of Education in Educational Leadership
Master of Engineering in Aerospace Engineering
Master of Engineering in Electrical and Computer Engineering
Master of Engineering in Environmental Engineering Sciences
Master of Engineering in Materials Science and Engineering
Master of Engineering in Industrial and Systems Engineering
Master of International Construction Management
Master of Science in Aerospace Engineering
Master of Science in Agricultural Education and Communication
Master of Science in Agroecology
Master of Science in Civil Engineering
Master of Science in Computer Engineering
Master of Science in Electrical and Computer Engineering
Master of Science in Environmental Engineering Sciences
Master of Science in Materials Science and Engineering

Master of Science in Mechanical Engineering
Master of Science in Industrial and Systems Engineering
Master of Science in Forest Resources and Conservation
Master of Science in Soil and Water Science
Master of Latin
Master of Science in Nursing
Master of Science in Pharmaceutical Sciences
Master of Public Health
Master of Science in Veterinary Medical Sciences
Specialist in Education in Curriculum and Instruction
Specialist in Education in Special Education
Doctor of Audiology
Doctor of Education in Curriculum and Instruction
Doctor of Education in Educational Leadership
Doctor of Education in Higher Education Administration
Doctor of Nurse Practice
Doctor of Pharmacy
Doctor of Philosophy in Classical Studies with a specialization in Classical Civilization
Doctor of Philosophy in Classical Studies with a specialization in Latin and Roman Studies

University of Kansas, Lawrence, Kansas
Initial Certification – Distance Technology
Certificate in Administration of Special Education
Certificate in Clinical Research Management
Certificate in Healthcare Informatics
Certificate in Health Professions Educator
Certificate in Organizational Leadership
Certificate in Psychiatric/Mental Health Nurse Practitioner
Certificate in Public Health Nursing
Bachelor of Science in Nursing
Master of Science in Education Curriculum and Instruction (English to Speakers of Other Languages)
Master of Science in Education Educational Administration
Master of Science in Education Early Childhood Unified Education
Master of Science in Nursing
Master of Science in Pharmaceutical Chemistry

University of Missouri, Columbia, Missouri
Initial Certification – Distance Technology
Bachelor of Educational Studies
Master of Arts in Journalism
Master of Education in Counseling Psychology
Master of Education in Gifted Education
Master of Education in Math or Science
Master of Education in Educational, School, and Counseling Psychology, focus area in Positive Coaching
Master of Education in Teaching English to Speakers of Other Languages

Master of Education in Special Education with an emphasis in Early Childhood Education
Master of Science in Agricultural Education
Master of Science in Natural Resources with an emphasis in Agroforestry
Master of Science in Personal Financial Planning
Educational Specialist in Educational Leadership and Policy Analysis
Doctor of Philosophy in Human Environmental Sciences with an emphasis in Architectural Studies
Doctor of Philosophy in Learning, Teaching, and Curriculum-Art Education
Doctor of Philosophy in Nursing

University of Missouri-Kansas City, Kansas City, Missouri
Initial Certification – Distance Technology
Certificate in Educational Foundations
Bachelor of Liberal Arts
Bachelor of Science in Dental Hygiene
Bachelor of Science in Nursing
Graduate Certificate in Community College Leadership
Master of Arts in Curriculum and Instruction in Multicultural Education
Master of Science in Dental Hygiene Education
Master of Science in Nursing
Post Master's Certificate in Nurse Educator
Educational Specialist in Education Administration
Doctor of Nursing Practice
Doctor of Philosophy in Nursing

University of Nebraska at Kearney, Kearney, Nebraska
Initial Certification – Distance Technology
Bachelor of Arts in Early Childhood
Bachelor of Science in Organizational and Relational Communication
Bachelor of Science in Sociology
Master of Arts in Education, Art Education
Master of Arts in Education, Curriculum and Instruction
Master of Arts in Education, Curriculum Supervisor of Academic Area
Master of Arts in Education, Music Education
Master of Arts in Education, Physical Education
Master of Arts in Education, Reading
Master of Arts in Education, School Principalship
Master of Arts in Education, Special Education
Master of Arts in Education, Supervisor of Special Education
Master of Science in Education, Instructional Technology
Master of Science in Education, Science/Math Education
Doctor of Education in School Superintendent

University of Nebraska Medical Center, Omaha, Nebraska
Initial Certification – Distance Technology
RN to Bachelor of Science in Nursing
Master of Science in Nursing

University of Nebraska at Omaha, Omaha, Nebraska
Initial Certification – Distance Technology
Bachelor of Science in Criminology and Criminal Justice
Bachelor of Science in Education, School Library Media
Bachelor of Science in Education, Library Science
Bachelor of Science in General Administration
Bachelor of Science in Information Technology
Bachelor of Science in Library Science
Bachelor of Science in Management Information Systems
Bachelor of Science in Nonprofit Administration
Bachelor of Science in Political Science
Bachelor of Science in Sociology
Master of Arts in Social Gerontology
Master of Fine Arts in Creative Writing
Master of Science in Child, Youth and Family Studies
Master of Science in Criminology and Criminal Justice
Master of Science in Elementary Education
Master of Science in Political Science
Master of Science in Reading
Master of Science in Secondary Education
Master of Science in Special Education

University of New Haven, West Haven, Connecticut
Initial Certification – Distance Technology
Bachelor of Science in Professional Studies
Master of Science in Emergency Management
Master of Science in Environmental Engineering

University of North Dakota, Grand Forks, North Dakota
Initial Certification – Distance Technology
Bachelor of Science in Electrical Engineering
Master of Business Administration

University of Phoenix, Phoenix, Arizona
Initial Certification – Little Rock Campus, Rogers Campus
Master of Science in Nursing

University of Saint Mary, Leavenworth, Kansas
Initial Certification – Distance Technology
Master of Science in Nursing

University of South Dakota, Vermillion, South Dakota
Initial Certification – Distance Technology
Associate of Arts in General Studies
Bachelor of General Studies
Bachelor of Science in Health Sciences
Master of Arts in Educational Administration/Adult and Higher Education
Master of Business Administration

Master of Professional Accountancy
Doctorate in Physical Therapy

University of Southern California, Los Angeles, California
Initial Certification – Distance Technology
Certificate in Gifted Education
Certificate in Special Education
Master of Arts in Teaching
Master of Education in School Leadership
Doctor of Education in Organizational Change and Leadership

University of Southern Indiana, Evansville, Indiana
Initial Certification – Distance Technology
Bachelor of Science in Health Services
Bachelor of Science in Nursing
Bachelor of Science in Radiologic and Imaging Sciences
Master of Business Administration
Master of Science in Health Administration
Master of Science in Nursing
Doctor of Nursing Practice

University of Texas at El Paso, El Paso, Texas
Initial Certification – Distance Technology
Master of Science in Nursing – Nurse Practitioner

University of Tulsa, Tulsa, Oklahoma
Initial Certification – Distance Technology
Master of Laws in Indian Law
Master of Laws in Energy Law
Master of Energy Business

University of West Alabama, Livingston, Alabama
Initial Certification – Distance Technology
Master of Education in School Counseling
Master of Science in Continuing Education in Guidance and Counseling

University of Wisconsin-Green Bay, Green Bay, Wisconsin
Initial Certification – Distance Technology
Bachelor of Applied Science in Interdisciplinary Studies
Bachelor of Arts in Interdisciplinary Studies
Bachelor of Business Administration
Bachelor of Science in Health Information Management and Technology
Bachelor of Science in Nursing
Master of Science in Nursing
Master of Science in Sustainable Management

University of Wisconsin-Stout, Menomonie, Wisconsin
Initial Certification – Distance Technology

Bachelor of Science in Engineering Technology
Bachelor of Science in Human Development and Family Studies
Bachelor of Science in Management
Bachelor of Science in Golf Management
Master of Science in Education
Master of Science in Career and Technical Education
Master of Science in Training and Development

Utah Valley University, Orem, Utah
Initial Certification – Distance Technology
Associate of Applied Science in Aviation
Bachelor of Science in Aviation
Bachelor of Science in Emergency Services Administration Management

Vista College, Richardson, Texas
Initial Certification – Fort Smith campus
Medical Assistant Diploma
Medical Insurance Billing and Coding Diploma
Information Technology Diploma
Business Administration Diploma
Heating, Ventilation, and Air Conditioning Diploma
Massage Therapy Diploma
Patient Care Technician Diploma
Electrical Technician Diploma

Walden University, Baltimore, Maryland
Recertification – Distance Technology
Doctor of Business Administration
Doctor of Philosophy in Health Services
Doctor of Philosophy in Human Services
Doctor of Philosophy in Public Health

Western Governors University, Salt Lake City, Utah
Initial Certification – Distance Technology
Bachelor of Arts in Science (Teaching Grades 5-12)
Bachelor of Science in Health Informatics
Bachelor of Science in Nursing (RN to BSN)
Bachelor of Science in Information Technology
Post-Baccalaureate Teacher Preparation
Master of Arts in Mathematics Education
Master of Arts in Science Education
Master of Business Administration in Management and Strategy
Master of Education in Instructional Design
Master of Science in Curriculum and Instruction
Master of Science in Information Security and Assurance
Master of Science in Learning and Technology
Master of Science in Nursing
Master of Science, Nursing Education

Master of Science in Nursing, Leadership and Management

Western International University, Tempe, Arizona
Recertification – Distance Technology, Little Rock and Rogers campuses
Associate of Arts in Business
Bachelor of Arts in Behavioral Science
Bachelor of Arts in Criminal Behavior
Bachelor of Arts in Human Resource Management
Bachelor of Arts in Legal Studies
Bachelor of Arts in Professional Communication
Bachelor of Science in Accounting
Bachelor of Science in Business
Bachelor of Science in Business Administration
Bachelor of Science in Informatics Information Technology
Bachelor of Science in Management
Master of Arts in Human Dynamics
Master of Arts in Innovative Leadership
Master of Business Administration
Master of Public Administration
Master of Science in Information Systems Engineering

Westminster College, Fulton, Missouri
Initial Certification – Distance Delivery
Courses:
ACC 216 Principles of Managerial Accounting
BUS 220 Fundamental Management
BUS 230 Personal Finance
BUS 250 Principles of Marketing
BUS 326 Human Resource Management
BUS 330 Advertising
CHM 105 Introduction to Chemistry
CLA 215 Mythology
CLS 100 College Learning Strategies
ECN 110 Introduction to Economics
ECN 211 Principles of Macroeconomics
ECN 300 Introduction to Health Economics
EDU 221 Educational Psychology
EDU 230 Child Growth and Development
EDU 231 Education of Exceptional Individual
EDU 385 Diversity in Education
GOG 101 Introduction to Geography
HES 240 Introduction to Global Public Health
HES 251 Introduction to Nutrition
HIS 103 History of US to 1890
HIS 200 Introduction to Museum Work
HUM 277 Spanish Civilization
MUS 205 Music in West World
NSC 305 Survey History of Science

PHL 101 Introduction to Philosophy
POL 300 National Security Law
REL 102 World Religions
SEC 300 Issues in Homeland Security
SPE/WGS 203 Interpersonal Communication
WGS 210 Introduction to Women's Studies

William Woods University, Fulton, Missouri
Initial Certification – Distance Technology
Bachelor of Science in American Sign Interpretation-English
Master of Business Administration

Wright Career College, Overland Park, Kansas
Initial Certification – Distance Technology
Associate of Applied Science in Personal Training and Fitness
Associate of Applied Science in Business Administration
Associate of Applied Science in Health Care
Associate of Applied Science in Network and Security
Associate of Applied Science in Computer Information Systems
Bachelor of Science in Business Administration
Bachelor of Science in Health Care Administration
Bachelor of Science in Computer Information Systems & Analysis

Pending Review by Arkansas State Board of Nursing
ITT Technical Institute, Indianapolis, Indiana
Initial Certification – Little Rock Campus
Associate of Applied Science in Nursing

Pending Review by Arkansas Department of Education
Oklahoma Wesleyan University, Bartlesville, Oklahoma
Initial Certification – Distance Technology
Master of Education

Pending Review by Arkansas State Board of Examiners in Counseling
University of South Dakota, Vermillion, South Dakota
Initial Certification - Distance Technology
Master of Arts in Addiction Studies

Pending Review by the Arkansas State Medical Board
Western New Mexico University, Silver City, New Mexico
Initial Certification – Distance Technology
Master of Occupational Therapy
