

## Institutions Approved by AHECB to Operate in Arkansas

Arkansas Code § 6-61-301 grants authority to the Arkansas Higher Education Coordinating Board (AHECB) to provide for the orderly development of higher education and to protect Arkansas students from fraudulent or inferior programs by establishing the criteria for certification of non-public and out-of-state institutions offering academic courses and/or degree programs in the state of Arkansas.

The Arkansas Higher Education Coordinating Board authorizes the Commissioner of the Arkansas Division of Higher Education (ADHE) to issue a Letter of Exemption from Certification to institutions if one of the following conditions is met:

- a. The institution offers degree programs on military installations, and the majority (51% of total annual enrollment) of students enrolled at the institution located on the military installation is active or retired military personnel or their dependents **OR**
- b. The institution offers degree programs to Arkansas students not customarily offered in colleges and universities (church-related or non-academic training).

The ADHE Letter of Exemption from Certification does not constitute an endorsement of any institution or program.

The listing of institutions includes: (1), those that offer certified certificates and degree programs on an established campus in Arkansas, pages 1 - 3; (2), those that offer certified certificates and degree programs by distance technology, pages 4-20; (3), those that are issued a Letter of Exemption from Certification to offer degrees and programs on military installations, page 21. Please contact ADHE for inquiries regarding institutions offering church-related training or non-academic training.

If an institution is in any state besides California, the institution may be in the State Authorization Reciprocity Agreements (SARA).

Institutions that are members of SARA are not listed in this document. Please check the National Council for State Authorization Reciprocity Agreements' website for more information on institutions participating in SARA:
