**RENEWAL FOR EXEMPTION FROM LICENSURE** – Josh Blevins moved, the motion was seconded by Ann Thomas, and the Board approved one (1) request for Renewal Exemption from Licensure.

National Technology Transfer – Centennial, CO - The exemption is renewed to offer training in the field of Industrial Training. The school is exempt under Arkansas Code Annotated § 6-51-603 "(6) A training program offered or sponsored by an employer for training and preparation of its own employees and for which no tuition fee is charged the employee."

<u>DENIAL OF EXEMPTION FROM LICENSURE</u> – Danny Knight moved, the motion was seconded by Doug Carter, and the Board denied the request for Exemption from Licensure for one (1) school:

ONLC Training Centers – Wilmington, DE - The State Board of Private Career Education DENIED the request for Exemption from Licensure for ONLC Training Centers of Wilmington, DE on April 21, 2015. The request was to offer training in the field of Computer Training. The information gathered with the exemption form did not appear to be accurate. The company's website offers an individual to "chat" live with one of their personnel members. That person never mentioned an Arkansas registration is limited to the employer providing the training.

The Board determined that the school did not prove it is exempt under Arkansas Code Annotated 6-51-603 "(6) A training program offered or sponsored by an employer for training and preparation of its own employees and for which no tuition fee is charged the employee."

**EXEMPTION FROM LICENSURE** – Doug Carter moved, the motion was seconded by Mary Harris, and the Board approved one (1) request for Exemption from Licensure.

Jackson Hewitt Tax School – Jonesboro, AR - The exemption is approved to offer training in the field of Tax Preparation. The school is exempt under Arkansas Code Annotated § 6-51-603 "(6) A training program offered or sponsored by an employer for training and preparation of its own employees and for which no tuition fee is charged the employee." Based on the information provided, the organization meets the requirements for exemption from licensure.

**ZWARRANTS:** - Doug Carter moved, the motion was seconded by Danny Knight, and the Board approved the Z Warrants for January 1, 2015 – March 31, 2015 as submitted. Z Warrants report is attached.

<u>OTHER BUSINESS</u> – Brenda Germann reported that SBPCE has been notified that they will be temporarily moved to a different location in the 501 Building while the current offices are remodeled. This is scheduled for 2016 but no exact date has been given.
