

Academic Program Proposals for July 27, 2018

The following is a list of academic program proposals being reviewed for possible consideration for approval at the July 27, 2018, Arkansas Higher Education Coordinating Board Meeting.

The Institution's Name, Program Title, and Program Summary are listed below. Contact ADHE for a copy of the proposals.

If you have concerns, objections, questions or comments concerning a specific proposal, please send them to **Dr. Jessie Walker, Senior Associate Director for Academic Affairs/Research & Analytics** (Jessie.walker@adhe.edu) at ADHE no later than **June 1, 2018**.

Ozarka College

Certificate of Proficiency in Surgical Scrub Technician

Technical Certificate in Surgical Technology

Associate of Applied Science in Surgical Technology

The proposed Certificate of Proficiency, Technical Certificate, and Associate of Applied Science in Surgical Technology will prepare students to work in hospital operating rooms and surgery clinics. Graduates will work as surgical technologists to perform the following duties: prepare operating rooms for surgery, sterilize equipment and make certain that supplies are adequate for surgery, prepare patients for surgery, assist surgeons during surgery, count supplies, and maintain a sterile environment. Graduates will be eligible to sit for the National Board of Surgery Technology and the Surgical Assisting examination. Ozarka will seek accreditation through the Commission on Accreditation of Allied Health Programs (CAAHEP).

University of Arkansas, Fayetteville

Bachelor of Arts in English Education

Bachelor of Arts in French Education

Bachelor of Arts in German Education

Bachelor of Arts in Social Studies Education

Bachelor of Arts in Spanish Education

The proposed Bachelor of Arts in Teaching (BAT) degrees will prepare students for teacher licensure in the humanities with pedagogical skills, the content knowledge, and the dispositions for teaching and learning in 21st century classrooms in the areas of English, French, German, Social Studies, or Spanish. The 120 credit hour program will include 40 hours of pedagogy, 33 hours in the individual content area, 35 hours of required core, and 12 hours in electives. In addition, students will have several tangible field experiences in partner schools, including observations, practicum, student teaching and internships. The proposed BATs are teaching degrees with an embedded education major in a content area.

University of Central Arkansas
Bachelor of Science in Cybersecurity

The proposed Bachelor of Science in Cybersecurity is designed to produce graduates who can identify, assess, and manage cyber threats. Cybersecurity refers to the technologies and techniques used to protect information and systems from being stolen, compromised, or attacked. The proposed 120 credit hour program will add ten new required courses in cybersecurity. Existing degrees in Computer Science, Management Information Systems, and Political Science will support the proposed program and contribute to a 12-credit hour concentration in Cybersecurity.

Institutional Certification Advisory Committee (ICAC)

The following applications may be reviewed by ADHE for possible consideration at the AHECB meeting in July 2018.

Initial Certifications

Argosy University, Orange, California

Master of Education in Education Administration

Arkansas Colleges of Health Education, Fort Smith, Arkansas

Master of Science in Biomedicine

Blue Cliff College, Fayetteville, Arkansas

Fayetteville Campus

Diploma in Dental Assisting

Diploma in Patient Care Technician

The Chicago School of Professional Psychology, Los Angeles, California
